production and utilization. Livestock, Poultry, and Grain market news provides a timely exchange of accurate and unbiased information on current marketing conditions (supply, demand, prices, trends, movement, and other information) affecting trade in livestock, poultry, meats, eggs, grain, hay and wool. Administered by the U.S. Department of Agriculture’s Agricultural Marketing Service (AMS), this nationwide market news program is conducted in cooperation with approximately 28 State departments of agriculture.

Need and Use of the Information:

AMS will collect information on the quality, utility and clarity of the information to be collected; and (4) ways to minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology that such persons are not required to respond to the collection of information unless it displays a currently valid OMB control number.

National Agricultural Statistics Service

Title: Honey and Honey Bee Surveys

OMB Control Number: 0535–0153

Summary of Collection: The National Agricultural Statistics Service (NASS) primary function is to provide data needed by the Department of Agriculture (USDA), the Federal Reserve System, the Federal Reserve Bank of New York, the Federal Reserve Bank of Kansas City, the Federal Reserve Bank of San Francisco, the Government Accountability Office, and other governmental agencies to monitor and analyze the economic condition of agriculture, and to provide timely and accurate information to the public. The purpose of the survey is to provide data on the number of colonies, honey production, and other information needed by the Department of Agriculture and other governmental agencies to monitor and analyze the economic condition of agriculture, and to provide timely and accurate information to the public. The survey is conducted under U.S. Code Title 7, Section 2204, and is authorized by the Paperwork Reduction Act of 1995, Public Law 104–13 on or after the date of publication of this notice. Comments are requested regarding: (1) Whether the collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility; (2) the accuracy of the agency’s estimate of burden including
