The Honorable Paul D. Ryan  
Speaker of the House  
U.S. House of Representatives  
Washington, DC  20515  

Dear Mr. Speaker:

Pursuant to the reporting requirements of Section 36(b)(1) of the Arms Export Control Act, as amended, we are forwarding herewith Transmittal No. 17-51, concerning the Air Force’s proposed Letter(s) of Offer and Acceptance to the Government of Norway for defense articles and services estimated to cost $170 million. After this letter is delivered to your office, we plan to issue a news release to notify the public of this proposed sale.

Sincerely,

Charles W. Hooper  
Lieutenant General, USA  
Director

Enclosures:  
1. Transmittal  
2. Policy Justification  
3. Sensitivity of Technology
objectives of the United States by improving the security of a NATO ally which continues to be an important force for political stability and economic progress in Europe.

The proposed sale will improve Norway’s capabilities for mutual defense, regional security, force modernization, and U.S. and NATO interoperability. This sale will enhance the Royal Norwegian Air Force’s ability to defend Norway against future threats and contribute to current and future NATO operations. This is a follow-on buy of additional AIM–120 C–7 missiles. Norway will be able to absorb these additional missiles and support into its armed forces.

The proposed sale of this equipment and support will not alter the basic military balance in the region.

The prime contractor will be Raytheon Missile Systems, Tucson, AZ. There are no known offset agreements proposed in connection with this potential sale.

Implementation of this proposed sale will not require the assignment of any additional U.S. Government personnel or contractor representatives to Norway. There will be no adverse impact on U.S. defense readiness as a result of this proposed sale.

Transmittal No. 17–51

Notice of Proposed Issuance of Letter of Offer Pursuant to Section 36(b)(1) of the Arms Export Control Act

A determination has been made that Norway can provide substantially the same degree of protection for the sensitive technology being released as the U.S. Government. This proposed sale is necessary to the furtherance of the U.S. foreign policy and national security objectives outlined in the policy justification.

4. All defense articles and services listed in this transmittal are authorized for release and export to the Government of Norway.
