U.S.C. Chapter 35), the NRC recently submitted a request for renewal of an existing collection of information to OMB for review entitled, NRC Form 483, “Registration Certificate—In Vitro Testing With Byproduct Material Under General License.” The NRC hereby informs potential respondents that an agency may not conduct or sponsor, and that a person is not required to respond to, a collection of information unless it informs potential respondents that an agency may not conduct or sponsor, and that a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number.

The NRC published a Federal Register notice with a 60-day comment period on this information collection on August 28, 2017 (82 FR 40809).

2. OMB approval number: 3150–0038.

3. Type of submission: Extension.

4. The form number if applicable: NRC Form 483.

5. How often the collection is required or requested: There is a one-time submittal of information to receive a validated copy of the NRC Form 483 with an assigned registration number. In addition, any changes in the information reported on the NRC Form 483 must be reported in writing to the NRC within 30 days after the effective date of the change.

6. Who will be required or asked to respond: Any physician, veterinarian in the practice of veterinary medicine, or hospital that has filed the NRC Form 483 and received from the Commission a validated copy of the NRC Form 483 with a registration number. The licensee can use the validated copy of the NRC Form 483 to obtain byproduct material from a specifically licensed supplier. The NRC incorporates this information into a database which is used to verify that a general licensee is authorized to receive the byproduct material.

II. Background

Under the provisions of the Paperwork Reduction Act of 1995 (44 U.S.C. Chapter 35), the NRC recently submitted a request for renewal of an existing collection of information to OMB for review entitled, NRC Form 445, “Request for Approval of Official Foreign Travel.” The NRC hereby informs potential respondents that an agency may not conduct or sponsor, and that a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number.

The NRC published a Federal Register notice with a 60-day comment period on this information collection on September 12, 2017; 82 FR 42842.

1. The title of the information collection: NRC Form 445, “Request for Approval of Official Foreign Travel.”
2. OMB approval number: 3150–0193.
3. Type of submission: Extension.
4. The form number if applicable: NRC Form 445.
5. How often the collection is required or requested: On occasion.
6. Who will be required or asked to respond: Non-Federal consultants, contractors and NRC invited travelers (i.e., non-NRC employees).
7. The estimated number of annual respondents: 50.
8. The estimated number of annual responses: 50.
9. An estimate of the total number of hours needed annually to comply with the information collection requirement or request: 50.
10. Abstract: Form 445, “Request for Approval of Foreign Travel,” is supplied by consultants, contractors, and NRC invited travelers who must travel to foreign countries in the course of conducting business for the NRC. In accordance with 48 CFR 20, “NRC Acquisition Regulation,” contractors traveling to foreign countries are required to complete this form. The information requested includes the name of the Office Director/Regional Administrator or Chairman, as appropriate, the traveler’s identifying information, purpose of travel, listing of the trip coordinators, other NRC travelers and contractors attending the same meeting, and a proposed itinerary.
