

C. Collection of Information

This rule would call for no new collection of information under the Paperwork Reduction Act of 1995 (44 U.S.C. 3501–3520.).

D. Federalism and Indian Tribal Government

A rule has implications for federalism under Executive Order 13132, Federalism, if it has a substantial direct effect on the States, on the relationship between the national government and the States, or on the distribution of power and responsibilities among the various levels of government. We have analyzed this rule under that Order and have determined that it is consistent with the fundamental federalism principles and preemption requirements described in Executive Order 13132.

Also, this rule does not have tribal implications under Executive Order 13175, Consultation and Coordination with Indian Tribal Governments, because it would not have a substantial direct effect on one or more Indian tribes, on the relationship between the Federal Government and Indian tribes, or on the distribution of power and responsibilities between the Federal Government and Indian tribes.

E. Unfunded Mandates Reform Act

The Unfunded Mandates Reform Act of 1995 (2 U.S.C. 1531–1538) requires Federal agencies to assess the effects of their discretionary regulatory actions. In particular, the Act addresses actions that may result in the expenditure by a State, local, or tribal government, in the aggregate, or by the private sector of \$100,000,000 (adjusted for inflation) or more in any one year. Though this rule will not result in such an expenditure, we do discuss the effects of this rule elsewhere in this preamble.

F. Environment

We have analyzed this rule under Department of Homeland Security Management Directive 023–01 and Commandant Instruction M16475.ID, which guides the Coast Guard in complying with the National Environmental Policy Act of 1969 (NEPA) (42 U.S.C. 4321–4370f), and have made a preliminary determination that this action is one of a category of actions which do not individually or cumulatively have a significant effect on the human environment. This rule simply promulgates the operating regulations or procedures for drawbridges. This action is categorically excluded from further review, under figure 2–1, paragraph (32)(e), of the Instruction. A Memorandum for the Record (MWR) supporting this

determination is available in the docket where indicated in the **ADDRESSES** section of this preamble.

G. Protest Activities

The Coast Guard respects the First Amendment rights of protesters. Protesters are asked to contact the person listed in the **FOR FURTHER INFORMATION CONTACT** section to coordinate protest activities so that your message can be received without jeopardizing the safety or security of people, places or vessels.

33 CFR Part 117

[Docket No. USCG–2017–1031]

Drawbridge Operation Regulation; Passaic River, Newark, NJ

AGENCY: Coast Guard, DHS.

ACTION: Notice of deviation from drawbridge regulation.

SUMMARY: The Coast Guard has issued a temporary deviation from the operating schedule that governs the Routes 1 & 9 (Lincoln Highway) Bridge across the Passaic River, mile 1.8 at Newark, New Jersey. This deviation is necessary to facilitate structural steel repairs at the lift span and allowing the bridge owner to temporarily close the draw for forty-seven days.

DATES: This deviation is effective without actual notice from November 21, 2017 until 11:59 p.m. on January 5, 2018. For the purposes of enforcement, actual notice will be used from 12:01 a.m. on November 20, 2017 until November 21, 2017.

ADDRESSES: The docket for this deviation, USCG–2017–1031, is available at <http://www.regulations.gov>. Type the docket number in the “SEARCH” box and click “SEARCH”. Click on Open Docket Folder on the line associated with this deviation.

FOR FURTHER INFORMATION CONTACT: If you have questions on this temporary deviation, call or email Judy K. Leung-Yee, Bridge Management Specialist, First District Bridge Branch, U.S. Coast Guard; telephone 212–514–4336, email Judy.K.Leung-Yee@uscg.mil.

SUPPLEMENTARY INFORMATION: The owner of the bridge, the New Jersey Department of Transportation, requested a temporary deviation in order to facilitate structural steel repairs at the lift span.

The Routes 1 & 9 Bridge across the Passaic River, mile 1.8, at Newark, New Jersey is a vertical lift bridge with a vertical clearance of 40 feet at mean high water and 45 feet at mean low water in the closed position. The existing drawbridge operating regulations are listed at 33 CFR 117.739(b).

This temporary deviation will allow the Routes 1 & 9 Bridge to remain in the closed position from 12:01 a.m. on November 20, 2017 to 11:59 p.m. on January 5, 2018. The waterway users are seasonal recreational vessels and commercial vessels of various sizes. Coordination with waterway users indicated no objection to the proposed closure of the draw. Vessels that can pass under the bridge without an opening may do so at all times. The bridge will not be able to open for emergencies. There is no alternate route for vessels to pass.

The Coast Guard will also inform the users of the waterways through our Local and Broadcast Notices to Mariners of the change in operating schedule for the bridge so vessel operators may arrange their transits to minimize any

impact caused by the temporary deviation.

In accordance with 33 CFR 117.35(e), the drawbridge must return to its regular operating schedule immediately at the end of the effective period of this temporary deviation. This deviation from the operating regulations is authorized under 33 CFR 117.35.

Dated: November 16, 2017.

LIBRARY OF CONGRESS

Copyright Royalty Board

37 CFR Part 360

[Docket No. 17-CRB-0012-RM]

Procedural Regulations for the Copyright Royalty Board Regarding Electronic Filing of Claims; Corrections

AGENCY: Copyright Royalty Board (CRB), Library of Congress.

ACTION: Correcting amendment.

SUMMARY: On June 13, 2017, the Copyright Royalty Judges revised their rules regarding filing of claims. That document inadvertently added a requirement that filers of joint DART claims include addresses and email addresses for all claimants. Interested parties filed a petition to amend asking the Judges to remove the requirement because the proposed rule did not include it. This document corrects the final regulations to remove the requirement.

DATES: Effective November 21, 2017.

FOR FURTHER INFORMATION CONTACT: Anita Blaine, CRB Program Specialist, by telephone at (202) 707-7658 or email at crb@loc.gov. *Docket:* For access to the docket to read background documents, go to eCRB, the Copyright Royalty Board's electronic filing and case management system, at <https://app.crb.gov/> and search for docket number 17-CRB-0012-RM.

SUPPLEMENTARY INFORMATION: On August 22, 2017, ASCAP, BMI, SESAC, AARC, and HFA petitioned the Copyright Royalty Judges to amend the rule regarding filing of DART joint claims, 82 FR 27016, because the proposed rule did not discuss a change requiring addresses and email addresses of all claimants listed in joint claims, and the new requirement places a burden upon

the petitioning parties that was likely unintended.

The preamble to the proposed rule, 82 FR 14167, addressed the purpose of the revisions to the rules: (1) Changes were necessary due to implementation of an electronic filing system, and (2) consolidation of rules was necessary to streamline the regulations regarding cable and satellite claims. The preamble also stated that the rules regarding DART claims would be relocated, but it did not mention any other changes to the DART rules. In the final rule, the Judges mistakenly added a requirement that filers include in the content of joint DART claims the addresses and email addresses of all listed claimants.

The petitioners argue that if the rule stands they will not be able to file joint claims for their clients because of confidentiality restrictions regarding release of address information. Had the Judges proposed a change in the rule to require addresses and email addresses, the petitioners would have submitted a comment objecting to that requirement.

In light of the fact that the claims filing period for DART starts in less than two months, the Judges do not intend to impose a greater burden on the petitioners than in past filing periods. They remove the requirement for claimant addresses and email addresses from the regulations governing the content of joint DART claims.

Accordingly, 37 CFR part 360 is corrected by making the following correcting amendments:

Subpart A also issued under 17 U.S.C. 111(d)(4) and 119(b)(4).

Subpart C also issued under 17 U.S.C. 111(d)(4), 119(b)(4) and 1007(a)(1).

■ 2. In § 360.22, revise paragraph (e) to read as follows:

§ 360.22 Form and content of claims.

* * * * *

(e) *List of claimants.* If the claim is a joint claim, it must include the name of each claimant participating in the joint claim. Filers submitting joint claims online through eCRB on behalf of ten or

fewer claimants, must list the name of each claimant included in the joint claim directly on the filed joint claim. Filers submitting joint claims on behalf of more than ten claimants must include an Excel spreadsheet listing the name of each claimant included in the joint claim. For joint claims filed by mail or hand delivery, the filer may submit the list containing the name of each claimant included in the joint claim in a single Excel spreadsheet on CD, DVD, or other electronic storage medium.

Reporting Requirements for U.S. Providers of International Services; 2016 Biennial Review of Telecommunications Regulations

AGENCY: Federal Communications Commission.

ACTION: Final rule.

SUMMARY: In this document, the Federal Communications Commission (Commission) eliminates the annual international Traffic and Revenue Reports. The submission of the Traffic and Revenue Reports is no longer necessary as the costs of the data collection now exceed its benefits. Instead, the Commission will rely on commercially available data, along with targeted data collections when necessary, to meet its statutory objectives. The Report and Order also reduces the burdens of the Circuit Capacity Reports, for instance by eliminating reporting of terrestrial and satellite circuits.

The amendments to 47 CFR 43.62, 43.82, and 63.22(h) require approval of information collection requirements by the Office of Management and Budget (OMB) prior to becoming effective; and the effective date for amendments to 47 CFR 0.457(d)(1)(xi), 1.767(g)(13) through (16), 63.10(c)(2), 63.21(d), 63.22(e) and (i) will be the same as those for 47 CFR 43.62, 43.82, and 63.22(h) because those amendments are directly related to each
