

After issuing Revision 3, the Nuclear Energy Institute (NEI) submitted a letter to NRC stating that Revision 3 requires licensees to consider exposures received by employees during prior employment at a different facility when determining whether monitoring is required pursuant to section 10 CFR 20.1502, which was a change in agency position from: (1) The staff position that was in both Revisions 1 and 2 of Regulatory Guide 8.7, (2) the staff position that is in Regulatory Guide 8.34, and (3) over two decades of industry practice developed in accordance with these staff positions.

In response, the NRC staff reassessed the requirements in 10 CFR part 20 and concluded that another revision to RG 8.7 was warranted. This revision contains essentially the staff position as set forth in Revisions 1 and 2 of RG 8.7. However, the staff is not rescinding Revision 3 because it allows a more conservative option for those licensees who want to consider prior occupational dose when making 10 CFR 20.1502 determinations. DG-8056 retains clarifying changes made in Revision 3.

III. Use of NRC Forms 4 and 5

DG-8056 references NRC Form 4, "Cumulative Occupational Dose History (04-2015)," or its electronic equivalent, which is available for use by NRC licensees to record an individual's cumulative occupational dose history.

DG-8056 also references NRC Form 5, "Occupational Dose Record for a Monitoring Period (04-2015)," or its electronic equivalent, which is available for use by NRC licensees to record the occupational dose for any monitoring period beginning on or after January 1, 2016. As noted in the December 8, 2016 **Federal Register** notice for Revision 3, all NRC licensees should have begun using the updated NRC Form 5, "Occupational Dose Record for a Monitoring Period (04-2015)," or its equivalent, for any monitoring period beginning on or after January 1, 2017. Both forms are available online through the NRC Library on the NRC's public Web site at <http://www.nrc.gov/reading-rm/doc-collections>.

IV. Backfitting

This DG addresses compliance with the NRC's requirements in 10 CFR part 20 to record and report an individual's cumulative occupational dose history and the occupational dose received by an individual for a specific monitoring period. The NRC regards these requirements as constituting information collection and reporting requirements. The NRC has long taken

the position that information collection and reporting requirements are not subject to the NRC's backfitting and issue finality regulations in 10 CFR 50.109, 10 CFR 70.76, 10 CFR 72.62, 10 CFR 76.76, and 10 CFR part 52 (*e.g.*, "Material Control and Accounting Methods," December 23, 2002 (67 FR 78130); and "Regulatory Improvements to the Nuclear Materials Management and Safeguards System," June 9, 2008 (73 FR 32453)). Therefore, the NRC has determined that its backfitting and issue finality regulations would not apply to this DG, if ultimately issued as a RG, because the DG does not include any provisions within the scope of matters covered by the backfitting provisions in 10 CFR parts 50, 70, 72, or 76, or the issue finality provisions of 10 CFR part 52.

SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-81842; File No. SR-NYSEArca-2017-87

Self-Regulatory Organizations; NYSE Arca, Inc.; Notice of Filing of Proposed Rule Change To List and Trade Shares of the JPMorgan Equity Long/Short ETF Under NYSE Arca Rule 8.600-E

October 10, 2017.

Pursuant to Section 19(b)(1)¹ of the Securities Exchange Act of 1934 (“Act”)² and Rule 19b-4 thereunder,³ notice is hereby given that, on September 26, 2017, NYSE Arca, Inc. (the “Exchange” or “NYSE Arca”) filed with the Securities and Exchange Commission (“Commission”) the proposed rule change as described in Items I and II below, which Items have been prepared by the self-regulatory organization. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization’s Statement of the Terms of Substance of the Proposed Rule Change

The Exchange proposes to list and trade shares of the following under NYSE Arca Equities 8.600-E (“Managed Fund Shares”): JPMorgan Equity Long/Short ETF. The proposed change is available on the Exchange’s Web site at www.nyse.com, at the principal office of

the Exchange, and at the Commission’s Public Reference Room.

II. Self-Regulatory Organization’s Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the self-regulatory organization included statements concerning the purpose of, and basis for, the proposed rule change and discussed any comments it received on the proposed rule change. The text of those statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in sections A, B, and C below, of the most significant parts of such statements.

A. Self-Regulatory Organization’s Statement of the Purpose of, and the Statutory Basis for, the Proposed Rule Change

1. Purpose

The Exchange proposes to list and trade shares (“Shares”) of the following under NYSE Arca Rule 8.600-E, which governs the listing and trading of Managed Fund Shares⁴ on the Exchange:⁵ JPMorgan Equity Long/Short ETF (the “Fund”).⁶

⁴ A Managed Fund Share is a security that represents an interest in an investment company registered under the Investment Company Act of 1940 (15 U.S.C. 80a-1) (“1940 Act”) organized as an open-end investment company or similar entity that invests in a portfolio of securities selected by its investment adviser consistent with its investment objectives and policies. In contrast, an open-end investment company that issues Investment Company Units, listed and traded on the Exchange under NYSE Arca Rule 5.2-E(j)(3), seeks to provide investment results that correspond generally to the price and yield performance of a specific foreign or domestic stock index, fixed income securities index or combination thereof.

⁵ The Commission has previously approved listing and trading on the Exchange of other series of the Trust that are actively managed funds under Rule 8.600-E. See, e.g., Securities Exchange Act Release Nos. 79683 (December 23, 2016) (SR-NYSEArca-2016-82) (order approving a proposed rule change to list and trade shares of the JPMorgan Diversified Event Driven ETF under NYSE Arca Equities Rule 8.600); 77904 (May 25, 2016) (SR-NYSEArca-2016-17) (order approving a proposed rule change to list and trade of shares of the JPMorgan Diversified Alternatives ETF under NYSE Arca Equities Rule 8.600).

⁶ The Trust is registered under the 1940 Act. On July 18, 2017, the Trust filed with the Commission an amendment to its registration statement on Form N-1A under the Securities Act of 1933 (15 U.S.C. 77a) (“Securities Act”) and the 1940 Act relating to the Fund (File Nos. 333-191837 and 811-22903) (the “Registration Statement”). The description of the operation of the Trust and the Fund herein is based, in part, on the Registration Statement. In addition, the Commission has issued an order granting certain exemptive relief to the Trust under the 1940 Act. See Investment Company Act Release No. 31990 (February 9, 2016) (“Exemptive Order”). Investments made by the Fund will comply with the conditions set forth in the Exemptive Order.

The Fund is a series of J.P. Morgan Exchange-Traded Fund Trust (“Trust”), a Delaware statutory trust. J.P. Morgan Investment Management Inc. (“Adviser” or “Administrator”) will be the investment adviser to the Fund and also provide administrative services for and oversee the other service providers for the Fund. The Adviser is a wholly-owned subsidiary of JPMorgan Asset Management Holdings Inc., which is an indirect, wholly-owned subsidiary of JPMorgan Chase & Co. (“JPMorgan Chase”), a bank holding company. JPMorgan Distribution Services, Inc. (“Distributor”) will be the distributor of the Fund’s Shares.

Commentary .06 to Rule 8.600-E provides that, if the investment adviser to the investment company issuing Managed Fund Shares is affiliated with a broker-dealer, such investment adviser shall erect a “fire wall” between the investment adviser and the broker-dealer with respect to access to information concerning the composition and/or changes to such investment company portfolio.⁷ In addition, Commentary .06 further requires that personnel who make decisions on the open-end fund’s portfolio composition must be subject to procedures designed to prevent the use and dissemination of material nonpublic information regarding the open-end fund’s portfolio. The Adviser is not registered as a broker-dealer but is affiliated with a broker-dealer and has implemented and will maintain a fire wall with respect to such broker-dealer affiliate regarding access to information concerning the composition and/or changes to the portfolio. In the event (a) the Adviser becomes registered as a broker-dealer or

⁷ An investment adviser to an open-end fund is required to be registered under the Investment Advisers Act of 1940 (the “Advisers Act”). As a result, the Adviser and its related personnel are subject to the provisions of Rule 204A-1 under the Advisers Act relating to codes of ethics. This Rule requires investment advisers to adopt a code of ethics that reflects the fiduciary nature of the relationship to clients as well as compliance with other applicable securities laws. Accordingly, procedures designed to prevent the communication and misuse of non-public information by an investment adviser must be consistent with Rule 204A-1 under the Advisers Act. In addition, Rule 206(4)-7 under the Advisers Act makes it unlawful for an investment adviser to provide investment advice to clients unless such investment adviser has (i) adopted and implemented written policies and procedures reasonably designed to prevent violation, by the investment adviser and its supervised persons, of the Advisers Act and the Commission rules adopted thereunder; (ii) implemented, at a minimum, an annual review regarding the adequacy of the policies and procedures established pursuant to subparagraph (i) above and the effectiveness of their implementation; and (iii) designated an individual (who is a supervised person) responsible for administering the policies and procedures adopted under subparagraph (i) above.
