acts and practices, to promote just and equitable principles of trade, and, in general, to protect investors and the public interest. FINRA believes that the proposed rule change will enhance the information available to members and the public regarding FINRA's TRF LLC Agreements in that the current agreements will be reflected in the FINRA manual and updated Schedules D and E will be readily available on FINRA's public Web site. Thus, the proposed rule change will ensure that the most current information regarding the TRF LLC Agreements will be readily available to members and the public.

B. Self-Regulatory Organization's Statement on Burden on Competition

FINRA does not believe that the proposed rule change will result in any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act. The proposed rule change makes technical changes to the TRF LLC Agreements, as they appear in the FINRA Manual, to reflect the second amended and restated agreements executed by the parties. The terms and conditions of the TRF LLC Agreements have not changed. Accordingly, FINRA does not believe that there are any material economic impacts associated with the proposed rule change.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

Written comments were neither solicited nor received.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action
