

Specifically, respondent's advertisements prominently stated the amount of the finance charge and the number of payments or period of repayment for certain vehicles—all triggering terms under the TILA—but failed to disclose, or unclearly and inconspicuously disclosed at the bottom of the ad in much smaller type, the required information set forth by the TILA. Finally, the complaint alleges that respondent's leasing advertisements violated the Consumer Leasing Act (CLA) and Regulation M by failing to disclose or to disclose clearly and conspicuously required terms.

Specifically, respondent's advertisements prominently stated the monthly payment amounts for certain vehicles—a triggering term under the CLA—but failed to disclose, or unclearly and inconspicuously disclosed at the bottom of the ad in much smaller type, the required information set forth by the CLA.

The proposed order is designed to prevent the respondent from engaging in similar deceptive practices in the future.

- Definition B. of the order defines “clearly and conspicuously” to mean that required disclosures must be difficult to miss (*i.e.*, easily noticeable) and easily understandable by ordinary consumers, including that disclosures must appear in the same language as the representation requiring the disclosure is made (*e.g.* Spanish advertisement → Spanish disclosure).

- Part I.A.1. provides that respondent shall not misrepresent the cost of financing the purchase of an automobile, including by misrepresenting the amount or percentage of the down payment, the number of payments or period of repayment, the amount of any payment, and the repayment obligation over the full term of the loan, including any balloon payment.

- Part I.A.2. provides that respondent shall not misrepresent the cost of leasing an automobile, including by misrepresenting the total amount due at lease inception, the down payment, amount down, acquisition fee, capitalized cost reduction, any other amount required to be paid at lease inception, and the amounts of all monthly or other periodic payments.

- Part I.B. provides that respondent shall not misrepresent any qualification or restriction on the consumer's ability to obtain the represented financing or leasing terms, including any qualification or restriction based on the consumer's credit score or credit history.

- Part I.C. provides that respondent shall not represent any financing or

leasing term, unless the representation is non-misleading, and the advertisement clearly and conspicuously discloses all qualifications or restrictions on the consumer's ability to obtain the represented financing or leasing term, including any qualifications or restrictions that respondent's lender, lessor, or any other entity may impose based on a consumer's credit score or credit history. Additionally, if a majority of consumers likely will not be able to meet a credit score qualification or restriction stated in the advertisement, respondent must clearly and conspicuously disclose that fact.

- Part I.D. provides that respondent shall not misrepresent the number of vehicles, makes, or models that are available for purchase or lease.

- Part I.E. provides that respondent shall not misrepresent any other material fact about the price, sale, financing, or leasing of any automobile.

- Part II of the order addresses the TILA and Regulation Z allegations by prohibiting credit sale advertisements that:

A. State the amount or percentage of any down payment, the number of payments or period of repayment, the amount of any payment, or the amount of any finance charge, without disclosing clearly and conspicuously all of the following terms:

- The amount or percentage of the down payment;
- The terms of repayment; and
- The annual percentage rate, using the term “annual percentage rate” or the abbreviation “APR.” If the annual percentage rate may be increased after consummation of the credit transaction, that fact must also be disclosed; or

B. State a rate of finance charge without stating the rate as an “annual percentage rate” or the abbreviation “APR,” using that term; or

C. Fail to comply in any respect with Regulation Z, 12 CFR part 226, as amended, and the Truth in Lending Act, as amended, 15 U.S.C. 1601–1667f.

- Part III of the order addresses the CLA and Regulation M allegations by prohibiting lease advertisements that:

A. State the amount of any payment or that any or no initial payment is required at lease inception, without disclosing clearly and conspicuously the following terms:

- That the transaction advertised is a lease;
- the total amount due prior to or at consummation or by delivery, if delivery occurs after consummation;
- the number, amounts, and timing of scheduled payments;

- whether or not a security deposit is required; and

- that an extra charge may be imposed at the end of the lease term where the consumer's liability (if any) is based on the difference between the residual value of the leased property and its realized value at the end of the lease term.

B. Fail to comply in any respect with Regulation M, 12 CFR part 213, as amended, and the Consumer Leasing Act, 15 U.S.C. 1667–1667f, as amended.

- Part IV requires respondent to provide copies of the order to certain personnel and to obtain acknowledgments of receipt.

- Part V requires respondent to file compliance reports with the Commission, including notices regarding changes in corporate structure that might affect compliance obligations under the order. Part VI requires respondent to create certain records for 15 years and to retain them for 5 years. Part VII provides the Commission certain mechanisms to monitor respondent's compliance with the order. Part VIII is a provision that “sunsets” the order after 20 years, with certain exceptions.

The purpose of this analysis is to aid public comment on the proposed order. It is not intended to constitute an official interpretation of the complaint or proposed order, or to modify in any way the proposed order's terms.

By direction of the Commission.

Donald S. Clark,

Secretary.

Agency Information Collection Activities: Submission for OMB Review; Comment Request

AGENCY: Centers for Medicare & Medicaid Services.

ACTION: Notice.

SUMMARY: The Centers for Medicare & Medicaid Services (CMS) is announcing an opportunity for the public to comment on CMS' intention to collect information from the public. Under the Paperwork Reduction Act of 1995 (PRA), federal agencies are required to publish notice in the **Federal Register**

concerning each proposed collection of information, including each proposed extension or reinstatement of an existing collection of information, and to allow a second opportunity for public comment on the notice. Interested persons are invited to send comments regarding the burden estimate or any other aspect of this collection of information, including the necessity and utility of the proposed information collection for the proper performance of the agency's functions, the accuracy of the estimated burden, ways to enhance the quality, utility, and clarity of the information to be collected; and the use of automated collection techniques or other forms of information technology to minimize the information collection burden.

DATES: Comments on the collection(s) of information must be received by the OMB desk officer by *January 8, 2018*.

ADDRESSES: When commenting on the proposed information collections, please reference the document identifier or OMB control number. To be assured consideration, comments and recommendations must be received by the OMB desk officer via one of the following transmissions: OMB, Office of Information and Regulatory Affairs, Attention: CMS Desk Officer, Fax Number: (202) 395-5806, *OR*, Email: OIRA_submission@omb.eop.gov.

To obtain copies of a supporting statement and any related forms for the proposed collection(s) summarized in this notice, you may make your request using one of following:

1. Access CMS' Web site address at Web site address at <https://www.cms.gov/Regulations-and-Guidance/Legislation/PaperworkReductionActof1995/PRA-Listing.html>.

2. Email your request, including your address, phone number, OMB number, and CMS document identifier, to Paperwork@cms.hhs.gov.

3. Call the Reports Clearance Office at (410) 786-1326.

FOR FURTHER INFORMATION CONTACT: William Parham at (410) 786-4669.

SUPPLEMENTARY INFORMATION: Under the Paperwork Reduction Act of 1995 (PRA) (44 U.S.C. 3501-3520), federal agencies must obtain approval from the Office of Management and Budget (OMB) for each collection of information they conduct or sponsor. The term "collection of information" is defined in 44 U.S.C. 3502(3) and 5 CFR 1320.3(c) and includes agency requests or requirements that members of the public submit reports, keep records, or provide information to a third party. Section 3506(c)(2)(A) of the PRA (44 U.S.C.

3506(c)(2)(A)) requires federal agencies to publish a 30-day notice in the **Federal Register** concerning each proposed collection of information, including each proposed extension or reinstatement of an existing collection of information, before submitting the collection to OMB for approval. To comply with this requirement, CMS is publishing this notice that summarizes the following proposed collection(s) of information for public comment:

1. *Type of Information Collection Request:* Reinstatement of a previously approved collection; *Title of Information Collection:* Business Proposal Forms for Quality Improvement Organizations (QIOs); *Use:* The submission of proposal information by current quality improvement associations (QIOs) and other bidders, on the appropriate forms, will satisfy our need for meaningful, consistent, and verifiable data with which to evaluate contract proposals. We use the data collected on the forms associated with this information collection request to negotiate QIO contracts. We will be able to compare the costs reported by the QIOs on the cost reports to the proposed costs noted on the business proposal forms. Subsequent contract and modification negotiations will be based on historic cost data. The business proposal forms will be one element of the historical cost data from which we can analyze future proposed costs. In addition, the business proposal format will standardize the cost proposing and pricing process among all QIOs. With well-defined cost centers and line items, proposals can be compared among QIOs for reasonableness and appropriateness. *Form Number:* CMS-718-721 (OMB control number: 0938-0579); *Frequency:* Annually; *Affected Public:* Business or other for-profits and Not-for-profit institutions; *Number of Respondents:* 20; *Total Annual Responses:* 20; *Total Annual Hours:* 1,000. (For policy questions regarding this collection contact Benjamin Bernstein at 410-786-6570.)

2. *Type of Information Collection Request:* Reinstatement with change of a previous approved information collection; *Title of Information Collection:* Medical Necessity and Claims Denial Disclosures under MHPAEA; *Use:* The Paul Wellstone and Pete Domenici Mental Health Parity and Addiction Equity Act of 2008 (MHPAEA) (Pub. L. 110-343) generally requires that group health plans and group health insurance issuers offering mental health or substance use disorder (MH/SUD) benefits in addition to medical and surgical (med/surg) benefits ensure that they do not apply

any more restrictive financial requirements (e.g., co-pays, deductibles) and/or treatment limitations (e.g., visit limits) to MH/SUD benefits than those requirements and/or limitations applied to substantially all med/surg benefits.

The Patient Protection and Affordable Care Act, Public Law 111-148, was enacted on March 23, 2010, and the Health Care and Education Reconciliation Act of 2010, Public Law 111-152, was enacted on March 30, 2010. These statutes are collectively known as the "Affordable Care Act." The Affordable Care Act extended MHPAEA to apply to the individual health insurance market. Additionally, the Department of Health and Human Services (HHS) final regulation regarding essential health benefits (EHB) requires health insurance issuers offering non-grandfathered health insurance coverage in the individual and small group markets, through an Exchange or outside of an Exchange, to comply with the requirements of the MHPAEA regulations in order to satisfy the requirement to cover EHB (45 CFR 147.150 and 156.115).

Medical Necessity Disclosure Under MHPAEA

MHPAEA section 512(b) specifically amends the Public Health Service (PHS) Act to require plan administrators or health insurance issuers to provide, upon request, the criteria for medical necessity determinations made with respect to MH/SUD benefits to current or potential participants, beneficiaries, or contracting providers. The Interim Final Rules Under the Paul Wellstone and Pete Domenici Mental Health Parity and Addiction Equity Act of 2008 (75 FR 5410, February 2, 2010) and the Final Rules under the Paul Wellstone and Pete Domenici Mental Health Parity and Addiction Equity Act of 2008 set forth rules for providing criteria for medical necessity determinations. CMS oversees non-Federal governmental plans and health insurance issuers.

Claims Denial Disclosure Under MHPAEA

MHPAEA section 512(b) specifically amends the PHS Act to require plan administrators or health insurance issuers to supply, upon request, the reason for any denial or reimbursement of payment for MH/SUD services to the participant or beneficiary involved in the case. The Interim Final Rules Under the Paul Wellstone and Pete Domenici Mental Health Parity and Addiction Equity Act of 2008 (75 FR 5410, February 2, 2010) and the Final Rules under the Paul Wellstone and Pete Domenici Mental Health Parity and

Addiction Equity Act of 2008 implement 45 CFR 146.136(d)(2), which sets forth rules for providing reasons for claims denial. CMS oversees non-Federal governmental plans and health insurance issuers, and the regulation provides a safe harbor such that non-Federal governmental plans (and issuers offering coverage in connection with such plans) are deemed to comply with requirements of paragraph (d)(2) of 45 CFR 146.136 if they provide the reason for claims denial in a form and manner consistent with ERISA requirements found in 29 CFR 2560.503–1. Section 146.136(d)(3) of the final rule clarifies that PHS Act section 2719 governing internal claims and appeals and external review as implemented by 45 CFR 147.136, covers MHPAEA claims denials and requires that, when a non-quantitative treatment limitation (NQTL) is the basis for a claims denial, that a non-grandfathered plan or issuer must provide the processes, strategies, evidentiary standard, and other factors used in developing and applying the NQTL with respect to med/surg benefits and MH/SUD benefits.

Disclosure Request Form

Group health plan participants, beneficiaries, covered individuals in the individual market, or persons acting on their behalf, may use this optional model form to request information from plans regarding NQTLs that may affect patients’ MH/SUD benefits or that may have resulted in their coverage being denied. *Form Number:* CMS–10307 (OMB control number: 0938–1080) ; *Frequency:* On Occasion; *Affected*

Public: State, Local, or Tribal Governments, Private Sector, Individuals; *Number of Respondents:* 267,538; *Number of Responses:* 1,081,929; *Total Annual Hours:* 43,327. (For policy questions regarding this collection, contact Usree Bandyopadhyay at 410–786–6650.)

Agency Recordkeeping/Reporting Requirements Under Emergency Review by the Office of Management and Budget (OMB); Comment Request

Title: Child Care and Development Fund Plan for States/Territories for FFY 2019–2021(ACF–118).
OMB No.: 0970–0114.
Description: The Child Care and Development Fund (CCDF) Plan (the Plan) for States and Territories is required from each CCDF Lead agency in accordance with Section 658E of the Child Care and Development Block Grant Act of 1990, (CCDBG Act), as amended, CCDBG Act of 2014 (Pub. Law 113–186), and 42 U.S.C 9858. The Plan provides ACF and the public with a description of, and assurance about, the

States’ and Territories’ child care programs. States must submit Plans to ACF on or before July 2, 2018 for approval in order to receive funding on October 1, 2018 for FY 2019.

The Office of Child Care (OCC) has revised the FY 2019–2021 CCDF Plan Preprint to align with the CCDF Final Rule published on September 30, 2016. In making the revisions, consideration was given to minimize the burden of the collection of information on respondents. The Plan, submitted via the ACF–118, is required triennially, and will remain in effect for three years.

Due to unanticipated events, including challenges faced by States and Territories in implementing portions of the comprehensive and unprecedented background check requirements, the OCC has re-examined the implementation deadline to give States and Territories an opportunity to apply for additional time (up to two years, in one year increments) to meet the most challenging parts of the background check requirements as long as specific milestones are met. These developments required OCC to delay submission of the CCDF Plan Preprint for review and approval by OMB because the process and criteria for requesting additional time will be carried out as part of the Plan submission process. The delay prevented OCC from completing the regular Paperwork Reduction Act clearance process that includes two **Federal Register** notices and comment periods.
