corrected proposed Consent Order was filed with the Commission on February 27, 2017. On October 12, 2017, the Commission determined to affirm Order No. 25 based on the corrected proposed Consent Order.

As a result, the following two patents (with 13 asserted claims) and two trademarks remain at issue in this investigation: Claims 1, 3–5, and 7 of the '230 patent; claims 1–4 and 6 of the '607 patent; the '948 TM; and the '942 TM. See ID at 5.

The evidentiary hearing on the question of violation of section 337 was held from April 18 through April 21, 2017. The final ID finding a violation of section 337 was issued on August 10, 2017. On August 10, 2017, the ALJ issued his final ID finding a violation of section 337. The ID found that the accused products do not infringe the asserted claims of the '230 and '607 patents which were not found to be invalid. The ID also found that the technical prong of the domestic industry requirement was not satisfied for the '230 or '607 patents, and therefore the domestic industry requirement was not satisfied for those patents. The ID further found that the Swagway accused products infringe the '948 TM and '942 TM, for which the domestic industry requirement was satisfied. ID at 192–93; 82; 147.

The ALJ issued his recommended determination on remedy, the public interest and bonding on August 22, 2017. The ALJ recommended that if the Commission finds a violation of section 337 in the present investigation, the Commission should: (1) Issue a GEO covering accused products found to infringe the asserted patents; (2) issue a LEO covering accused products found to infringe the asserted patents if the Commission does not issue a GEO; (3) issue an LEO covering accused products found to infringe the asserted trademarks; (4) issue CDOs; and (5) not require a bond during the Presidential review period. RD at 1–18.

On August 23, 2017, the Commission issued his Notice of Review, and the evidentiary hearing on the issue pertaining to the discussion of the technical prong determinations is: (1) An LEO prohibiting the importation into the United States that infringe one or more of the '948 TM and '942 TM that are manufactured abroad by or on behalf of, or imported by or on behalf of, Respondent Segway; and (b) personal transporters, components thereof, and packaging and manuals therefor manufactured outside the United States that infringe one or more of the '948 TM and '942 TM, which cover the “SEGWAY” marks, and that are manufactured by or on behalf of, or imported by or on behalf of, Respondent Segway; and (2) a CDO directed against Respondent Swagway.

The Commission has further determined that the public interest factors enumerated in subsections (d)(1), (f)(1), and (g)(1) (19 U.S.C. 1337(d)(l), (f)(l), (g)(l)) do not preclude issuance of the above-referenced remedial orders. Finally, the Commission has determined to set the bond amount at zero (0) percent of the entered value of Respondent Swagway’s accused products and at 100 percent of the entered value of defaulted Respondent Segway’s accused products during the Presidential review period (19 U.S.C. 1337(j)). The investigation is terminated.

The Commission’s orders, opinion, and the record upon which it based its determination were delivered to the President and to the United States Trade Representative on the day of their issuance. The Commission has also notified the Secretary of the Treasury of the orders.

By order of the Commission.

Katherine M. Hiner,
Supervisory Attorney.
