

ACCESS, by 5:00 p.m. Eastern Time on the date that the document is due.

Interested parties who wish to request a hearing must submit a written request to the Assistant Secretary for Enforcement and Compliance, U.S. Department of Commerce, using Enforcement and Compliance's ACCESS system within 30 days of publication of this notice.¹¹ Requests should contain (1) the party's name, address, and telephone number; (2) the number of participants; and (3) a list of the issues to be discussed. Issues raised in the hearing will be limited to those raised in the respective case briefs.

Unless the deadline is extended pursuant to section 751(a)(2)(B)(iv) of the Tariff Act of 1930 (the Act) and 19 CFR 351.213(h)(2), the Department intends to issue the final results of this administrative review, including the results of our analysis of the issues raised by the parties in their case and rebuttal briefs, within 120 days after the publication of these preliminary results, pursuant to section 751(a)(3)(A) of the Act and 19 CFR 351.213(h)(1).

Assessment of Antidumping Duties

We are rescinding this review for ASSL; in accordance with Department practice, we will instruct CBP to assess antidumping duties at the rates equal to the cash deposit of estimated antidumping duties required at the time of entry, or withdrawal from warehouse for consumption, in accordance with 19 CFR 351.212(c)(1)(i).

Upon issuance of the final results of this review, in accordance with the Department's practice, for entries of subject merchandise during the POR for which Ambica or Bhansali did not know that the merchandise was destined for the United States, we will instruct CBP to liquidate such entries at the all-others rate if there is no rate for the intermediate company(ies) involved in the transaction. We intend to issue instructions to CBP 15 days after the publication date of the final results of this review.

Cash Deposit Requirements

The following cash deposit requirements will be effective for all shipments of the subject merchandise entered, or withdrawn from warehouse, for consumption on or after the publication date of the final results of this administrative review, as provided by section 751(a)(2)(C) of the Act: (1) The cash deposit rate for Ambica and Bhansali will remain unchanged from the rate assigned to each company in the completed segment for the most recent

period for each company; (2) for other producers and exporters covered in a prior segment of the proceeding, the cash deposit rate will continue to be the company-specific rate published for the completed segment for the most recent period of this proceeding in which that producer or exporter participated; (3) if the exporter is not a firm covered in this review, a prior review, or the original investigation, but the producer is, then the cash deposit rate will be the rate established for the completed segment for the most recent period of this proceeding for the producer of subject merchandise; and (4) the cash deposit rate for all other producers or exporters will continue to be 12.45 percent, the all-others rate established in the investigation.¹² These cash deposit requirements, when imposed, shall remain in effect until further notice.

Notification to Importers

This notice serves as a preliminary reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in the Secretary's presumption that reimbursement of antidumping duties occurred and the subsequent assessment of double antidumping duties.

Notification to Interested Parties

We are issuing and publishing these preliminary results of administrative review in accordance with sections 751(a)(1) and 777(i)(1) of the Act.

Dated: October 31, 2017.

Gary Taverman,

Deputy Assistant Secretary for Antidumping and Countervailing Duty Operations, performing the non-exclusive functions and duties of the Assistant Secretary for Enforcement and Compliance.

AGENCY: Enforcement and Compliance, International Trade Administration, Department of Commerce.

SUMMARY: The Department of Commerce (the Department) is conducting an administrative review of the antidumping duty order on uncovered innerspring units (innerspring units) from the People's Republic of China (PRC). The period of review (POR) is February 1, 2016, through January 31, 2017. The Department preliminarily determines that PT Sunhere Buana International (PT Sunhere) failed to cooperate to the best of its ability and is, therefore, basing its margin on facts otherwise available with an adverse inference (AFA). The Department is also rescinding the administrative review with respect to Jietai Machinery Ltd. (HK) (Jietai Machinery). Interested parties are invited to comment on these preliminary results.

FOR FURTHER INFORMATION CONTACT: Kenneth Hawkins, AD/CVD Operations, Office V, Enforcement and Compliance, International Trade Administration, Department of Commerce, 1401 Constitution Avenue NW., Washington, DC 20230; telephone: (202) 482-6491.

Methodology

The Department is conducting this review in accordance with section 751(a)(1)(A) of the Tariff Act of 1930, as amended (the Act). With respect to PT Sunhere, we relied on facts available and, because PT Sunhere did not act to the best of its ability to respond to the Department's requests for information, we drew an adverse inference in selecting from among the facts otherwise available.¹¹

For a full description of the methodology underlying our conclusions, please see the Preliminary Decision Memorandum. Partial Rescission of Administrative Review

The Department issued its questionnaire to Jietai Machinery but the questionnaire was returned as undeliverable. Despite our request to the petitioner, we received no alternative addresses for Jietai Machinery. Accordingly, consistent with the Department's practice in similar circumstances,¹² the Department is rescinding the administrative review with respect to Jietai Machinery.

Preliminary Results of Review

The Department preliminarily determines that a dumping margin of 234.51 percent exists for PT Sunhere for the period February 1, 2016, through January 31, 2017.

Machinery. Antidumping duties shall be assessed at rates equal to the cash deposit of estimated antidumping duties required at the time of entry, or withdrawal from warehouse, for consumption in accordance with 19 CFR 351.212(c)(1)(i).

Upon issuance of the final results, the Department will determine, and CBP shall assess, antidumping duties on all appropriate entries covered by this review.¹⁸ The Department intends to issue assessment instructions to CBP 15 days after the publication date of the final results of this review. We will instruct CBP to assess antidumping duties on all appropriate entries covered by this review if any assessment rate calculated in the final results of this review is above *de minimis*. The final results of this review shall be the basis for the assessment of antidumping duties on entries of merchandise covered by the final results of this review and for future deposits of estimated duties, where applicable. These deposit requirements, when imposed,

shall remain in effect until further notice.

Notification to Importers

This notice also serves as a preliminary reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Large Power Transformers From the Republic of Korea: Final Results of the Expedited First Sunset Review of the Antidumping Duty Order

AGENCY: Enforcement and Compliance, International Trade Administration, Department of Commerce.

SUMMARY: As a result of this sunset review, the Department of Commerce (the Department) finds that revocation of the antidumping duty order on large power transformers (LPTs) from the Republic of Korea (Korea) would be likely to lead to continuation or recurrence of dumping at the levels

indicated in the "Final Results of Sunset Review" section of this notice.

DATES: Applicable November 7, 2017.

FOR FURTHER INFORMATION CONTACT: Moses Song, AD/CVD Operations, Office VI, Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce, 1401 Constitution Avenue NW., Washington, DC 20230; telephone: (202) 482-5041.

SUPPLEMENTARY INFORMATION:

Background

On July 3, 2017, the Department published the notice of initiation of the first sunset review of the antidumping duty order on LPTs from Korea, pursuant to section 751(c) of the Tariff Act of 1930, as amended (the Act).¹ On July 18, 2017, the Department received a notice of intent to participate in this review from ABB Inc., (ABB) within the deadline specified in 19 CFR 351.218(d)(1)(i). ABB claimed interested party status under section 771(9)(C) of the Act, as a manufacturer of a domestic like product in the United States.

On August 2, 2017, we received a complete substantive response for this review from ABB within the 30-day deadline specified in 19 CFR 351.218(d)(3)(i). We received no substantive responses from any other interested parties, nor was a hearing requested. As a result, pursuant to section 751(c)(3)(B) of the Act and 19 CFR 351.218(e)(1)(ii)(C)(2), the Department conducted an expedited (120-day) sunset review of the order.

Scope of the Order

The scope of this order covers large liquid dielectric power transformers (LPTs) having a top power handling capacity greater than or equal to 60,000 kilovolt amperes (60 megavolt amperes), whether assembled or unassembled, complete or incomplete.

Incomplete LPTs are subassemblies consisting of the active part and any other parts attached to, imported with or invoiced with the active parts of LPTs. The "active part" of the transformer consists of one or more of the following when attached to or otherwise assembled with one another: The steel core or shell, the windings, electrical insulation between the windings, the mechanical frame for an LPT.

The product definition encompasses all such LPTs regardless of name designation, including but not limited to step-up transformers, step-down transformers, autotransformers, interconnection transformers, voltage regulator transformers, rectifier
