Education Loan and Direct Loan program loan if the graduate teaches full-time in an elementary or secondary school serving low-income students.

The data collected for the development of the Teacher Cancellation Low Income Directory provides web-based access to a list of all elementary and secondary schools, and educational service agencies that serve a total enrollment of more than 30 percent low income students (as defined under Title I, Part A of the Elementary and Secondary Education Act of 1965, as amended). The Directory allows post-secondary institutions to determine whether or not a teacher, who received a Federal Perkins Loan, Direct Loan, or Federal Family Education Loan at their school, is eligible to receive loan cancellation or forgiveness or that a Federal Perkins Loan, Direct Loan, or Federal Family Education Loan is meeting the service obligation.
