Description of Project Facilities:

The project consists of: (a) A 6-foot-high diversion dam; (b) an intake structure; (c) a 150-foot-long, 49-foot-square flume; (d) a 36-inch-diameter, 28-foot-long penstock; (e) a powerhouse containing two generating units, each with an installed capacity of 200 kilowatts; (f) 0.48-kilovolt (kV) generator leads with a 12.7-kV step-up transformer; (g) 60-foot-long, 12.7-kV transmission line connecting to an existing PG&E transmission line; and (h) appurtenant facilities.

Description of Request: The licensee proposes to surrender the project as it no longer intends to operate the project. The existing water right for the project has been surrendered and the power sales agreement has been terminated. No ground disturbance is associated with the proposed surrender and project features will remain in place.

Estimated Time per Response: 0.166–26 hours.
Frequency of Response: Recordkeeping requirement; Third party disclosure requirement.
Total Annual Burden: 484,019 hours.
Total Annual Cost: None.
Obligation to Respond: Required to obtain or retain benefits. The statutory authority for this collection of information is contained in Sections 154(i) of the Communications Act of 1934, as amended.
Nature and Extent of Confidentiality: There is no need for confidentiality with this collection of information.
Privacy Impact Assessment(s): No impact(s).
Needs and Uses: The information collection requirements contained in 47 CFR 73.1870 require that the licensee of an AM, FM, or TV broadcast station designate a chief operator of the station. Section 73.1870(b)(3) requires that this designation must be in writing and posted with the station license. Section 73.1870(c)(3) requires that the chief operator, or personnel delegated and supervised by the chief operator, review the station records at least once each week to determine if required entries are being made correctly, and verify that the station has been operated in accordance with FCC rules and the station authorization. Upon completion of the review, the chief operator must date and sign the log, initiate corrective action which may be necessary and advise the station licensee of any condition which is repetitive. The posting of the designation of the chief operator is used by interested parties to readily identify the chief operator. The review of the station records is used by the chief operator, and FCC staff in investigations, to ensure that the station is operating in accordance with its station authorization and the FCC rules and regulations.

FEDERAL COMMUNICATIONS COMMISSION
[OMB 3060–XXXX]
Information Collection Being Submitted for Review and Approval to the Office of Management and Budget
AGENCY: Federal Communications Commission.
ACTION: Notice and request for comments.
SUMMARY: As part of its continuing effort to reduce paperwork burdens, and as required by the Paperwork Reduction Act (PRA) of 1995, the Federal Communications Commission (FCC or the Commission) invites the general public and other Federal agencies to take this opportunity to comment on the following information collection.
Comments are requested concerning: Whether the proposed collection of information is necessary for the proper performance of the functions of the Commission, including whether the information shall have practical utility; the accuracy of the Commission’s burden estimate; ways to enhance the quality, utility, and clarity of the information collected; ways to minimize the burden of the collection of information on the respondents, including the use of automated collection techniques or other forms of information technology; and ways to further reduce the information collection burden on small business concerns with fewer than 25 employees.
The Commission may not conduct or sponsor a collection of information unless it displays a currently valid Office of Management and Budget (OMB) control number. No person shall be subject to any penalty for failing to comply with a collection of information subject to the PRA that does not display a valid OMB control number.
DATES: Written comments should be submitted on or before November 24, 2017. If you anticipate that you will be submitting comments, but find it difficult to do so within the period of time allowed by this notice, you should advise the contacts listed below as soon as possible.
ADDRESSES: Direct all PRA comments to Nicholas A. Fraser, OMB, via email Nicholas.A.Fraser@omb.eop.gov; and to Nicole Ongele, FCC, via email PRA@fcc.gov and to Nicole.Ongele@fcc.gov. Include in the comments the OMB control number as shown in the SUPPLEMENTARY INFORMATION below.
FOR FURTHER INFORMATION CONTACT: For additional information or copies of the information collection, contact Cathy Williams, FCC, via email PRA@fcc.gov and to Cathy.Williams@fcc.gov. Include in the comments the OMB control number as shown in the SUPPLEMENTARY INFORMATION below.
