The Department initiated this administrative review covering 13 companies. On July 11, 2017, the Department issued a memorandum extending the time period for issuing the preliminary results of the instant administrative review from August 2, 2017 to October 2, 2017. On September 25, 2017, the Department fully extended the deadline to November 30, 2017.

Scope of the Order

Imports covered by the order are shipments of steel concrete reinforcing bar imported in either straight length or coil form (rebar) regardless of metallurgy, length, diameter, or grade. The merchandise subject to review is currently classifiable under items 7213.10.0000, 7214.20.0000, and 7228.30.8010. The subject merchandise may also enter under other Harmonized Tariff Schedule of the United States (HTSUS) numbers including 7215.90.1000, 7215.90.5000, 7221.00.0017, 7221.00.0018, 7221.00.0030, 7221.00.0045, 7222.11.0001, 7222.11.0057, 7222.11.0059, 7222.30.0001, 7227.20.0080, 7227.90.6085, 7228.20.1000, and 7228.60.6000. SUMMARY: In response to requests from interested parties, the Department of Commerce (the Department) is conducting an administrative review of the antidumping duty order on steel concrete reinforcing bar (rebar) from Mexico, covering the period November 1, 2015, through October 31, 2016. The review covers one mandatory respondent, Deacero S.A.P.I de C.V. (Deacero), and 12 non-selected companies. We preliminarily determine that Deacero did not make sales of subject merchandise at less than normal value during the period of review (POR). Interested parties are invited to comment on these preliminary results.

**Preliminary Determination of No Shipments**

On January 19, 2017, Grupo Simec and Orge S.A. de C.V. (Grupo Simec) stated that it had no exports or sales, and no entries for consumption of subject merchandise into the United States during the POR. On February 12, 2017, ArcelorMittal Lazaro Cardenas, SA. de CV. (which became ArcelorMittal Mexico, S.A. de CV. on March 31, 2014), ArcelorMittal Celaya, SA. de CV., and ArcelorMittal Cordoba, SA. de CV. (collectively, Arcelor Mittal) submitted a no shipment letter certification. In response to the non-shipment claims of Grupo Simec and Arcelor Mittal, the Department issued a no-shipping inquiry to U.S. Customs and Border Protection (CBP) requesting that it review Grupo Simec’s and Arcelor Mittal’s no-shipment claims. CBP did not report that it had any information to contradict these claims of no shipments during the POR.

Given that Grupo Simec and Arcelor Mittal certified that they made no shipments of subject merchandise to the United States during the POR, and there is no information calling their claims into question, we preliminarily determine that Grupo Simec and Arcelor Mittal did not have any reviewable transactions during the POR. Consistent with the Department’s practice, we will not rescind the review with respect to Grupo Simec and Arcelor Mittal but, rather, will complete the review and issue instructions to CBP based on the final results.  

**Methodology**

The Department is conducting this review in accordance with section 751(a)(1) and (2) of the Tariff Act of 1930, as amended (the Act). Constructed export price or export price is calculated in accordance with section 772 of the Act. Normal value is calculated in accordance with section 773 of the Act. For a full description of the methodology underlying our preliminary results, see the Preliminary Decision Memorandum dated concurrently with this notice and hereby adopted by this notice. The

**Preliminary Decision Memorandum**

The Preliminary Decision Memorandum is a public document and is on file electronically via Enforcement and Compliance’s Antidumping and Countervailing Duty Centralized Electronic Service System (ACCESS). ACCESS is available to registered users at https://access.trade.gov and is available to all parties in the Central Records Unit, Room B8024 of the main Department of Commerce building. In addition, a complete version of the Preliminary Decision Memorandum can be accessed directly on the internet at http://enforcement.trade.gov/frn/index.html. The signed Preliminary Decision Memorandum and the electronic version of the Preliminary Decision Memorandum are identical in content.

**Preliminary Results of the Review**

As a result of this review, we preliminarily calculated a dumping margin of zero percent for Deacero. We are applying to the non-selected companies the rate calculated for the mandatory respondent in these preliminary results, as referenced below.

**Assessment Rate**

Upon issuance of the final results, the Department shall determine, and U.S. Customs and Border Protection (CBP) shall assess, antidumping duties on all appropriate entries covered by this review. If the weighted-average dumping margin for Deacero is not zero or de minimis (i.e., less than 0.5 percent), we will calculate importer-specific ad valorem antidumping duty assessment rates based on the ratio of the total amount of dumping calculated for the importer’s examined sales to the total entered value of those same sales in accordance with 19 CFR 351.212(b)(1). We will instruct CBP to assess antidumping duties on all appropriate entries covered by this review when the importer-specific assessment rate calculated in the final results of this review is not zero or de minimis. Where either the respondent’s weighted-average dumping margin is zero or de minimis, or an importer-specific assessment rate is zero or de minimis, we will instruct CBP to liquidate the appropriate entries without regard to antidumping duties.  

The final results of this review shall be the basis for the assessment of antidumping duties on entries of merchandise covered by the final results of this review where applicable. In accordance with the Department’s “automatic assessment” practice, for entries of subject merchandise during the POR produced by each respondent for which they did not know that their merchandise was destined for the United States, we will instruct CBP to liquidate unreviewed entries at the all-others rate if there is no rate for the intermediate company(ies) involved in the transaction. We intend to issue instructions to CBP 15 days after publication of the final results of this review.

**Cash Deposit Requirements**

The following cash deposit requirements will be effective upon publication of the notice of final results of administrative review for all shipments of subject merchandise entered, or withdrawn from warehouse, for consumption on or after the publication of the final results of this administrative review, as provided by section 751(a)(2)(C) of the Act: (1) The cash deposit rate for respondents noted above will be zero; (2) for merchandise exported by producers or exporters not covered in this administrative review but covered in a prior segment of the proceeding, the cash deposit rate will continue to be the company-specific rate published for the most recently completed segment of this proceeding; (3) if the exporter is not a firm covered in this review, a prior review, or the original investigation, but the producer is, the cash deposit rate will be the rate established for the most recently completed segment of this proceeding for the producer of the subject merchandise; and (4) the cash deposit rate for all other producers or exporters will continue to be 20.38 percent, the all-others rate established in the

Rebuttal briefs, limited to issues raised in the case briefs, may be filed not later than five days after the date for filing case briefs.12 Parties who submit comments are requested to submit: (1) A statement of the issue; (2) a brief summary of the argument; and (3) a table of authorities.13 All briefs must be filed electronically using ACCESS. If a request for a hearing is made, we will inform parties of the scheduled date for the hearing which will be held at the U.S. Department of Commerce, 1401 Constitution Avenue NW., Washington DC 20230, at a time and location to be determined.15 Parties should confirm by telephone the date, time, and location of the hearing two days before the scheduled date. Unless the deadline is extended pursuant to section 751(a)(3)(A) of the Act and 19 CFR 213(b)(2), the Department will issue the final results of this administrative review, including the results of our analysis of the issues raised by the parties in their case briefs, within 120 days after issuance of these preliminary results.16

Notification to Importers

This notice serves as a preliminary reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in the Secretary’s presumption that reimbursement of antidumping duties occurred and increase the subsequent assessment of the antidumping duties by the amount of antidumping duties reimbursed.

Notification to Interested Parties

These preliminary results of review are issued and published in accordance with sections 751(a)(1) and 777(i)(1) of the Act, and 19 CFR 351.221(b)(4).

Dated: November 30, 2017.
