SUPPLEMENTARY INFORMATION:
Authorized by Public Law 109–58, Sec.
348 (42 U.S.C. 15906) of the Energy
Policy Act of 2005, the Science
Technical Advisory Panel provides
advice and recommendations to the
North Slope Science Initiative Oversight
Group about priority information
requirements for management decisions
across the North Slope of Alaska. These
priority information requirements and
recommendations may include
inventory, monitoring, and research
activities that contribute to informed
resource management decisions. The
Secretary of the Interior appoints panel
members who represent various
scientific and technical disciplines.

This meeting will include continued
consideration of recommendations from
the recent North Slope Development
Scenarios Project; development of a
communications plan to facilitate North
Slope Science Initiative actions for
ensuring effective coordination of
monitoring and research activities; and
evaluation and development of
strategies for minimizing effects of
monitoring and research activities on
North Slope residents and subsistence
resources.

There will be a public comment
period from 3:30 p.m. until 4:00 p.m. on
Tuesday, November 7. Depending on
the number of people wishing to
comment within the scheduled time
available, there may be limited time for
individuals to speak. Individuals who
plan to attend and need special
assistance, such as sign language
interpretation, transportation, or other
reasonable accommodations, should

Initiative Deputy Director. The public
may present written comments to the
Science Technical Advisory Panel
through the North Slope Science
Initiative Deputy Director. Before
including your address, phone number,
email address, or other personal
identifying information in your
comment, you should be aware that
your entire comment—including your
personal identifying information—may
be made publicly available. While you
may ask us in your comment to withhold
your personal identifying information
from public review, we cannot
guarantee that we will be able to do so.
