POLICY JUSTIFICATION*Poland—F-16 Follow-on Support*

The Government of Poland has requested to purchase follow-on support and sustainment services for its F-16 fleet to include aircraft maintenance; system and overhauls and upgrades; engine support; spare and repair parts; support and test equipment; publications and technical documentation; U.S. Government and contractor engineering, technical, and logistical support; and other related elements of program support. The estimated cost is \$200 million.

This proposed sale will support the foreign policy and national security objectives of the United States by helping to improve the security of a NATO ally. Poland continues to be an important force for political stability and economic progress in Central Europe.

This potential sale will continue the sustainment of Poland's F-16 capability.

Poland will have no difficulty absorbing this equipment and support into its armed forces.

The proposed sale of this equipment and support will not alter the basic military balance in the region.

Contracts will be awarded when necessary to provide the defense articles ordered if items ordered are not available from U.S. stock or are to be purchased further in the future. The potential prime contractors will be Harris Corporation of Melbourne, Florida; Boeing of Arlington, Virginia; UTC Aerospace Systems, ISR Systems of Charlotte, North Carolina; Lockheed Martin Missile and Fire Control of Orlando, Florida; Cubic Defense Applications of San Diego, California; L-3 Communications of New York, New York; Lockheed Martin Aero of Fort Worth, Texas; Exelis Electronic of Clifton, New Jersey; Northrop Grumman Corporation of Falls Church, Virginia; Raytheon of Waltham, Massachusetts; Honeywell of Morris Plains, New Jersey; Booz Allen Hamilton of McLean, Virginia; and BAE Systems of Arlington, Virginia. There are no known offset agreements proposed in connection with this potential sale.

Implementation of this proposed sale will not require the assignment of any additional U.S. Government or contractor representatives to Poland.

There will be no adverse impact on U.S. defense readiness as a result of this proposed sale.

[Docket ID DOD-2017-HA-0067]

Proposed Collection; Comment Request

AGENCY: Office of the Assistant Secretary of Defense for Health Affairs, DoD.

ACTION: 60-Day information collection notice.

SUMMARY: In compliance with the *Paperwork Reduction Act of 1995*, the Office of the Assistant Secretary of Defense for Health Affairs announces a proposed public information collection and seeks public comment on the provisions thereof. Comments are invited on: Whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information shall have practical utility; the accuracy of the

agency's estimate of the burden of the proposed information collection; ways to enhance the quality, utility, and clarity of the information to be collected; and ways to minimize the burden of the information collection on respondents, including through the use of automated collection techniques or other forms of information technology.

DATES: Consideration will be given to all comments received by February 26, 2018.

ADDRESSES: You may submit comments, identified by docket number and title, by any of the following methods:

- *Federal eRulemaking Portal*: <http://www.regulations.gov>. Follow the instructions for submitting comments.
- *Mail*: Department of Defense, Office of the Deputy Chief Management Officer, Directorate for Oversight and Compliance, Regulatory and Advisory Committee Division, 4800 Mark Center Drive, Mailbox #24, Suite 08D09B, Alexandria, VA 22350-1700.

Instructions: All submissions received must include the agency name, docket number and title for this **Federal Register** document. The general policy for comments and other submissions from members of the public is to make these submissions available for public viewing on the internet at <http://www.regulations.gov> as they are received without change, including any personal identifiers or contact information.

Any associated form(s) for this collection may be located within this same electronic docket and downloaded for review/testing. Follow the instructions at <http://www.regulations.gov> for submitting comments. Please submit comments on any given form identified by docket number, form number, and title.

FOR FURTHER INFORMATION CONTACT: To request more information on this proposed information collection or to obtain a copy of the proposal and associated collection instruments, please write to the Defense Healthcare Management Systems Modernization (DHMSM), 1501 Wilson Blvd., Room 810, Arlington VA 22209, or call (703) 588-5646.

SUPPLEMENTARY INFORMATION:

Title: *Associated Form*; and *OMB Number*: MHS GENESIS; OMB Control Number: 0720-XXXX.

Needs and Uses: The information collection requirement is necessary to provide and document medical care; determine eligibility for benefits and entitlements; adjudicate claims; determine whether a third party is responsible for the cost of MHS provided healthcare and recover that

cost; and evaluate fitness for duty and medical concerns which may have resulted from an occupational or environmental hazard. Obtaining this information is essential for DoD to provide medical care and recover costs of providing that care.

Affected Public: Individuals or Households.

Annual Burden Hours: 3,348,727.

Number of Respondents: 2,870,338.

Responses per Respondent: 10.

Annual Responses: 28,703,380.

Average Burden per Response: 7 minutes.

Frequency: Annually and on occasion.

MHS GENESIS is the Department of Defense's (DoD) modernized electronic health record (EHR) and will provide access to authoritative clinical data sources, and over time will become the authoritative source of clinical data to support improved population health, patient safety, and quality of care to maximize medical readiness for the DoD. MHS GENESIS is expected to unify and increase accessibility of integrated, evidence-based healthcare delivery and decision-making. MHS GENESIS supports the availability of longitudinal medical records for over 9.6 million DoD beneficiaries and over 153,000 Military Health System (MHS) personnel globally. MHS GENESIS enables the application of standardized workflows, integrated healthcare delivery, and data standards for improved and secure electronic exchange of medical and patient data between the DoD and its external partners, including the Departments of Veterans Affairs (VA) and Health and Human Services (HHS) and private sector healthcare providers.

Dated: December 20, 2017.
