

FEDERAL COMMUNICATIONS COMMISSION

47 CFR Part 73

[DA 17–1099; MB Docket No. 16–320; RM–11774]

Radio Broadcasting Services; Gaylord, Michigan

AGENCY: Federal Communications Commission.

ACTION: Proposed rule; dismissal.

SUMMARY: The Audio Division dismisses the petition for rulemaking filed by N Content Marketing, LLC (Petitioner), proposing to amend the FM Table of Allotments, by allotting Channel 246C2 at Gaylord, Michigan. Petitioner did not file comments expressing a continuing interest in the proposed Gaylord allotment. It is the Commission’s policy to refrain from making an allotment to a community absent an expression of interest. Roy E. Henderson and Great Northern Broadcasting, Inc., jointly (Joint Counterproposal), as well as Smile FM, separately, submitted counterproposals. The Joint Counterproposal is dismissed and Smile FM is given the opportunity to file its counterproposal as a petition for rulemaking within 60 days for consideration in a new proceeding. We will not allot Channel 246C2 at Gaylord, Michigan.

DATES: This document was released on November 9, 2017.

ADDRESSES: Federal Communications Commission, 445 12th Street SW, Washington, DC 20554.

ACTION: Notice of 12-month petition findings.

SUMMARY: We, the U.S. Fish and Wildlife Service (Service), announce 12-month findings on petitions to list a species as an endangered or threatened species and remove a species from the Federal Lists of Endangered and Threatened Wildlife and Plants (List or Lists) under the Endangered Species Act of 1973, as amended (Act). After a thorough review of the best available scientific and commercial information, we find that it is not warranted at this time to add the beaverpond marstonia to the Lists or remove the southwestern willow flycatcher from the List. However, we ask the public to submit to us at any time any new information that becomes available relevant to the status of either of the species listed above or their habitats.

DATES: The findings in this document were made on December 29, 2017.

ADDRESSES: Detailed descriptions of the basis for each of these findings are available on the internet at <http://www.regulations.gov> under the following docket numbers:
