DEPARTMENT OF HEALTH AND HUMAN SERVICES**National Institutes of Health****Office of the Director, National Institutes of Health; Notice of Meeting**

Pursuant to section 10(d) of the Federal Advisory Committee Act, as amended, notice is hereby given of a meeting of the Office of AIDS Research Advisory Council.

The meeting will be open to the public as indicated below, with attendance limited to space available. Individuals who plan to attend and need special assistance, such as sign language interpretation or other reasonable accommodations, should notify the Contact Person listed below in advance of the meeting.

The meeting will be closed to the public in accordance with the provisions set forth in section 552b(c)(9)(B), Title 5 U.S.C., as amended, for the review of recommendations for the HHS Treatment and Prevention Guidelines for medical care of people living with HIV in the United States. Recommendations made from the working group to the OARAC will include drug names, treatment regimens, and prevention modalities to be used for the clinical care of PLWHA. The Council may revise the draft guidelines and change the content or scope of treatment and prevention for HIV/AIDS as recommended in the final guidelines. Premature disclosure of draft guidelines in an open meeting could negatively impact health and safety due to the premature disclosure of information to medical providers and the public. Draft guidelines could be misunderstood and confuse medical providers and the public as to what is the current HHS guidelines for the treatment and prevention of HIV/AIDS, could lead to premature changes in treatment regimens and prevention modalities that affect the health and safety of PLWHA and the public.
