Any person desiring to submit a document to the Commission in confidence must request confidential treatment unless the information has already been granted such treatment during the proceedings. All such requests should be directed to the Secretary of the Commission and must include a full statement of the reasons why the Commission should grant such treatment. See 19 CFR part 210.6. Documents for which confidential treatment by the Commission is sought will be treated accordingly. A redacted non-confidential version of the document must also be filed simultaneously with any confidential filing. All information, including confidential business information and documents for which confidential treatment is properly sought, submitted to the Commission for purposes of this investigation may be disclosed to and used: (i) By the Commission, its employees and Offices, and contract personnel (a) for developing or maintaining the records of this or a related proceeding, or (b) in internal investigations, audits, reviews, and evaluations relating to the programs, personnel, and operations of the Commission including under 5 U.S.C. Appendix 3; or (ii) by U.S. government employees and contract personnel,¹ solely for cybersecurity purposes. All non-confidential written submissions will be available for public inspection at the Office of the Secretary and on EDIS.

This action is taken under authority of section 337 of the Tariff Act of 1930, as amended, 19 U.S.C. 1337, and part 210 of the Commission’s Rules of Practice and Procedure (19 CFR part 210).

By order of the Commission.

Issued: November 16, 2017.

Lisa R. Barton,

Secretary to the Commission.

DEPARTMENT OF JUSTICE

Notice of Lodging of Proposed Consent Decree Under the Comprehensive Environmental Response, Compensation, and Liability Act

On November 14, 2017, the Department of Justice lodged a proposed Consent Decree with the United States District Court for the Western District of New York in the lawsuit entitled *United States v. Beazer East, Inc. et al.*, Civil Action No. 17-1165.

The United States filed this lawsuit under the Comprehensive Environmental Response, Compensation and Liability Act (CERCLA). The United States’ complaint names Beazer East, Inc., CBS Corporation, Chemung County, the City of Elmira, the Elmira Water Board, Hardinge Inc., Toshiba America Inc., the Town of Horseheads, and the Village of Horseheads, as defendants. The complaint requests recovery of costs and injunctive relief related to responding to releases of hazardous substances at or from the Fourth Operable Unit (“OU4”) of the Kentucky Avenue Wellfield Superfund Site located in the Village of Elmira Heights, the Town of Horseheads, and the Village of Horseheads, New York. Under the proposed Consent Decree, the nine Settling Defendants agree to perform the remedy selected by the Environmental Protection Agency (“EPA”) for OU4 and pay the United States’ future response costs related to OU4. The Statement of Work, included as Appendix B to the Decree, provides the framework for implementation of the cleanup plan as set forth in the Record of Decision (“ROD”) signed by the Regional Administrator for Region 2 of EPA in September 2016. The State of New York concurred with respect to the selected remedy. The selected remedy calls for the construction of a nine-acre cap over the footprint of Koppers Pond, with the cap comprised of a geotextile membrane covered by a six-inch layer of soil and sand. Institutional controls will also be imposed to control activities and use at OU4 to preserve the integrity of the cap. The Remedial Design, Remedial Action, and Operations and Maintenance at OU4 are estimated to cost approximately \$1.9 million and the Settling Defendants will pay any United States Future Response Costs related to OU4. The United States has provided all of the Settling Defendants with a covenant not to sue under Sections 106 and 107(a) of CERCLA, relating to OU4, subject to certain reservations.
