ENVIRO NMTAL PROTECTION
AGENCY
[FR–9970–30–Region 3]
Clean Air Act Operating Permit
Program; Petition To object to Title V
Permit for Wheelabrator Frackville
Energy; Pennsylvania
AGENCY: Environmental Protection
Agency (EPA).
ACTION: Notice of final action.
SUMMARY: Pursuant to the Clean Air Act
(CAA), the Environmental Protection
Agency (EPA) Administrator signed an
Order, dated October 6, 2017, denying a
petition to object to a title V operating
permit, issued by the Pennsylvania
Department of Environmental Protection
(PADEP) to the Wheelabrator Frackville
Energy facility in Schuylkill County,
Pennsylvania. The Order responds to an
October 15, 2016 petition. The petition
was submitted by the Environmental
Integrity Project (EIP) and the Sierra
Club (Petitioners). This Order
constitutes final action on that petition
requesting that the Administrator object
to the issuance of the proposed CAA
title V permit.
ADDRESSES: Copies of the final Order,
the petition, and all pertinent
information relating thereto are on file
at the following location: EPA, Region
III, Air Protection Division (APD), 1650
Arch St., Philadelphia, Pennsylvania
19103. EPA requests that if at all possible,
you contact the individual listed in the FOR FURTHER INFORMATION
CONTACT section to view copies of the
final Order, petition, and other
supporting information. You may view
the hard copies Monday through Friday,
from 9 a.m. to 3 p.m., excluding Federal
holidays. If you wish to examine these
documents, you should make an
appointment at least 24 hours before the
visiting day. The final Order is also
available electronically at the following
Web site: https://www.epa.gov/title-v-
operating-permits/title-v-petition-
database.

FOR FURTHER INFORMATION CONTACT:
David Talley, Air Protection Division,
EPA Region III, telephone (215) 814–
2117, or by email at talley.david@epa.gov.

SUPPLEMENTARY INFORMATION: The CAA
affords EPA a 45-day period to review
and object to, as appropriate, operating
permits proposed by state permitting
authorities. Section 505(b)(2) of the
CAA authorizes any person to petition
the EPA Administrator within 60 days
after the expiration of this review period
to object to a state operating permit if
EPA has not done so. Petitions must be
based only on objections raised with
reasonable specificity during the public
comment period, unless the petitioner
demonstrates that it was impracticable
to raise these issues during the public
comment period or that the grounds for
objection or other issue arose after the
public comment period.
The October 15, 2016 petition
requested that the Administrator object
to the proposed title V operating permit
issued by PADEP (Permit No. 54–
00005), on the grounds that the
proposed permit did not contain
adequate monitoring and testing
requirements to demonstrate
compliance with the particulate matter
emission limits contained in the permit.
The Order denying the petition to
object to the state operating permit to
the Wheelabrator Frackville Energy
facility explains the reasons behind
EPA’s decision to deny the petition for
objection.
Dated: October 18, 2017.
Cosmo Servidio,
Regional Administrator, Region III.
