**Submission for OMB Review; Comment Request**

*Title:* Information Comparison With Insurance Data.

*OMB No.:* 0970-0342.

*Description:* The Deficit Reduction Act of 2005 amended Section 452 of the Social Security Act (the Act) to authorize the Secretary, through the Federal Parent Locator Service (FPLS), to conduct comparisons of information concerning individuals owing past-due child support with information maintained by insurers (or their agents) concerning insurance claims, settlements, awards, and payments. 42 U.S.C. 652(m)(1).

An insurer may choose to participate in the data comparison using one of the following methods:

- An insurer submits information concerning claims, settlements, awards, and payments to the federal Office of Child Support and Enforcement (OCSE). OCSE compares the information with parents who owe past-due support.

- OCSE sends a file containing information about parents who owe past-due support to the insurer, or their agent to compare with their claims, settlements, awards, and payments. The insurer or their agent sends the matches to OCSE.

On a daily basis, OCSE sends the results of the comparison in the Insurance Match Response Record to child support agencies responsible for collecting past-due support. Child support agencies use the matches to collect past-due support from the insurance proceeds.

The information collection activities pertaining to the information comparison with insurance data are authorized by:

(1) 42 U.S.C. 652(a)(9) which requires the federal Office of Child Support Enforcement (OCSE) to operate the FPLS established by 42 U.S.C. 653(a)(1); and

(2) 42 U.S.C. 652(m) which authorizes OCSE, through the FPLS, to compare information concerning individuals owing past-due support with information maintained by insurers (or their agents) concerning insurance claims, settlements, awards, and payments, and to furnish information resulting from the data matches to the state child support agencies responsible for collecting child support from the individuals.
