

assume that the independent directors of approximately one-third (1,036) of those funds would need to make the required determination in order for their counsel to meet the definition of independent legal counsel.⁸ We estimate that each of these 1,036 funds would be required to spend, on average, 0.75 hours annually to comply with the recordkeeping requirement associated with this determination, for a total annual burden of approximately 777 hours. Based on this estimate, the total annual cost for all funds' compliance with this rule is approximately \$168,350. To calculate this total annual cost, the Commission staff assumed that approximately two-thirds of the total annual hour burden (518 hours) would be incurred by a compliance manager with an average hourly wage rate of \$292 per hour,⁹ and one-third of the annual hour burden (259 hours) would be incurred by compliance clerk with an average hourly wage rate of \$66 per hour.¹⁰

These burden hour estimates are based upon the Commission staff's experience and discussions with the fund industry. The estimates of average burden hours are made solely for the purposes of the Paperwork Reduction Act. These estimates are not derived from a comprehensive or even a representative survey or study of the costs of Commission rules.

Compliance with the collection of information requirements of the rule is mandatory and is necessary to comply with the requirements of the rule in general. An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid control number.

percent (3,108) actually rely on at least one exemptive rules annually.

⁸ We assume that the independent directors of the remaining two-thirds of those funds will choose not to have counsel, or will rely on counsel who has not recently represented the fund's management organizations or control persons. In both circumstances, it would not be necessary for the fund's independent directors to make a determination about their counsel's independence.

⁹ The estimated hourly wages used in this PRA analysis were derived from the Securities Industry and Financial Markets Association Reports on Management and Professional Earnings in the Securities Industry (2013) (modified to account for an 1800-hour work year and multiplied by 5.35 to account for bonuses, firm size, employee benefits and overhead) (adjusted for inflation), and Office Salaries in the Securities Industry (2013) (modified to account for an 1800-hour work year and multiplied by 2.93 to account for bonuses, firm size, employee benefits and overhead) (adjusted for inflation).

Form N-6F; SEC File No. 270-185, OMB Control No. 3235-0238

Notice is hereby given that, pursuant to the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 *et seq.*), the Securities and Exchange Commission ("Commission") has submitted to the Office of Management and Budget a request for extension of the previously approved collection of information discussed below.

The title for the collection of information is "Form N-6F (17 CFR 274.15), Notice of Intent to Elect to be Subject to Sections 55 through 65 of the Investment Company Act of 1940." The purpose of Form N-6F is to notify the Commission of a company's intent to file a notification of election to become subject to Sections 55 through 65 of the Investment Company Act of 1940 (15 U.S.C. 80a-1 *et seq.*) ("1940 Act"). Certain companies may have to make a filing with the Commission before they are ready to elect to be regulated as a business development company.¹ A company that is excluded from the

definition of "investment company" by Section 3(c)(1) because it has fewer than one hundred shareholders and is not making a public offering of its securities may lose such an exclusion solely because it proposes to make a public offering of securities as a business development company. Such company, under certain conditions, would not lose its exclusion if it notifies the Commission on Form N-6F of its intent to make an election to be regulated as a business development company. The company only has to file a Form N-6F once.

The Commission estimates that on average approximately 12 companies file these notifications each year. Each of those companies need only make a single filing of Form N-6F. The Commission further estimates that this information collection imposes burden of 0.5 hours, resulting in a total annual PRA burden of 6 hours. Based on the estimated wage rate, the total cost to the industry of the hour burden for complying with Form N-6F would be approximately \$2,070.

The collection of information under Form N-6F is mandatory. The information provided under the form is not kept confidential. An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number.

The public may view the background documentation for this information collection at the following Web site, www.reginfo.gov. Comments should be directed to: (i) Desk Officer for the Securities and Exchange Commission, Office of Information and Regulatory Affairs, Office of Management and Budget, Room 10102, New Executive Office Building, Washington, DC 20503, or by sending an email to: Shagufta_Ahmed@omb.eop.gov; and (ii) Pamela Dyson, Director/Chief Information Officer, Securities and Exchange Commission, c/o Remi Pavlik-Simon, 100 F Street NE., Washington, DC 20549 or send an email to: PRA_Mailbox@sec.gov. Comments must be submitted to OMB within 30 days of this notice.
