

Act transferred the Board's rulemaking authority under HMDA and other enumerated consumer protection laws to the Bureau, but Section 1029 of the Dodd-Frank Act also preserved the Board's rulemaking authority over certain motor vehicle dealers, with some exceptions. The rulemaking authority retained by the Board under Section 1029, however, does not extend to residential or commercial mortgages or self-financing transactions involving real property.⁷ Thus, all rulemaking authority under HMDA, which pertains only to mortgage loan transactions, was transferred to the Bureau. The repeal of the Board's Regulation C, 12 CFR part 203, also repeals the Official Staff Commentary that accompanies the regulations.

III. Final Regulatory Flexibility Analysis

The Regulatory Flexibility Act (5 U.S.C. 601 *et seq.*) (RFA) generally requires an agency to perform an assessment of the impact a rule is expected to have on small entities. Based on its analysis, and for the reasons stated below, the Board believes that this final rule will not have a significant economic impact on a substantial number of small entities.

1. *Statement of the need for, and objectives of, the proposed rule.* As noted above, title X of the Dodd-Frank Act transferred rulemaking authority for HMDA and other enumerated consumer financial protection laws from the Board to the Bureau, effective July 21, 2011. Although the Board retains authority to issue some consumer financial protection rules, all rulemaking authority under HMDA concerning mortgage loan transactions was transferred to the Bureau. In December 2011, the Bureau issued an Interim Final Rule to implement HMDA pursuant to the transfer of rulemaking authority, as amended further by final rules issued by the Bureau in October 2015, pursuant to the Dodd-Frank Act. Accordingly, the Board is repealing the Board's Regulation C, 12 CFR part 203, and the Official Staff Commentary that accompanies the regulation, which has been superseded by the final rules issued by the Bureau.

2. *Summary of issues raised by comments in response to the initial regulatory flexibility analysis.* The

dwelling for purposes of HMDA. See 80 FR 66128, 66145 (Oct. 28, 2015).

⁷ Section 1029(b)(1) of the Dodd-Frank Act states: Subsection (a) shall not apply to any person, to the extent such person (1) provides consumers with any services related to residential or commercial mortgages or self-financing transaction involving real property. . . . 12 U.S.C. 5519(b).

Board did not receive any comments on the initial regulatory flexibility analysis.

3. *Small entities affected by the final rule.* Any entity that is currently covered by HMDA is subject to the rules issued by the Bureau, located in 12 CFR part 1003. Therefore the Board believes the repeal of its Regulation C will not affect any entity, including any small entity.

4. *Recordkeeping, reporting, and compliance requirements.* The final rule repeals the Board's Regulation C, 12 CFR part 203, and therefore does not impose any recordkeeping, reporting, or compliance requirements on any entities.

5. *Significant alternatives to the final revisions.* Because the repeal of Regulation C will have no impact, there are no alternatives that would further minimize the economic impact of the final rule on small entities.

IV. Paperwork Reduction Act

In accordance with the Paperwork Reduction Act (PRA) of 1995 (44 U.S.C. 3506; 5 CFR 1320 Appendix A.1), the Board reviewed the rule under the authority delegated to the Federal Reserve by the Office of Management and Budget (OMB). The final rule contains no collections of information under the PRA. See 44 U.S.C. 3502(3). Accordingly, there is no paperwork burden associated with the final rule.

List of Subjects in 12 CFR Part 203

Banks, Banking, Federal Reserve System, Mortgages, Reporting and recordkeeping requirements.

PART 203—[REMOVED AND RESERVED]

■ For the reasons set forth in the preamble, under the authority of 12 U.S.C. 5581, the Board removes and reserves Regulation C, 12 CFR part 203.

By order of the Board of Governors of the Federal Reserve System.

Ann E. Misback,

Secretary of the Board.

Coast Guard

33 CFR Part 117

[Docket No. USCG-2017-1048]

Drawbridge Operation Regulation; Merrimack River, Newburyport, MA

AGENCY: Coast Guard, DHS.

ACTION: Notice of deviation from drawbridge regulation.

SUMMARY: The Coast Guard has issued a temporary deviation from the operating schedule that governs the US1 Bridge across the Merrimack River, mile 3.4, at Newburyport, MA. The deviation is necessary to replace the electrical power and control systems which are at the end of their life cycle. This deviation allows the bridge to be closed to navigation.

DATES: This deviation is effective from 12:01 a.m. on January 2, 2018 through 11:59 p.m. on April 15, 2018.

ADDRESSES: The docket for this deviation, USCG-2017-1048 is available at <http://www.regulations.gov>. Type the docket number in the "SEARCH" box and click "SEARCH". Click on Open Docket Folder on the line associated with this deviation.

FOR FURTHER INFORMATION CONTACT: If you have questions on this temporary deviation, call or email Mr. Jeffrey Stieb, First Coast Guard District Bridge Branch, Coast Guard; telephone 617-223-8364, email Jeffrey.D.Stieb@uscg.mil.

SUPPLEMENTARY INFORMATION: The owner of the bridge, the Massachusetts Department of Transportation, requested a temporary deviation. The existing electrical power and control system malfunctions and is at the end of its expected life. The US1 Bridge across the Merrimack River, mile 3.4, at Newburyport, Massachusetts, has a vertical clearance in the closed position of 35 feet at mean high water. The existing bridge operating regulations are found at 33 CFR 117.605.

This temporary deviation allows the bridge to remain in the closed to navigation position from 12:01 a.m. on January 2, 2018 through 11:59 p.m. on April 15, 2018. The deviation will have negligible effect on vessel navigation. The waterway is transited primarily by seasonal recreational vessels of various sizes. During this time period, no requests for an opening were made in 2016 and only one request was made in 2017.

Vessels that can pass through the bridge in the closed position may do so at anytime. The bridge will not be able to open for emergencies; however, Coast Guard and harbor master vessels are able to pass through the bridge in the closed position. The Newburyport and Salisbury harbor masters support the repair work being conducted in the winter season rather than the recreational boating season. The Massachusetts Department of Transportation has notified local yacht

yards and marinas and will release a media advisory. No objections to the proposed deviation have been received. The Coast Guard will inform waterway users of the closure through our Local and Broadcast Notices to Mariners.

In accordance with 33 CFR 117.35(e), the drawbridge must return to its regular operating schedule immediately at the end of the effective period of this temporary deviation. This deviation from the operating regulations is authorized under 33 CFR 117.35.

Dated: December 8, 2017.

Christopher J. Bisignano,
Supervisory Bridge Management Specialist,
First Coast Guard District.

Coast Guard

33 CFR Part 165

[Docket No. USCG-2017-1071]

Safety Zone; Captain of the Port Boston Fireworks Display Zone, Boston Harbor, Boston, MA

AGENCY: Coast Guard, DHS.

ACTION: Notice of enforcement of regulation.

SUMMARY: The Coast Guard will enforce safety zones for First Night Fireworks on December 31, 2017, to provide for the safety of life on navigable waterways during the fireworks display. Our regulation for Captain of the Port (COTP) Boston fireworks display zones, Boston Harbor, Boston, MA identifies the regulated areas for this fireworks display. During the enforcement period, no vessel may transit these regulated areas without approval from the COTP Boston or a designated representative.

DATES: The regulation in 33 CFR 165.119(a)(2) and 33 CFR 165.119(a)(3) will be enforced from 10 p.m. on December 31, 2017, until 12:15 a.m. on January 1, 2018.

FOR FURTHER INFORMATION CONTACT: If you have questions about this notice of enforcement, call or email Mark Cutter, Sector Boston Waterways Management Division, U.S. Coast Guard; telephone 617-223-4000, email Mark.E.Cutter@uscg.mil.

SUPPLEMENTARY INFORMATION: The Coast Guard will enforce the safety zones in 33 CFR 165.119(a)(2) and 33 CFR 165.119(a)(3) from 10:00 p.m. on Sunday, December 31, 2017 until 12:15 a.m. on Monday, January 1, 2018, for the

First Night Fireworks in Boston Inner Harbor. This action is being taken to provide for the safety of life on navigable waterways during the fireworks display. Our regulation for COTP Boston Fireworks display zone, Boston Harbor, Boston, MA, 33 CFR 165.119(a)(2), specifies the location of the regulated area as all U.S. navigable waters of Boston inner Harbor within a 700-foot radius of the fireworks barge in the approximate position 42°21'41.2" N 071°02'36.5" W (NAD 1983), located off of Long Wharf, Boston, MA. Regulation 33 CFR 165.119(a)(3), specifies the location of the regulated area as all U.S. navigable waters of Boston inner Harbor within a 700-foot radius of the fireworks barge in the approximate position 42°21'23.2" N 071°02'26" W (NAD1983), located off of Fan Pier, Boston, MA. As specified in 33 CFR 165.119(e), during the enforcement period, no vessel except for fireworks barges and accompanying vessels may transit these regulated areas without approval from the COTP Boston or a COTP designated representative.

This notice of enforcement is issued under authority of 33 CFR 165.119 and 5 U.S.C. 552 (a). In addition to this notice of enforcement in the **Federal Register**, the Coast Guard plans to provide mariners with advanced notification of this enforcement period via the Local Notice to Mariners and Broadcast Notice to Mariners.

Dated: December 14, 2017.

C.C. Gelzer,
Captain, U.S. Coast Guard, Captain of the Port Boston.

Approval of Tennessee's Request To Relax the Federal Reid Vapor Pressure (RVP) Gasoline Volatility Standard for Shelby County (Memphis)

AGENCY: Environmental Protection Agency (EPA).

ACTION: Final rule.

SUMMARY: The Environmental Protection Agency (EPA) is taking final action to approve a request from the state of Tennessee for EPA to relax the Reid Vapor Pressure (RVP) standard applicable to gasoline introduced into

commerce from June 1 to September 15 of each year (summertime ozone season) in Shelby County, Tennessee (the Memphis Area). Specifically, EPA is approving amendments to the regulations to allow the gasoline RVP standard for Shelby County to rise from 7.8 pounds per square inch (psi) to 9.0 psi. EPA has determined that this change to the federal RVP regulation is consistent with the applicable provisions of the Clean Air Act (CAA).

DATES: This final rule is effective on January 22, 2018.

ADDRESSES: EPA has established a docket for this action under Docket ID No. EPA-HQ-OAR-2017-0461. All documents in the docket are listed on the www.regulations.gov website.
