25. Section 553 of the Administrative Procedures Act permits an agency to implement rules without public notice and opportunity for comment “when the agency for good cause finds . . . that notice and public procedure thereon are impracticable, unnecessary, or contrary to the public interest.” The Commission’s rules additionally permit us to render an order effective upon release where good cause warrants. The Hurricanes have caused extensive damage in areas of Texas, Florida, and Georgia, and throughout Puerto Rico and the USVI, creating an urgent and immediate need for the relief provided by this Order. While we believe that public notice requirements are an essential part of our rulemaking process, the need for prompt attention to the victims and quick restoration of services presents good cause to forgo notice and comment on these limited, temporary rules and to make this Order effective immediately upon release. The temporary rules that we adopt herein constitute an important step in the Nation’s response to these natural disasters, as well as the ability of the E-rate program to fulfill its purpose of ensuring that schools and libraries have affordable access to the high-speed broadband necessary for students to succeed in their educational pursuits and beyond. Further, this Order does not mandate new burdens or obligations. Accordingly, no entity will be adversely affected by making the Order effective upon its release. We find, therefore, that good cause exists to forgo notice and comment on these rules and make the temporary rules adopted by this Order effective immediately upon the release date of this Order. We delegate authority to the Bureau to work with USAC to make the necessary programmatic changes to implement this Order.

26. This document does not contain new or modified information collection requirements subject to the Paperwork Reduction Act of 1995 (PRA), Public Law 104–13. In addition, therefore, it does not contain any new or modified information collection burden for small business concerns with fewer than 25 employees, pursuant to the Small Business Paperwork Relief Act of 2002, Public Law 107–198, *see* 44 U.S.C. 3506(c)(4).

27. The Commission will send a copy of this Order in a report to Congress and the Government Accountability Office pursuant to the Congressional Review Act, *see* 5 U.S.C. 801(a)(1)(A). For the

reasons stated herein, we find good cause for the rule changes made by this Order to take effect upon the release of this Order, *see* 5 U.S.C. 808(2).

III. Ordering Clauses

28. Accordingly, *it is ordered* that, pursuant to the authority contained in sections 4(i), 4(j), 10, 201–205, 214, 254, 303(r), and 403 of the Communications Act of 1934, as amended, 47 U.S.C. 151, 154(i), 154(j), 160, 201–205, 214, 254, 303(r), and 403 this Order *is adopted*, and the temporary rules *shall become effective* immediately upon release of this Order, pursuant to 5 U.S.C. 408, 553(d)(3); 47 CFR 1.103(a), 1.427(b).

§ 73.3615 [Corrected]

■ 1. Beginning on page 19459, in the third column, in § 73.3615, paragraphs (a) through (f) are corrected to read as follows:

“(a) The Ownership Report for Commercial Broadcast Stations (FCC Form 323) must be filed electronically every two years by each licensee of a commercial AM, FM, or TV broadcast station and any entity that holds an interest in the licensee that is attributable pursuant to § 73.3555 (each a “Respondent”). The ownership report shall be filed by December 1 in all odd-numbered years. Each ownership report shall provide all information required by, and comply with all requirements set forth in, the version of FCC Form 323 (including all instructions for the form and schedule) that is current on October 1 of the year in which the ownership report is filed. The information provided on each ownership report shall be current as of October 1 of the year in which the ownership report is filed. A Respondent with a current and unamended biennial ownership report (*i.e.*, an ownership report that was filed pursuant to this subsection) on file with the Commission that is still accurate and which was filed using the version of FCC Form 323 that is current on October 1 of the year in which its biennial ownership report is due may electronically validate and resubmit its previously filed biennial ownership report.

(b)(1) Each permittee of a commercial AM, FM or TV broadcast station and any entity that holds an interest in the permittee that is attributable pursuant to § 73.3555 (each a “Respondent”) shall file an ownership report on FCC Form 323 within 30 days of the date of grant by the FCC of an application by the permittee for original construction permit. Each ownership report shall provide all information required by, and comply with all requirements set forth in, the version of FCC Form 323 (including all instructions for the form and schedule) that is current on the date on which the ownership report is filed.

(2) Except as specifically noted below, each permittee of a commercial AM, FM or TV broadcast station and any entity that holds an interest in the permittee that is attributable pursuant to § 73.3555 (each a “Respondent”) shall file an ownership report on FCC Form 323 on the date that the permittee applies for a station license. Each ownership report shall provide all information required by, and comply with all requirements

set forth in, the version of FCC Form 323 (including all instructions for the form and schedule) that is current on the date on which the ownership report is filed. If a Respondent has a current and unamended ownership report on file with the Commission that was filed pursuant to paragraphs (b)(1) or (c) of this section, was submitted using the version of FCC Form 323 that is current on the date on which the ownership report due pursuant to paragraph (b)(2) is filed, and is still accurate, the Respondent may certify that it has reviewed such ownership report and that it is accurate, in lieu of filing a new ownership report.

(c) Each permittee or licensee of a commercial AM, FM or TV broadcast station and any entity that holds an interest in the permittee or licensee that is attributable pursuant to § 73.3555 (each a "Respondent"), shall file an ownership report on FCC Form 323 within 30 days of consummating authorized assignments or transfers of permits and licenses. Each ownership report shall provide all information required by, and comply with all requirements set forth in, the version of FCC Form 323 (including all instructions for the form and schedule) that is current on the date on which the ownership report is filed.

(d) The Ownership Report for Noncommercial Broadcast Stations (FCC Form 323-E) must be filed electronically every two years by each licensee of a noncommercial educational AM, FM or TV broadcast station and any entity that holds an interest in the licensee that is attributable pursuant to § 73.3555 (each a "Respondent"). The ownership report shall be filed by December 1 in all odd-numbered years. Each ownership report shall provide all information required by, and comply with all requirements set forth in, the version of FCC Form 323-E (including all instructions for the form and schedule) that is current on October 1 of the year in which the ownership report is filed. The information provided on each ownership report shall be current as of October 1 of the year in which the ownership report is filed. A Respondent with a current and unamended biennial ownership report (*i.e.*, an ownership report that was filed pursuant to this subsection) on file with the Commission that is still accurate and which was filed using the version of FCC Form 323-E that is current on October 1 of the year in which its biennial ownership report is due may electronically validate and resubmit its previously filed biennial ownership report.

(e)(1) Each permittee of a noncommercial educational AM, FM or TV broadcast station and any entity that holds an interest in the permittee that is attributable pursuant to § 73.3555 (each a "Respondent") shall file an ownership report on FCC Form 323-E within 30 days of the date of grant by the FCC of an application by the permittee for original construction permit. Each ownership report shall provide all information required by, and comply with all requirements set forth in, the version of FCC Form 323-E (including all instructions for the form and schedule) that is current on the date on which the ownership report is filed.

(2) Except as specifically noted below, each permittee of a noncommercial educational AM, FM or TV broadcast station and any entity that holds an interest in the permittee that is attributable pursuant to § 73.3555 (each a "Respondent") shall file an ownership report on FCC Form 323-E on the date that the permittee applies for a station license. Each ownership report shall provide all information required by, and comply with all requirements set forth in, the version of FCC Form 323-E (including all instructions for the form and schedule) that is current on the date on which the ownership report is filed. If a Respondent has a current and unamended ownership report on file with the Commission that was filed pursuant to paragraphs (e)(1) or (f) of this section, was submitted using the version of FCC Form 323-E that is current on the date on which the ownership report due pursuant to this subsection is filed, and is still accurate, the Respondent may certify that it has reviewed such ownership report and that it is accurate, in lieu of filing a new ownership report.

(f) Each permittee or licensee of a noncommercial educational AM, FM or TV broadcast station, and any entity that holds an interest in the permittee or licensee that is attributable pursuant to § 73.3555 (each a "Respondent"), shall file an ownership report on FCC Form 323-E within 30 days of consummating authorized assignments or transfers of permits and licenses. Each ownership report shall provide all information required by, and comply with all requirements set forth in, the version of FCC Form 323-E (including all instructions for the form and schedule) that is current on the date on which the ownership report is filed."
