(v) All requests for correction or refunds must be accompanied by a filing fee in the amount prescribed in § 201.3(e) for each Statement of Account involved, paid by EFT. No request will be processed until the appropriate filing fees are received, and no supplemental royalty fee will be deposited until an acceptable remittance in the full amount of the supplemental royalty fee has been received.

(viii) A refund payment in the amount of fifty dollars (\$50.00) or less will not be refunded unless specifically requested before the statement of account is closed, at which point any excess payment will be treated as part of the royalty fee. A request for a refund payment in an amount of over fifty dollars (\$50.00) is not necessary where the Licensing Division, during its examination of a Statement of Account or related document, discovers an error that has resulted in a royalty overpayment. In this case, the Licensing Division will affirmatively send the royalty refund to the manufacturing or importing party named in the Statement of Account.

(4) Interest on late payments or underpayments. Royalty fee payments submitted as a result of late or amended filings shall include interest. Interest shall begin to accrue beginning on the first day after the close of the period for filing statements of account for all underpayments or late payments of royalties for the digital audio recording obligation occurring within that accounting period. The accrual period shall end on the date the payment submitted by a remitter is received by the Copyright Office. The interest rate applicable to a specific accounting period beginning with the 1992/2 period shall be the Current Value of Funds Rate, as established by section 8025.40 of the Treasury Financial Manual and published in the **Federal Register**, in effect on the first business day after the close of the filing deadline for that accounting period. Manufacturers or importing parties wishing to obtain the interest rate for a specific accounting period may do so by consulting the **Federal Register** for the applicable Current Value of Funds Rate, or by consulting the Copyright Office Web site. Interest is not required to be paid on any royalty underpayment or late payment from a particular accounting

period if the interest charge is less than or equal to five dollars (\$5.00).

(5) A statement of account shall be considered closed in cases where a licensee fails to reply within ninety days to the request for further information from the Copyright Office or, in the case of subsequent correspondence that may be necessary, ninety days from the date of the last correspondence from the Office.
