

with respect to these companies, in accordance with 19 CFR 351.213(d)(1).⁴

Assessment

The Department will instruct U.S. Customs and Border Protection (CBP) to assess antidumping duties on all appropriate entries. For the companies for which this review is rescinded, antidumping duties shall be assessed at rates equal to the cash deposit of estimated antidumping duties required at the time of entry, or withdrawal from warehouse, for consumption, in accordance with 19 CFR 351.212(c)(1)(i). The Department intends to issue appropriate assessment instructions directly to CBP 15 days after publication of this notice.

Notification to Importers

This notice serves as the only reminder to importers whose entries will be liquidated as a result of this rescission notice, of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in the Secretary's assumption that the reimbursement of antidumping duties occurred and the subsequent assessment of double antidumping duties.

Notification Regarding Administrative Protective Orders

This notice also serves as a reminder to parties subject to administrative protective orders (APO) of their responsibility concerning the return or destruction of proprietary information disclosed under an APO in accordance with 19 CFR 351.305(a)(3), which continues to govern business proprietary information in this segment of the proceeding. Timely written notification of the return or destruction of APO materials or conversion to judicial protective order is hereby requested. Failure to comply with the regulations and terms of an APO is a violation which is subject to sanction.

⁴ See Appendix. As stated in *Change in Practice in NME Reviews*, the Department will no longer consider the non-market economy (NME) entity as an exporter conditionally subject to administrative reviews. See *Antidumping Proceedings: Announcement of Change in Department Practice for Respondent Selection in Antidumping Duty Proceedings and Conditional Review of the Nonmarket Economy Entity in NME Antidumping Duty Proceedings*, 78 FR 65963 (November 4, 2013). The PRC-wide entity is not subject to this administrative review because no interested party requested a review of the entity. See *Initiation Notice*.

This notice is issued and published in accordance with section 751(a)(1) of the Act and 19 CFR 351.213(d)(4).

Dated: August 16, 2017.

Assessment Rates

The Department shall determine, and U.S. Customs and Border Protection (CBP) shall assess, antidumping duties on all appropriate entries.

Because the weighted-average dumping margin for Falcon is zero, we will instruct CBP to liquidate the appropriate entries without regard to antidumping duties.

Pursuant to 19 CFR 351.212(b)(1), because the Liberty Group reported the entered value for all its U.S. sales, we calculated importer-specific *ad valorem* duty assessment rates based on the ratio of the total amount of antidumping duties calculated for the examined sales to the total entered value of the sales for which entered value was reported. To determine whether the duty assessment rates are *de minimis*, in accordance with the requirement set forth in 19 CFR 351.106(c)(2), we calculated importer-specific *ad valorem* ratios based on the entered value.

For the companies which were not selected for individual examination, we used as the assessment rate the cash deposit rate assigned to these exporters, in accordance with our practice.⁷

The Department's "automatic assessment" practice will apply to entries of subject merchandise during the POR produced by Falcon or the Liberty Group for which these companies did not know that the merchandise was destined for the United States. In such instances, we will instruct CBP to liquidate unreviewed entries at the all-others rate if there is no rate for the intermediate company(ies) involved in the transaction.⁸

⁶ Shrimp produced and exported by Devi Sea Foods (Devi) was excluded from this order effective February 1, 2009. See *Certain Frozen Warmwater Shrimp From India: Final Results of Antidumping Duty Administrative Review, Partial Rescission of Review, and Notice of Revocation of Order in Part*, 75 FR 41813, 41814 (July 19, 2010). Accordingly, we conducted this administrative review with respect to Devi only for shrimp produced in India where Devi acted as either the manufacturer or exporter (but not both).

⁷ See, e.g., *Certain Frozen Warmwater Shrimp From India: Final Results of Antidumping Duty Administrative Review*, 79 FR 51309 (August 28, 2014).

⁸ For a full discussion of this practice, see *Antidumping and Countervailing Duty Proceedings:*

The Department intends to issue assessment instructions to CBP 15 days after the date of publication of these final results of review.

Cash Deposit Requirements

The following cash deposit requirements will be effective for all shipments of subject merchandise entered, or withdrawn from warehouse, for consumption on or after the publication date of the final results of this administrative review, as provided by section 751(a)(2)(C) of the Act: 1) the cash deposit rates for the reviewed companies will be the rates shown above, except if the rate is less than 0.50 percent (*de minimis* within the meaning of 19 CFR 351.106(c)(1)), the cash deposit will be zero; 2) for previously reviewed or investigated companies not listed above, the cash deposit rate will continue to be the company-specific rate published for the most recent period; 3) if the exporter is not a firm covered in this review, a previous review, or the original less-than-fair-value (LTFV) investigation, but the manufacturer is, the cash deposit rate will be the rate established for the most recent period for the manufacturer of the merchandise; and 4) the cash deposit rate for all other manufacturers or exporters will continue to be 10.17 percent, the all-others rate established in the LTFV investigation.⁹ These deposit requirements, when imposed, shall remain in effect until further notice.

Notification to Importers

This notice serves as the only reminder to importers of their responsibility, under 19 CFR 351.402(f)(2), to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in the Secretary's presumption that reimbursement of antidumping duties

Administrative Protective Order

In accordance with 19 CFR 351.305(a)(3), this notice also serves as a reminder to parties subject to administrative protective order (APO) of their responsibility concerning the return or destruction of proprietary information disclosed under the APO, which continues to govern business proprietary information in this segment of the proceeding. Timely written notification of the return or destruction of APO materials or conversion to judicial protective order is hereby requested. Failure to comply with the regulations and terms of an APO is a violation subject to sanction.

We are issuing and publishing this notice in accordance with sections 751(a)(1) and 777(i) of the Act and 19 CFR 351.213(h).

Multilayered Wood Flooring From the People's Republic of China: Notice of Court Decision Not in Harmony With Final Results of Administrative Review and Notice of Amended Final Results of Administrative Review Pursuant to Court Decision

AGENCY: Enforcement and Compliance, International Trade Administration, Department of Commerce.

SUMMARY: On August 25, 2017, the United States Court of International Trade (CIT) issued its final judgment sustaining the Department of Commerce's (the Department) final results of remand redetermination pursuant to court order. The Department is notifying the public that the final judgment in this case is not in harmony with the Department's final results in the second administrative review of the antidumping duty order on multilayered wood flooring from the People's Republic of China (PRC), and that the Department is amending its determination with respect to Linyi Bonn Flooring Manufacturing Co., Ltd. (Linyi Bonn).

DATES: Applicable September 4, 2017.

FOR FURTHER INFORMATION CONTACT: Aleksandras Nakutis, AD/CVD Operations, Office IV, Enforcement and Compliance—International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue NW., Washington, DC 20230; telephone (202) 482–3147.

SUPPLEMENTARY INFORMATION:

Background

Linyi Bonn was reviewed in a new shipper review (NSR) of the antidumping duty order on multilayered wood flooring from the PRC, covering the period of review from December 1, 2012 through May 31, 2013.¹ In the *Final Results of NSR*, the Department calculated a weighted-average dumping margin for Linyi Bonn of zero percent, also finding that Linyi Bonn had

¹ See *Multilayered Wood Flooring From the People's Republic of China: Final Results of Antidumping Duty New Shipper Reviews 2012–2013*, 79 FR 66355 (November 7, 2014) (*Final Results of NSR*).

demonstrated its entitlement to a separate rate.²

Linyi Bonn was also subsequently a respondent in an administrative review that partially overlapped the period of review for the NSR, in that it covered the period of review December 1, 2012 through November 30, 2013. On July 15, 2016, the Department published the *Final Results* in the administrative review, in which it found that Linyi Bonn was part of the PRC-wide entity, because Linyi Bonn failed to submit either a timely certification of no sales, a separate rate certification, or a separate rate application.³

On April 21, 2017, the CIT remanded the *Final Results*, finding the Department's determination to assign Linyi Bonn the PRC-wide rate of 58.84 percent was contrary to law. The CIT held that the Department's *Initiation Notice*⁴ failed to provide notice to Linyi Bonn of the need to file a "partial" no shipments certification for only a portion of the review. The CIT remanded for the Department to "correct the problem created by its failure to provide notice."⁵ In particular, the CIT ordered the Department to afford Linyi Bonn "the opportunity it would have had if the Department's failure to provide notice had not occurred."⁶

On June 19, 2017, the Department issued its *Remand Results*, in which the Department determined that Linyi Bonn did not have shipments during the period of review other than those already reviewed in the *Final Results of NSR*.⁷

On August 25, 2017, the CIT issued its decision sustaining the Department's *Remand Results*.⁸

Timken Notice

In its decision in *Timken*,⁹ as clarified by *Diamond Sawblades*,¹⁰ the Court of Appeals for the Federal Circuit held that, pursuant to section 516A(e) of the Tariff Act of 1930, as amended (the Act), the Department must publish a notice of a court decision that is not "in harmony" with a Department determination and must suspend liquidation of entries pending a "conclusive" court decision. The CIT's August 25, 2017, judgment constitutes a final decision of that court that is not in harmony with the Department's *Final Results*. This notice is published in fulfillment of the publication requirements of *Timken*. Accordingly, the Department will continue the suspension of liquidation of the subject merchandise pending the expiration of the period of appeal, or if appealed, pending a final and conclusive court decision.

Amended Final Results

Because there is now a final court decision with respect to this case, the Department is amending its *Final Results* with respect to Linyi Bonn. Based on the *Remand Results*, we no longer find that Linyi Bonn is part of the PRC-wide entity. Instead, we have found that Linyi Bonn had no reviewable shipments during the period of review that were not otherwise covered in the overlapping period of review for the partially concurrent NSR.

In the event that the CIT's ruling is not appealed or, if appealed, is upheld by a final and conclusive court decision, the Department will issue appropriate instructions to U.S. Customs and Border Protection to give effect to the finding of no shipments during the period June 1, 2013, through November 30, 2013, and to ensure that any entries of subject merchandise that were produced and exported by Linyi Bonn during the period December 1, 2012, through May 31, 2013, are liquidated in accordance with the *Final Results of NSR*.

Cash Deposit Requirements

Because there has been a subsequent administrative review for Linyi Bonn, the cash deposit rate for Linyi Bonn will remain the rate established in the most recently-completed administrative review, which is zero percent.¹¹
