### Submission for OMB Review; Comment Request

The Department of Commerce will submit to the Office of Management and Budget (OMB) for clearance the following proposal for collection of information under the provisions of the Paperwork Reduction Act (44 U.S.C. Chapter 35).

*Agency:* National Institute of Standards and Technology, U.S. Department of Commerce.

*Title:* Proposed Information Collection; Comment Request; Safety and Health Data.

*OMB Control Number:* 0693-XXXX.

*Form Number(s):* None.

*Type of Request:* Regular submission, new information collection.

*Number of Respondents:* 450

*Average Hours per Response:* 5 minutes per response.

*Burden Hours:* 37.5

*Needs and Uses:* The National Institute of Standards and Technology (NIST) has identified a need for OMB approval for a myriad of health and safety forms. NIST is a unique federal campus which hosts daily a range of non-federal individuals. In order to provide these individuals with proper care and health and safety documentation, NIST is pursuing a general clearance for these forms.

*Affected Public:* Some associates, volunteers, and visitors to NIST.

*Frequency:* As needed.

*Respondent's Obligation:* Many of the forms will be voluntarily completed on an as needed basis by non-federal individuals. For example, if a visitor falls ill while visiting campus, they may seek care at the health unit and may opt in or out of completing the forms. NIST, however, does have some instances where the completion of forms will be mandatory due to potential high level public safety issues. There may also be documentation based on requirements for OSHA compliance.

## DENALI COMMISSION

### Denali Commission Fiscal Year 2018 Draft Work Plan

**AGENCY:** Denali Commission.

**ACTION:** Notice.

**SUMMARY:** The Denali Commission (Commission) is an independent Federal agency based on an innovative federal-state partnership designed to provide critical utilities, infrastructure and support for economic development and training in Alaska by delivering federal services in the most cost-effective manner possible. The Commission was created in 1998 with passage of the October 21, 1998 Denali Commission Act (Act) (Title III of Pub. L. 105-277). The Act requires that the Commission develop proposed work plans for future spending and that the annual work plan be published in the **Federal Register**, providing an opportunity for a 30-day period of public review and written comment. This **Federal Register** notice serves to announce the 30-day opportunity for public comment on the Denali Commission Draft Work Plan for Federal Fiscal Year 2018 (FY 2018).

**DATES:** Comments and related material to be received by October 30, 2017.

**ADDRESSES:** Submit comments to the Denali Commission, Attention: Corrine Eilo, 510 L Street, Suite 410, Anchorage, AK 99501.

**FOR FURTHER INFORMATION CONTACT:** Corrine Eilo, Denali Commission, 510 L Street, Suite 410, Anchorage, AK 99501. Telephone: (907) 271-1414. Email: [ceilo@denali.gov](mailto:ceilo@denali.gov).

*Background:* The Denali Commission's mission is to partner with

tribal, federal, state, and local governments and collaborate with all Alaskans to improve the effectiveness and efficiency of government services, to build and ensure the operation and maintenance of Alaska's basic infrastructure, and to develop a well-trained labor force employed in a diversified and sustainable economy.

By creating the Commission, Congress mandated that all parties involved partner together to find new and innovative solutions to the unique infrastructure and economic development challenges in America's most remote communities. Pursuant to the Act, the Commission determines its own basic operating principles and funding criteria on an annual federal fiscal year (October 1 to September 30) basis. The Commission outlines these priorities and funding recommendations in an annual work plan. The FY 2018 Work Plan was developed in the following manner.

- A workgroup comprised of Denali Commissioners and Commission staff developed a preliminary draft work plan.
- The preliminary draft work plan was published on [Denali.gov](http://Denali.gov) for review by the public in advance of public testimony.
- A public hearing was held to record public comments and recommendations on the preliminary draft work plan.
- Written comments on the preliminary draft work plan were accepted for another two weeks after the public hearing.
- All public hearing comments and written comments were provided to Commissioners for their review and consideration.
- Commissioners discussed the preliminary draft work plan in a public meeting and then voted on the work plan during the meeting.
- The Commissioners forwarded their recommended work plan to the Federal Co-Chair, who then prepared the draft work plan for publication in the **Federal Register** providing a 30-day period for public review and written comment. During this time, the draft work plan will also be disseminated to Commission program partners including, but not limited to, the Bureau of Indian Affairs (BIA), the Economic Development Administration (EDA), Department of Agriculture—Rural Utilities Service (USDA/RUS), and the State of Alaska.
