any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act, as amended. The proposal does not raise any issues of intra-market competition because it applies to all options participants in the same manner.

C. Self-Regulatory Organization’s Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

No written comments were either solicited or received.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

Because the foregoing proposed rule change does not: (i) Significantly affect the protection of investors or the public interest; (ii) impose any significant burden on competition; and (iii) become operative for 30 days from the date on which it was filed, or such shorter time as the Commission may designate, it has become effective pursuant to Section 19(b)(3)(A)(iii) of the Act and subparagraph (f)(6) of Rule 19b–4 thereunder.

A proposed rule change filed under Rule 19b–4(f)(6)20 normally does not become operative for 30 days after the date of filing. However, Rule 19b–4(f)(6)(iii)21 permits the Commission to designate a shorter time if such action is consistent with the protection of investors and the public interest. The Exchange has requested a waiver of the 30-day operative delay so that the pilot may continue without interruption. The Commission believes that waiver of the 30-day operative delay is consistent with the protection of investors and the public interest because it will allow the pilot to continue uninterrupted, thereby avoiding any potential investor confusion that could result from a temporary interruption in the pilot and allowing members to continue to benefit from the program. Therefore, the Commission waives the 30-day operative delay and designates the proposed rule change operative upon filing.22

At any time within 60 days of the filing of the proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is: (i) Necessary or appropriate in the public interest; (ii) for the protection of investors; or (iii) otherwise in furtherance of the purposes of the Act. If the Commission takes such action, the Commission shall institute proceedings to determine whether the proposed rule should be approved or disapproved.

IV. Solicitation of Comments

Interested persons are invited to submit written data, views, and arguments concerning the foregoing, including whether the proposed rule change is consistent with the Act. Comments may be submitted by any of the following methods:

Electronic Comments
- Use the Commission’s Internet comment form (http://www.sec.gov/rules/sro.shtml); or
- Send an email to rule-comments@sec.gov. Please include File Number SR–Phlx–2017–01 on the subject line.

Paper Comments
- Send paper comments in triplicate to Secretary, Securities and Exchange Commission, 100 F Street NE., Washington, DC 20549–1090.
- Send any written communications relating to the proposed rule change to the Commission’s Internet Web site (http://www.sec.gov/rules/sro.shtml).
- Send a written statement to the Commission’s Public Reference Room, 100 F Street NE., Washington, DC 20549, on official business days between the hours of 10:00 a.m. and 3:00 p.m. Copies of the filing also will be available for inspection and copying at the principal office of the Exchange. All comments received will be posted without change; the Commission does not edit personal identifying information from submissions. You should submit only information that you wish to make available publicly. All submissions should refer to File Number SR–Phlx–2017–01 and should be submitted on or before February 9, 2017.

For the Commission, by the Division of Trading and Markets, pursuant to delegated authority.23

SECURITIES AND EXCHANGE COMMISSION

Self-Regulatory Organizations;
Chicago Stock Exchange, Inc.; Order Instituting Proceedings To Determine Whether To Approve or Disapprove a Proposed Rule Change in Connection With the Proposed Transaction Involving CHX Holdings, Inc. and North America Casin Holdings, Inc.

January 12, 2017.

I. Introduction

On December 2, 2016, the Chicago Stock Exchange, Inc. (“CHX” or “Exchange”) filed with the Securities and Exchange Commission (“Commission”), pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 (“Act”)1 and Rule 19b–4 thereunder, a proposed rule change in connection with the proposed transaction (“Transaction”) involving CHX Holdings, Inc. (“CHX Holdings”) and North America Casin Holdings, Inc. (“N.A. Casin Holdings”). The proposed rule change was published for comment in the Federal Register on December 12, 2016.3 The Commission received five comment letters on the proposed rule change4 and two letters from the

Exchange in response to certain comments.\(^5\) This order institutes proceedings under Section 19(b)(2)(B) of the Exchange Act\(^6\) to determine whether to approve or disapprove the proposed rule change.

II. Summary of the Proposal

The Exchange is a wholly-owned subsidiary of CHX Holdings. According to the Exchange, CHX Holdings is currently beneficially owned by 193 firms or individuals, including Exchange Participants or affiliates of Exchange Participants.\(^7\) Under the terms of the Transaction, CHX Holdings would become a wholly-owned subsidiary of N.A. Casin Holdings. According to the Exchange, current CHX Holdings stockholders would receive holdings stockholders would receive according to the Exchange, current CHX Holdings stockholders would receive.

According to the Exchange, current CHX Holdings stockholders would receive

The Exchange represents that all of the outstanding and issued shares of N.A. Casin Holdings would be held by the following firms and individuals (the “upstream owners”) in the following percentages:

- **Non-U.S. Upstream Owners:**
  - N.A. Casin Group, Inc. (“N.A. Casin Group”), a corporation incorporated under the laws of the State of Delaware and wholly-owned by Chongqing Casin Enterprise Group (“Chongqing Casin”)—20%.
  - Chongqing Jintian Industrial Co., Ltd., a corporation incorporated under the laws of the People’s Republic of China—15%.
  - Chongqing Longshang Decoration Co., Ltd., a corporation incorporated under the laws of the People’s Republic of China—14.5%.
- **U.S. Upstream Owners:**
  - Castle YAC Enterprises, LLC (“Castle YAC”), a limited liability company organized under the laws of the State of New York, the sole member of which is Jay Lu,\(^9\) a U.S. citizen and Vice President of N.A. Casin Group—19%.
  - Raptor Holdco LLC (“Raptor”), a limited liability company organized under the laws of the State of Delaware—11.75%.
  - Saliba Ventures Holdings, LLC (“Saliba”), a limited liability company organized under the laws of the State of Illinois—11.75%.
  - Xian Tong Enterprises, Inc., a corporation incorporated under the laws of the State of New York—6.94%.
  - Equity incentive shares to five members of the CHX Holdings management team, all U.S. citizens—0.88%.
  - Cheevers & Co., Inc., a corporation incorporated under the laws of the State of Illinois—0.18%.

Following the closing of the Transaction, CHX would remain registered as a national securities exchange under Section 6 of the Act\(^12\) and a self-regulatory organization (“SRO”) as defined in Section 3(a)(26) of the Act.\(^13\) According to the Exchange, CHX rules would remain in full force and effect as of the date of the proposed rule filing, would continue to govern the activities of CHX up to and after the closing of the Transaction, and CHX would continue to discharge its SRO responsibilities pursuant to CHX’s registration under Section 6 of the Act.\(^14\) In addition, the Exchange states that following the closing, CHX’s affiliated routing broker, CHXBD, would remain a Delaware limited liability corporation of which CHX Holdings would remain the sole member.

In order to facilitate the Transaction, the Exchange is proposing to amend its certificate of incorporation and bylaws,\(^15\) the certificate of incorporation and bylaws of CHX Holdings,\(^16\) and its rules.\(^17\) CHX has also filed the following documents in connection with the Transaction:

(i) The certificate of incorporation and bylaws of N.A. Casin Holdings;\(^18\)
(ii) text of a proposed resolution of the CHX Holdings Board of Directors to waive certain ownership and voting limitations to permit the Transaction;\(^19\)
(iii) the proposed N.A. Casin Holdings Stockholders Agreement,\(^20\) which includes transfer-of-share provisions for the upstream owners that provide a right of first offer, a right to acquire interest upon change of control, and a right to purchase new securities; (iv) proposed put agreements between Saliba, N.A. Casin Group, and N.A. Casin Holdings,\(^21\) and Raptor, N.A. Casin Group, and N.A. Casin Holdings,\(^22\) respectively, which would grant Saliba and Raptor the right to compel N.A. Casin Holdings to purchase or arrange for an unspecified third-party to purchase a specified amount of Saliba’s or Raptor’s equity interest in N.A. Casin Holdings, respectively.

The Exchange proposes several substantive and technical amendments to its corporate governance documents, rules, and the governing documents of CHX Holdings. The amendments include revised provisions addressing, among other items, board and committee composition and procedures, procedures regarding stockholder meetings, consent to U.S. and Commission jurisdiction, and Commission access to corporate books and records.

The proposed amendments also would revise provisions in the certificate of incorporation of CHX Holdings relating to ownership and voting limitations. Additionally, the proposed certificate of incorporation of N.A. Casin Holdings would contain identical ownership concentration and voting limitations and other provisions substantially similar to those contained in the CHX Holdings documents, which would apply directly to the upstream owners.\(^23\) These provisions specify that no person, either alone or with its Related Persons,\(^24\) shall be permitted at  

\(12\) See Exhibit 5H. See infra note 23.

\(13\) See Exhibit 5I. See infra note 23.

\(14\) See Exhibit 5J.

\(15\) See Exhibit 5K.

\(16\) The current CHX Holdings Certificate contains ownership concentration and voting concentration limitations that are similar to those being proposed by the Exchange. In order to effect the Transaction, the CHX Holdings Board of Directors has waived the applicability of those limitations so that CHX Holdings can become a wholly owned subsidiary of N.A. Casin Holdings. See Exhibit 5H.

\(17\) As set forth in the proposed certificates of incorporation of N.A. Casin Holdings and CHX Holdings, the term “Related Persons” shall mean: “(i) with respect to any Person, any executive officer (as such term is defined in Rule 12b-2 under the Securities Exchange Act of 1934 (“Exchange Act”)) director, general partner, manager or managing member, as applicable, and all ‘affiliates’ and ‘associates’ of such Person (as those terms are defined in Rule 12b-2 under the Exchange Act), and other Person(s) whose beneficial ownership of shares of stock of the Corporation with the power to vote on any matter related to the Corporation shall be deemed to be a Related Person in each case to the extent that the election of such Person would be prohibited by, or would in any manner affect compliance with, any provision of the Exchange Act or the rules thereunder.”
any time to own beneficially shares of stock of CHX Holdings or N.A. Casin Holdings representing in the aggregate more than 40% of the then outstanding stock of the Corporation or any of its parents or subsidiaries. Therefore, unless specific procedures are followed prior to acquiring shares in excess of the ownership limitation. Furthermore, as proposed, no Exchange Participant, either alone or with its Related Persons, shall be permitted at any time to own beneficially shares of stock of CHX Holdings or N.A. Casin Holdings representing in the aggregate more than 20% of the then outstanding votes entitled to be cast on any matter. In addition, no person that is subject to any statutory disqualification as defined in Section 3(a)(39) of the Exchange Act shall be permitted at any time to own beneficially, either alone or with its Related Persons, shares of stock of CHX Holdings or N.A. Casin Holdings representing in the aggregate more than 20% of the then outstanding votes entitled to be cast on any matter. CHX also proposes cure provisions that would require CHX Holdings or N.A. Casin Holdings, as applicable, to call shares held in excess of these ownership limitations and to not register any shares transferred in violation of these ownership limitations.

Additionally, both the certificates of incorporation of CHX Holdings and N.A. Casin Holdings would preclude any stockholder, either alone or with its Related Persons, from voting more than 20% of the then outstanding shares entitled to be cast on any matter unless specific procedures are followed prior to voting in excess of the limitation. Similarly, no person, either alone or with its Related Persons, would be permitted to enter into an agreement, plan, or other arrangement that would result in an aggregate of more than 20% of the then outstanding votes entitled to be cast on a matter to not to be voted unless specific procedures are followed prior to entering into such an agreement, plan, or arrangement in violation. The certificates of incorporation would require that CHX Holdings or N.A. Casin Holdings, as applicable, disregard any votes cast in excess of the voting limitations.

III. Summary of the Comments

The Commission received four comments regarding the proposed rule change. The Commission also received one comment letter stating that, contrary to what the Ciccarelli Letter stated, the Ciccarelli Letter was not submitted by or on behalf of the Global Investigative Journalism Network. The Exchange submitted a letter responding to the comments generally and a letter responding to the Ciccarelli Letter.

In general, three of the commenters express concern over the proposed upstream ownership of CHX. One commenter questions whether the Chinese government may influence Chongqing Casin, stating that Chongqing Casin is involved in a number of Chinese market sectors that require close ties to the state, particularly in state-sensitive environmental protection areas, that its financial assets were originally state-controlled, and that its chairman sits on an industry council overseen directly by the mayor of the Chongqing Municipality. The commenter states that, in particular, Chinese ownership or involvement presents risks as Chinese government-sponsored cyber-attacks have been conducted to devalue foreign businesses and steal intellectual property and proprietary data. This commenter asserts that the United States government has been unable to adequately address transparency concerns with regard to the operations of Chinese businesses. In its first response to comments, CHX affirms that no prospective investor controls, or is controlled by, or is under common control with, a governmental entity or any political subdivision thereof, including the Chinese government.

Another commenter argues that due to jurisdiction limitations and transparency concerns, the Commission cannot exercise proper regulatory oversight under the current proposal. In response, CHX states that it believes that its rules are consistent with the requirements of the Exchange Act, and that the CHX rules and Exchange Act contain various provisions that would facilitate the ability of U.S. regulators, including the Commission, to monitor, compel and enforce compliance by each of the upstream owners, particularly in that upstream owners would be required to adhere to the ownership and voting limitations; submit to U.S. regulatory jurisdiction and maintain agents in the U.S. for the service of process; maintain open books and records related to their ownership of CHX and keep such books and records in the U.S.; and refrain from interfering with, and give due consideration to, the SRO function of CHX. CHX also asserts that, pursuant to the Exchange Act, the Exchange is subject to direct and rigorous oversight by the Commission, which includes, among other things, frequent examinations of various aspects of CHX operations by Commission staff, including security and trading protocols, as well as Commission approval of certain regulatory, operational, and strategic initiatives prior to implementation by CHX.

This commenter also questions the identity of the proposed upstream owners other than Castle YAC and N.A. Casin Group. The commenter asserts that contrary to CHX’s representation that there are no Related Persons among the proposed upstream owners, a close tie between CHX and the Chinese government may exist. The commenter concludes that after the proposed transaction, approximately 99% of the voting stock in CHX would be controlled by Chinese entities or affiliated shell nominees. In response, CHX asserts that 50.5% of CHX will be indirectly owned by U.S. citizens, and

that it has not misrepresented any facts regarding the Transaction.\textsuperscript{47} CHX reaffirms the representations that it made in the Notice that the only Related Persons among the prospective owners are Castle YAC and N.A. Casin Group, there are no other Related Persons among the prospective owners, and that none of the prospective owners directly, or indirectly through one or more intermediaries, controls, or is controlled by, or is under common control with, a governmental entity or subdivision thereof.\textsuperscript{48} CHX notes that each of these representations is supported by an opinion of counsel provided to the Commission by outside counsel for CHX.\textsuperscript{49} CHX asserts that, as described in the Notice, Xian Tong Enterprises, Inc. and Castle YAC are controlled by U.S. citizens, Quiling Luo and Jay Lu, respectively.\textsuperscript{50} CHX also states that under the terms of the Saliba and Raptor put agreements, N.A. Casin Holdings could not compel Saliba or Raptor to exercise their put options, and that in the event that either the Saliba or Raptor put agreement is exercised, the CHX rules would require the resulting ownership structure to comport with the ownership and voting limitations.\textsuperscript{51} In addition, CHX states that it “provided [the Committee for Foreign Investment in the United States (“CFIUS”)] with detailed information regarding the prospective owners, which recently concluded its investigation into the proposed Transaction and found no unresolved national security concerns.”\textsuperscript{52} This commenter also asserts that there are few or no controls in place at the upstream corporate ownership level that would prevent the upstream owners from transferring their voting power in CHX to what the commenter opines could be more opaque owners, including those that involve the Chinese government.\textsuperscript{53} In response, CHX represents that no prospective owner and its Related Persons would maintain an equity interest in N.A. Casin Holdings in excess of the 40% ownership limitation, and that the prospective owner and its Related Persons would be permitted to exercise voting power in excess of the 20% voting limitation.\textsuperscript{54} CHX also responds that the proposed governance documents for N.A. Casin Holdings and CHX Holdings provide robust enforcement mechanisms for the ownership and voting limitations, and that the CHX board’s composition would be required to meet certain independence requirements.\textsuperscript{55} As described above, CHX notes that the CHX rules and Exchange Act contain various provisions that would facilitate the ability of U.S. regulators, including the Commission, to monitor, compel and enforce compliance by each of the upstream owners.\textsuperscript{56} CHX states that in the event that a prospective owner does not comply with the ownership or voting limitations, the proposed governance documents enable the relevant holding companies to cure non-compliance.\textsuperscript{57} Two commenters assert that the proposed acquisition may present financial security risks to investors and the U.S. marketplace.\textsuperscript{58} One of these commenters raises concerns that a bad actor with access to a national stock exchange’s data could use information available through brokerage records and the Consolidated Audit Trail to engage in spear phishing, blackmail attempts, and other similar attacks.\textsuperscript{59} In its response, CHX states that CFIUS investigated the Transaction and “CFIUS determined that there were no unresolved national security concerns with respect to the [proposed Transaction]. . . .”\textsuperscript{60}

Finally, three commenters express concern regarding the length of the comment period and the timing of the filing over the holiday season.\textsuperscript{61} Two of the commenters request that the Commission extend the comment period.\textsuperscript{62} In response, CHX states that it has been in regular contact with the Commission’s staff since the merger agreement was executed, and that the timing of the filing was not intended to circumvent thorough Commission review of the proposed rule change.\textsuperscript{63}

SECURITIES AND EXCHANGE COMMISSION

Self-Regulatory Organizations;
Chicago Board Options Exchange, Incorporated; Notice of Designation of a Longer Period for Commission Action on a Proposed Rule Change, as Modified by Amendment No. 1, To Amend CBOE Rule 6.53C

January 12, 2017.

On November 17, 2016, Chicago Board Options Exchange, Incorporated (“CBOE” or “Exchange”) filed with the Securities and Exchange Commission (“Commission”), pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 (“Act”)1 and Rule 19b–4 thereunder,2 a proposed rule change to amend CBOE Rule 6.53C to allow complex orders in Hybrid 3.0 classes consisting of series in the group authorized for trading on the Hybrid 3.0 Platform and series in the group authorized for trading on the Hybrid Trading System to be executed electronically. The proposed rule change was published for comment in the Federal Register on December 2, 2016.3 On December 30, 2016, CBOE filed Amendment No. 1 to the proposal. The Commission has received no comments regarding the proposed rule change.

Section 19(b)(2) of the Act4 provides that, within 45 days of the publication of notice of the filing of a proposed rule change, or within such longer period up to 90 days as the Commission may designate if it finds such longer period to be appropriate and publishes its reasons for so finding or as to which the self-regulatory organization consents, the Commission shall either approve the proposed rule change, disapprove the proposed rule change, or institute proceedings to determine whether the proposed rule change should be disapproved. The 45th day after publication of the notice for this proposed rule change is January 16, 2017.

The Commission is extending the 45-day time period for Commission action on the proposed rule change. The Commission finds that it is appropriate to designate a longer period within which to take action on the proposed rule change so that it has sufficient time to consider and take action on the proposed rule change, as modified by Amendment No. 1. Accordingly, pursuant to Section 19(b)(2)(A)(i)(I) of the Act,5 the Commission designates March 2, 2017, as the date by which the Commission should either approve or disapprove, or institute proceedings to determine whether to disapprove, the proposed rule change (File Number SR–CBOE–2016–080), as modified by Amendment No. 1.

For the Commission, by the Division of Trading and Markets, pursuant to delegated authority.6
