file any comments on the proposed transaction, and applicants will be given 7 days to respond. (b) Applicants are not required to file post-consummation notices of pro forma transactions, except that a post transaction notice must be filed with the Commission within 30 days of a pro forma transfer to a bankruptcy trustee or a debtor-in-possession. The notification can be in the form of a letter (in duplicate to the Secretary, Federal Communications Commission). The letter or other form of notification must also contain the information listed in sections (a)(1). A single letter may be filed for more than one such transfer of control. The information will be used by the Commission to ensure that applicants comply with the requirements of 47 U.S.C. 214.

Information Collection Being Reviewed by the Federal Communications Commission Under Delegated Authority

AGENCY: Federal Communications Commission.

ACTION: Notice and request for comments.

SUMMARY: As part of its continuing effort to reduce paperwork burdens, and as required by the Paperwork Reduction Act (PRA) of 1995, the Federal Communications Commission (FCC or Commission) invites the general public and other Federal agencies to take this opportunity to comment on the following information collections. Comments are requested concerning: Whether the proposed collection of information is necessary for the proper performance of the functions of the Commission, including whether the information shall have practical utility; the accuracy of the Commission’s burden estimate; ways to enhance the quality, utility, and clarity of the information collected; ways to minimize the burden of the collection of information on the respondents, including the use of automated collection techniques or other forms of information technology; and ways to further reduce the information collection burden on small business concerns with fewer than 25 employees.

The FCC may not conduct or sponsor a collection of information unless it displays a currently valid OMB control number. No person shall be subject to any penalty for failing to comply with a collection of information subject to the PRA that does not display a valid OMB control number.

DATES: Written PRA comments should be submitted on or before March 20, 2017. If you anticipate that you will be submitting comments, but find it difficult to do so within the period of time allowed by this notice, you should advise the contact listed below as soon as possible.

ADDRESSES: Direct all PRA comments to Cathy Williams, FCC, via email PRA@fcc.gov and to Cathy Williams@fcc.gov. For further information contact: For additional information about the information collection, contact Cathy Williams at (202) 418–2918.

SUPPLEMENTARY INFORMATION: OMB Control No.: 3060–0881. Title: Section 95.861, Interference. Form No.: N/A. Type of Review: Extension of a currently approved collection. Respondents: Business or other for-profit entities. Number of Respondents and Responses: 175 respondents; 175 responses. Estimated Time per Response: 1 hour. Frequency of Response: Recorkeeping requirement, third party disclosure requirement, and on occasion reporting requirement. Obligation to Respond: Required to obtain or retain benefits. The statutory authority for this collection of information is contained in 47 U.S.C. 151, 154(i) and 157, as amended. Total Annual Burden: 175 hours. Annual Cost Burden: $43,700. Privacy Act Impact Assessment: No impact(s).

Nature and Extent of Confidentiality: There is no need for confidentiality with this collection of information.

Needs and Uses: The information collection requirements contained in 47 Section 95.861(c) require that licensees in the 218–219 MHz service must provide a copy of its plan to every TV Channel 13 station whose Grade B predicted contour overlaps the licensed service area as required by § 95.815(a) of the Commission’s rules. This plan must include an analysis of the co- and adjacent channel interference potential of proposed systems in the 218–219 MHz service, identify methods being used to minimize interference, and show how the proposed systems will meet the service requirements set forth in § 95.831 of the Commission’s rules. This plan must be sent to the TV Channel 13 licensee(s) within 10 days from the date the 218–219 MHz service licensee submits the plan to the Commission. Updates to this plan must be sent to the TV Channel 13 licensee(s) within 10 days from the date that such updates are filed with the Commission pursuant to § 95.815.

The information collection requirements contained in 47 Section 95.861(e) require that each 218–219 MHz service licensee investigate and eliminate harmful interference to television broadcasting and reception, from its component cell transmitter stations (CTSs) and response transmitter units (RTUs) within 30 days of the time it is notified in writing, by either an affected television station, an affected viewer, or the Commission, of an interference complaint. This information will be used to monitor the co- and adjacent channel interference potential of proposed systems in the 218–219 MHz service, and to identify methods being used to minimize interference, as well as to show how the proposed systems will meet the service requirements set forth in § 95.831 of the Commission’s rules.
