T. 20 N., R. 20 E.

Sec. 5, S $\frac{1}{2}$ SW $\frac{1}{4}$.

The area described contains 80 acres more or less in Washoe County.

NEPA compliance documentation is being prepared under #DOI-BLM-NV-C020-2017-0016-EA.

The lease/conveyance, if issued, would be subject to the provisions of the R&PP Act and applicable regulations of the Secretary of the Interior, including, but not limited to, 43 CFR parts 2740-2743 and 2912, and would be subject to the following terms, conditions, and reservations:

2. All minerals shall be reserved to the United States, together with the right to prospect for, mine and remove such deposits from the same under applicable law and such regulations as the Secretary of the Interior may prescribe; and subject to valid existing rights;

3. An appropriate indemnification clause protecting the United States from claims arising out of the lessees/patentee's use, occupancy, or occupations on the leased/patented lands; and

4. Additional terms and conditions that the authorized officer deems appropriate.

Upon publication of this Notice in the **Federal Register**, the land will be segregated from all forms of appropriation under the public land laws, including the United States general mining laws, except for conveyance under the R&PP Act, leasing under the mineral leasing laws and disposals under the mineral material disposal laws.

Interested persons may submit comments involving the suitability of the land for development of a school. Comments on the classification are restricted to whether the land is physically suited for the proposal, whether the use will maximize the future use or uses of the land, whether the use is consistent with local planning and zoning, or whether the use is consistent with state and Federal programs.

Interested persons may submit comments, including notification of any encumbrances or other claims relating to the land, regarding the specific use proposed in the application and plan of development, whether the BLM followed appropriate administrative procedures in reaching a decision to lease/convey under the R&PP Act, or any other factors not directly related to the suitability of the land for the middle school.

Documents related to this action are on file at the BLM Sierra Front Field Office at the address in the **ADDRESSES** section and may be reviewed by the public at their request.
