(b) No identifiable record requested in accordance with the procedures contained in this part shall be withheld from disclosure unless it falls within one of the classes of records exempt under 5 U.S.C. 552(b). The Commission will make available, to the extent permitted by law, records authorized to be withheld under 5 U.S.C. 552(b) unless the Commission reasonably foresees that disclosure would harm an interest protected by the exemption or disclosure is prohibited by law or otherwise exempted from disclosure under 5 U.S.C. 552(b)(2). In this regard the Commission will not ordinarily release documents that provide legal advice to the Commission concerning pending or prospective litigation where the release of such documents would significantly interfere with the Commission’s regulatory or enforcement proceedings.

(c) Draft documents that are agency records are subject to release upon request in accordance with this regulation. However, in order to avoid any misunderstanding of the preliminary nature of a draft document, each draft document released will be marked to indicate its tentative nature. Similarly, staff briefing packages, which have been completed but not yet transmitted to the Commission by the Office of the Secretariat are subject to release upon request in accordance with this regulation. Each briefing package or portion thereof released will be marked to indicate that it has not been transmitted to or acted upon by the Commission. In addition, briefing packages, or portions thereof, which the Secretariat upon the advice of the Office of the General Counsel has determined would be released upon request in accordance with this regulation, will be made available for public inspection in an electronic format through the Commission’s Web site at https://www.cpsc.gov promptly after the briefing package has been transmitted to the Commissioners by the Office of the Secretariat. Such packages will be marked to indicate that they have not been acted upon by the Commission. * * * * *

§ 1015.20 Public availability of accident or investigation reports.
■ 15. Amend § 1015.20, by removing the period and the words “No portion of” from the first and second sentence of paragraph (a), and adding, in its place, “unless” and “s” to the word “report” to read as follows:

(a) Accident or investigation reports made by an officer, employee, or agent of the Commission are available to the public under the procedures set forth in subpart A of this part 1015 unless such reports are subject to the investigatory file exemption contained in the Freedom of Information Act (as restated in § 1015.16) except that portions identifying any injured person or any person treating such injured person will be deleted in accordance with section 25(c)(1) of the CPSA. * * * *

DEPARTMENT OF THE TREASURY
31 CFR Part 40
RIN 1505–AC54
Nondiscrimination on the Basis of Disability in Programs or Activities Receiving Federal Financial Assistance From the Department of the Treasury

AGENCY: Department of the Treasury.

ACTION: Notice of proposed rulemaking.

SUMMARY: This proposed rule would set out the Department of the Treasury (Treasury) rules for implementing section 504 of the Rehabilitation Act of 1973, as amended (section 504), for Treasury’s programs offering Federal financial assistance. Section 504 prohibits discrimination on the basis of disability in programs or activities receiving Federal financial assistance. Section 504 and the section 504 coordination regulation (coordination regulation) require that all agencies that extend Federal financial assistance issue agency-specific regulations implementing section 504. Treasury recipients have been subject to section 504 since its effective date in 1973. Accordingly, today’s proposed rule would not substantially change the existing duty of recipients of financial assistance from Treasury to refrain from discrimination on the basis of disability. This proposed rule fulfills the obligation of Treasury to issue agency-specific rules under the law, clarifies the responsibilities of recipients of financial assistance from Treasury under section 504, and describes the Treasury investigation and enforcement procedures to ensure compliance. The proposed regulation is consistent with the ADA Amendments Act of 2008 (ADA Amendments Act), which amended section 504.

DATES: Comments must be received on or before March 6, 2017.

ADDRESSES: Members of the public are invited to submit comments on all aspects of this proposed rule. Comments on this proposed rule should be sent to Mariam G. Harvey, Director, Office of Civil Rights and Diversity (OCRD), Department of Treasury, 1500 Pennsylvania Avenue NW., Washington, DC 20220. Comments may be submitted through www.regulations.gov. The Department encourages electronic submission of comments via www.regulations.gov. Brief comments (maximum five pages) may be submitted by facsimile machine (FAX) to (202) 622–0367. Receipt of submissions, whether online, by mail or FAX transmitted, will not be acknowledged; however, the sender may request confirmation that a submission has been received by telephoning OCRD at (202) 622–1160 (VOICE) or (202) 622–7104 (TTY/TDD).

In general, comments received will be posted to Regulations.gov without change, including any business or personal information provided. Please submit only information appropriate for public disclosure. Copies of this proposed rule in the alternative formats of large print and electronic file on computer disk are available upon request. To obtain the proposed rule in an alternative format, contact OCRD at the telephone and address listed above.

SUPPLEMENTARY INFORMATION:
I. Background

This proposed rule implements section 504 of the Rehabilitation Act of 1973 (29 U.S.C. 794), as amended, which provides that no otherwise qualified individual with a disability in the United States shall, “solely by reason of his or her disability, be excluded from the participation in, be denied the benefits of, or be subjected to discrimination under any program or activity receiving Federal financial assistance or under any program or activity conducted by any Executive agency . . . .” Here, the Department of the Treasury will be issuing section 504 federal financial assistance regulations for the first time. This proposed rule has been reviewed by DOJ in the exercise of its section 504 coordination authority under Executive Order 12250.

II. Overview of Proposed Rule

This proposed rule is designed to fulfill Treasury’s statutory and regulatory obligations to issue regulations implementing the federal financial assistance requirements of section 504 that conform to and are consistent with the coordination regulation found at 28 CFR part 41. Treasury, as described below, is proposing language to set forth the 504 requirements for recipients of federal financial assistance that include addressing circumstances unique to Treasury or current applicable statutory requirements. The proposed rule sets forth section 504’s prohibitions on discrimination based on disability in programs or activities receiving financial assistance from Treasury. It also elaborates on investigation, conciliation, and enforcement procedures. It clarifies that Treasury enforcement would be conducted by the Office of Civil Rights and Diversity (OCRD), part of the Office of the Assistant Secretary for Management. OCRD enforces all civil rights laws applicable to entities receiving financial assistance from Treasury. Treasury invites public comment on all aspects of this proposed rule and will take those comments into account before publishing a final rule.

Summary of Key Provisions

Subpart A—General

Subpart A provides the proposed rule’s purpose, application, definitions, and enforcement mechanisms. The purpose of the proposed rule is to effectuate section 504 of the Rehabilitation Act of 1973 to prohibit discrimination based on the basis of disability in programs or activities that receive financial assistance from the Department of the Treasury. These regulations will apply to all programs or activities that receive financial assistance from Treasury, such as awardees and grantees under various Community Development Financial Institution Fund programs and recipients of Treasury’s Volunteer Income Tax Assistance Program.

Treasury has proposed incorporating by reference DOJ’s updated regulation on the ADA Amendments Act regarding the definition of disability (see 28 CFR 35.108). The ADA Amendments Act of 2008 (the ADA Amendments Act or the Act) was signed into law on September 25, 2008, with a statutory effective date of January 1, 2009. Public Law 110–325, sec. 8, 122 Stat. 3553, 2559 (2008). The Act made important changes to the meaning and interpretation of the ADA definition of the term “disability” in order to effectuate the intent of Congress to restore the broad scope of the ADA by making it easier for an individual to establish that he or she has a disability within the meaning of the statute. The ADA Amendments Act also amended the Rehabilitation Act of 1973 to conform the section 504 definition of disability, at 29 U.S.C. 705(20)(B), to the ADA. Incorporating the changes to the meaning and interpretation of the definition of disability introduced by the ADA Amendments Act will promote greater consistency among federal agencies’ section 504 regulations and reduce the potential for confusion for entities that are covered by section 504 and titles II (nondiscrimination in state or local government services) or III (nondiscrimination by public accommodations and commercial facilities) of the ADA. In addition, the proposed rule incorporates DOJ’s Appendix which provides extensive guidance interpreting the definition of disability.

Treasury also incorporates a definition for auxiliary aids and services that is consistent with the ADA title II requirements for effective communication and includes updated examples of auxiliary aids and services from the DOJ title II regulations at 28 CFR part 35. Treasury’s definitions are intended to promote more clarity and consistency with current applicable law and regulations.

Treasury proposes a substantive non-discrimination provision in §40.4 to include requirements for recipient provision of effective communication with applicants, beneficiaries, members of the public, and companions with disabilities. This is consistent with the current application of section 504 and the DOJ title II regulations.

Subpart A also includes a provision, at § 40.4(f), requiring recipients to provide reasonable accommodations by making changes to policies, practices or procedures when necessary to avoid discrimination on the basis of disability, unless the covered entity can show that the accommodations would result in a fundamental alteration in the nature of its service, program, or activity or impose undue financial and administrative burdens. The obligation to modify policies, practices or procedures was first enunciated by the Supreme Court in Southeastern Community College v. Davis, 442 U.S. 397 (1979), which held that while section 504 prohibits the exclusion of an otherwise qualified individual with a disability from participation in a federally funded program solely by reason of the individual’s disability, that person is not protected by section 504 if, in order to meet reasonable eligibility standards, the person needs program or policy modifications that would fundamentally alter the nature of the provider’s program. Because the Davis Court analyzed the case in terms of the proper interpretation of the statutory term “otherwise qualified,” agency section 504 regulations promulgated immediately after Davis addressed the obligation to provide reasonable accommodations outside of the employment arena by defining “qualified handicapped person,” as one who meets the essential eligibility requirements of the program and who can achieve the purpose of the program or activity without modifications in the program or activity, the agency can demonstrate would result in a fundamental alteration in its nature. See, e.g., 28 CFR 39.103 (the Department of Justice’s section 504 federally conducted regulation).

Subsequently, in Alexander v. Choate, 469 U.S. 287 (1985), which addressed a section 504 challenge to a state policy reducing the annual number of days of inpatient hospital care covered by the state’s Medicaid program, the Supreme Court implicitly acknowledged that the obligation to provide reasonable accommodations could be considered as an affirmative obligation, noting, “the question of who is ‘otherwise qualified’ and what actions constitute ‘discrimination’ under the section would seem to be two sides of a single coin; the ultimate question is the extent to which a grantee is required to make reasonable modifications [accommodations] in its programs for the needs of the handicapped.” Alexander, 469 U.S. at 300 n.19. Alexander also introduced the concept of undue financial and
the reasonable accommodation obligation. In responding to the petitioners’ contention that any
durational limitation on inpatient coverage in a state Medicaid plan is a
violation of section 504, the court stated
“[i]t should be obvious that the
administrative costs of implementing
such a regime would be well beyond the accommodations that are required under
Davis.” Alexander, 469 U.S. at 308.
In the past decades, in keeping with
these Supreme Court decisions, federal
courts and federal agencies have
regularly acknowledged federal
agencies’ affirmative obligation to
ensure that recipients provide qualified
individuals with disabilities reasonable
accommodations in programs and
activities unless the recipient can
demonstrate that making these
accommodations would fundamentally
alter the program or activity or result in an
undue financial and administrative
burden. However, traditionally,
agencies’ section 504 regulations have
lacked a specific provision
implementing this requirement outside
of the employment arena. The proposed
incorporation of a reasonable
accommodation provision is meant to
fill this gap. The proposed rule also
includes a prohibition on associational
discrimination, at § 40.4(k), to ensure
that persons who have a relationship
with or are otherwise associated with
individuals with disabilities are
protected from discrimination.
This proposed rule contains
requirements that recipients of Treasury
assistance submit assurance of
compliance with these regulations at
§ 40.5; that recipients with more than 50
employees designate at least one person
to coordinate compliance with these
regulations at § 40.6; and that recipients
with more than 50 employees take
appropriate initial and continuing steps
to notify participants, beneficiaries,
applicants and employees that they do
not discriminate on the basis of
disability in violation of section 504 and
these regulations at § 40.7.
Consistent with the requirements in
the section 504 coordination regulation,
§ 40.8 of this proposed rule requires
recipients to conduct self-evaluations,
with the assistance of interested
persons, including individuals with
disabilities, of their compliance with
section 504 within one year of the
effective date of this regulation.
Treasury recognizes the value of a self-
evaluation process to obtain meaningful
feedback from the community affected
by this regulation and to promote
effective and efficient implementation
of section 504.
Subpart B—Employment Practices
Subpart B applies section 504’s
prohibition of discrimination on the
basis of disability as it relates to the
employment practices of recipients of
Treasury financial assistance and
recipient relationships with third
parties. In particular, this regulation
conforms to the Rehabilitation Act
Amendments of 1992 (Pub. L. 102–569,
sec. 506), which amended the
Rehabilitation Act to make the same
employment standards set forth in title
I of the ADA apply to employment
discrimination under section 504. The
proposed rule references the standards
applied under title I of the ADA of 1990
(42 U.S.C. 12111 et seq.), and the Equal
Employment Opportunity Commission’s
ADA title I regulation at 29 CFR 1630,
as amended.
Subpart C—Program Accessibility
Subpart C applies section 504’s
prohibition of discrimination on the
basis of disability as it relates to both
existing facilities and newly-constructed
facilities of recipients of financial
assistance from Treasury. Recipients of
financial assistance from Treasury must
operate each service, program or activity
so that the service, program, or activity,
when viewed in its entirety, is readily
accessible to and usable by individuals
with disabilities. The Department has
included a safe harbor for recipients
who have not altered existing facilities
on or after the effective date of this rule
and that comply with the corresponding
technical and scoping specifications for
those elements in the Uniform Federal
Accessibility Standards (UFAS),
Appendix A to 41 CFR part 101–19.6, 49
facilities are not required to be modified
to be brought into compliance with the
requirements set forth in the 2010 ADA
Standards for Accessible Design (the
2004 ADAAG (the requirements set
forth in appendices B and D to 36 CFR
part 1191 (2009)), and the requirements
contained in 28 CFR 35.151). This will
likely apply to recipients who
previously complied with UFAS on
their own or because of other regulatory
requirements, such as titles II or III of
the ADA.
If construction of a recipient’s facility
commences after the effective date of
this regulation, the facility must be
designed and constructed so that it is
readily accessible to and usable by
persons with disabilities. Generally,
new construction and alterations by
recipients that are private entities in
which the last application for a building
permit or permit extension is certified to
be complete one year after publication
of this rule as final in the Federal
Register or if no permit is required, if
the start of physical construction is one
year from the publication of the final
rule, must comply with the 2010
Standards as defined in this rule. New
construction and alterations by
recipients that are public entities that
commence one year after the
publication of this rule as final in the
Federal Register must comply with the
2010 Standards.
Subparts D and E—Compliance,
Investigations and Procedure for
Effecting Compliance; and Hearings and
Decisions
As required by section 504, Subparts
D and E describe procedures for
complaint processing, compliance,
investigations, and enforcement
consistent with the remedies,
procedures and rights set forth in Title
VI of the Civil Rights Act of 1964 (42.
III. Procedural Determinations
Executive Order 12067
The Equal Employment Opportunity
Commission has reviewed this proposed
rule pursuant to Executive Order 12067.
Executive Order 12866
This regulatory action is not a
“significant regulatory action” under
Executive Order 12866, “Regulatory
Planning and Review,” 58 FR 51735
(October 4, 1993). Accordingly, this rule
is not subject to review under the
Executive Order by the Office of
Information and Regulatory Affairs
within the Office of Management and
Budget.
Executive Order 13175
In accordance with Executive Order
13175, we have evaluated the potential
effects of this rule on federally-
recognized Indian tribes and have
determined that the rule does not have
substantial direct effects on one or more
Indian tribes, on the relationship
between the federal government and
Indian tribes, or on the distribution of
power and responsibilities between the
Federal government and Indian tribes.
Unfunded Mandates Reform Act of 1995
The Department certifies that no
actions were deemed necessary under the
Unfunded Mandates Reform Act of
1995. Furthermore, these regulations
will not result in the expenditure by
state, local, and tribal governments, in
the aggregate, or by the private sector, of
$100,000,000 or more in any one year,
and they will not significantly or
uniquely affect small governments.
The Regulatory Flexibility Act

The Department, in accordance with the Regulatory Flexibility Act, 5 U.S.C. 601 et seq., has reviewed these regulations and certifies that these regulations will not have a significant economic impact on a substantial number of small entities. This certification is based on the fact that recipients of federal financial assistance have been subject to section 504 and the coordination regulation since their effective date in 1973. Accordingly, this proposed rule would not substantially change the existing duty of recipients of financial assistance from Treasury to refrain from discrimination on the basis of disability. This proposed rule would merely fulfill the obligation of the Department to issue agency-specific rules under the law; the rule clarifies the responsibilities of recipients of financial assistance from Treasury under section 504 and describes the Department’s investigation and enforcement procedures to ensure compliance. In particular, this rule codifies requirements for a transition plan and self-evaluation as outlined in the coordination regulation (28 CFR part 41). The transition plan and self-evaluation demonstrate an entity’s compliance with section 504 and are anticipated to have minimal economic burden. Further, the rule likely would apply only to entities receiving federal financial assistance from the Department, which likely would only include a small number of entities in each industry and therefore would not be expected have an impact on a substantial number of small entities in any industry.

Notwithstanding this certification, the Department welcomes comments on the impacts of this rule on small entities. Executive Order 13132

These regulations will not have substantial direct effects on the states, on the relationship between the national government and the states, or on the distribution of power and responsibilities among the various levels of government. Therefore, in accordance with section 6 of Executive Order 13132, the Department has determined that this rule does not have sufficient federalism implications to warrant the preparation of a federalism summary impact statement.

The information collections contained in this proposed rule will be submitted and approved by OMB in connection with information collections for the applicable programs listed below.

Subpart A—General Provisions

§ 40.1 Purpose, broad coverage, and effective date.

(a) Purpose. The purpose of this part is to implement section 504 of the Rehabilitation Act of 1973, as amended, which provides that no otherwise qualified individual with a disability in the United States shall solely by reason of his or her disability be excluded from the participation in, be denied the benefits of, or be subjected to discrimination under any program or activity receiving Federal financial assistance from the Department of the Treasury.

(b) Broad Coverage. Consistent with the purpose of the ADA Amendments Act of 2008 of reinstating a broad scope of protection under the Americans with Disabilities Act and section 504, the definition of “disability” applicable to this part shall be construed broadly in favor of expansive coverage. The primary object of attention in cases brought under this part should be whether entities covered under section 504 have complied with their obligations and whether discrimination has occurred, not whether the individual meets the definition of disability. The question of whether an individual meets the definition of disability should not demand extensive analysis.

(c) Effective date. This part is effective on [30 days after publication of the final rule].

§ 40.2 Applicability.

This part applies to all programs or activities that receive Federal financial assistance provided by the Department of the Treasury after the effective date of this part, whether or not the assistance was approved before the effective date and whether or not a recipient’s grant or award documents reference the obligation to comply with section 504.

§ 40.3 Definitions.

2010 Standards means the 2010 ADA Standards for Accessible Design, which consist of the 2004 ADAAG and the requirements contained in 28 CFR 35.151.

1. Qualified interpreters on-site or through video remote interpreting (VRI) services; note takers; real-time computer-aided transcription services; written materials; exchange of written notes; telephone handset amplifiers; assistive listening devices; assistive listening systems; telephones compatible with hearing aids; closed caption decoders; open and closed captioning, including real-time captioning; voice, text, and video-based telecommunications products and systems, including text telephones (TTYS), videophones, and captioned telephones, or equally effective telecommunications devices; videotext displays; accessible electronic and information technology; or other effective methods of making aurally delivered information available to individuals who are deaf or hard of hearing;

program or activity receiving assistance
subject to this part.

(b) Discriminatory actions prohibited.
(1) A recipient may not, in providing
any program or activity subject to this
part, discriminate on the basis of
disability, directly or through
contractual, licensing, or other
arrangements, on the basis of disability:

(i) Deny a qualified individual with a
disability the opportunity accorded

(ii) Afford a qualified individual with
a disability an opportunity to participate
in or benefit from the aid, benefit or

service that is not equal to that afforded to others;
(iii) Provide a qualified individual with a disability with an aid, benefit, or service that is not as effective in affording equal opportunity to obtain the same result, to gain the same benefit, or to reach the same level of achievement as that provided to others;
(iv) Deny a qualified individual with a disability an equal opportunity to participate in the program or activity by providing services to the program;
(v) Provide different or separate aids, benefits, or services to qualified individuals with disabilities or classes of qualified individuals with disabilities than is provided to others unless such action is necessary to provide qualified individuals with disabilities or classes of qualified individuals with disabilities with aids, benefits, or services that are as effective as that provided to others;
(vi) Deny a qualified individual with a disability an opportunity to participate as a member of a planning or advisory board;
(vii) Aid or perpetuate discrimination against a qualified individual with a disability by providing assistance to an agency, organization, or person that discriminates on the basis of disability in providing any aid, benefit, or service to beneficiaries of the recipient’s program;
(viii) Permit the participation in the program or activity of agencies, organizations or persons which discriminate against individuals with disabilities who are beneficiaries in the recipient’s program;
(ix) Intimidate or retaliate against any individual, with or without a disability, for the purpose of interfering with any right secured by section 504 or this part;
(x) Otherwise limit a qualified individual with a disability in the enjoyment of any right, privilege, advantage, or opportunity enjoyed by others receiving the aid, benefit, or service;
(2) A recipient may not deny a qualified individual with a disability the opportunity to participate in any programs or activities that are not separate or different, despite the existence of permissibly separate or different programs or activities.
(3) A recipient may not, directly or through contractual, licensing, or other arrangements, utilize criteria or methods of administration that:
(i) have the effect of subjecting qualified individuals with disabilities to discrimination on the basis of disability;
(ii) have the purpose or effect of defeating or substantially impairing the accomplishment of the objectives of the recipient’s program or activity with respect to individuals with disabilities; or,
(iii) perpetuate the discrimination of another recipient if both recipients are subject to common administrative control or are agencies of the same State.
(4) A recipient may not, in determining the site or a location of a facility, make selections—
(i) that have the purpose or effect of excluding individuals with disabilities from, denying them the benefits of, or otherwise subjecting them to discrimination on the basis of disability; or,
(ii) that have the purpose or effect of defeating or substantially impairing the accomplishment of the objectives of the program or activity with respect to individuals with disabilities.
(5) A recipient is prohibited from discriminating on the basis of disability in aid, benefits, or services in programs or activities operating without Federal financial assistance where such action would discriminate against individuals with disabilities who are beneficiaries or participants in any program or activity of the recipient receiving Federal financial assistance from this Department.
(6) An entity not otherwise receiving Federal financial assistance but using a facility provided with the aid of Federal financial assistance from this Department after the effective date of this part is prohibited from discriminating on the basis of disability.
(7) A recipient, in the selection of procurement contractors, may not use criteria that subject qualified individuals with disabilities to discrimination on the basis of disability.
(8) A recipient may not administer a licensing or certification program in a manner that subjects qualified individuals with disabilities to discrimination on the basis of disability, nor may a recipient establish requirements for the programs or activities of licensure or certified entities that subject qualified individuals with disabilities to discrimination on the basis of disability. The programs or activities of entities that are licensed or certified by a recipient are not, themselves, covered by this part unless those entities are also recipients of federal financial assistance from this Department.
(c) The exclusion of individuals without disabilities or specified classes of individuals with disabilities from aid, benefits, or services limited by Federal statute or executive order to individuals with disabilities is prohibited by this part.
(d) Nothing in this part prohibits a recipient from providing aid, benefits, or services to individuals with disabilities or to a particular class of individuals with disabilities beyond those required by this part.
(e) Integrated Setting. Recipients shall administer programs or activities in the most integrated setting appropriate to the needs of qualified individuals with disabilities.
(f) Nothing in this part shall be construed to require an individual with a disability to accept an accommodation, aid, service, opportunity, or benefit provided under section 504 or this part which such individual chooses not to accept.
(g) A recipient may not place a surcharge on a particular individual with a disability or any group of individuals with disabilities to cover the costs of measures, such as the provision of auxiliary aids, reasonable accommodations, or program accessibility, that are required to provide that individual or group with the nondiscriminatory treatment required by the Act or this part.
(h) Illegal Use of Drugs.
(1) General. Except as provided in subparagraph (3) of this section, this part does not prohibit discrimination against an individual based on that individual’s current use of illegal drugs.
(2) A recipient shall not discriminate on the basis of illegal use of drugs against an individual who is not engaging in current illegal use of drugs and who—
(i) Has successfully completed a supervised drug rehabilitation program or has otherwise been rehabilitated successfully;
(ii) Is participating in a supervised rehabilitation program; or
(iii) Is erroneously regarded as engaging in such use.
(3) Health and drug rehabilitation services.
(i) A recipient shall not deny health services, or services provided in connection with drug rehabilitation, to an individual on the basis of that individual’s current illegal use of drugs, if the individual is otherwise entitled to such services.
(ii) A drug rehabilitation or treatment program may deny participation to individuals who engage in illegal use of drugs while they are in the program.
(4) Drug testing.
(i) This part does not prohibit a recipient from adopting or administering reasonable policies or procedures, including but not limited to drug testing, designed to ensure that an individual who formerly engaged in the
illegal use of drugs is not now engaging in current illegal use of drugs.

(ii) Nothing in paragraph (4) of this section shall be construed to encourage, prohibit, restrict, or authorize the conducting of testing for the illegal use of drugs.

(i) Communications.

(A) In an emergency involving an imminent threat to the safety of others, a recipient shall not rely on an adult to interpret or facilitate communication, except in an emergency involving an imminent threat to the safety or welfare of an individual or the public where there is no interpreter available.

(B) Where the individual with a disability specifically requests that the accompanying adult interpret or facilitate communication, the accompanying adult agrees to provide such assistance, and reliance on that adult for such assistance is appropriate under the circumstances.

(iii) A recipient shall not rely on a minor child to interpret or facilitate communication, except in an emergency involving an imminent threat to the safety of others.

(iv) A recipient shall not require an individual to participate in or benefit from the services, programs, or activities to an individual because of the individual’s relationship or association with an individual with a known disability.

(j) Reasonable accommodations.

(1) A recipient shall make reasonable accommodations in policies, practices, or procedures when such accommodations are necessary to avoid discrimination on the basis of disability, unless the recipient can demonstrate that making the accommodations would fundamentally alter the nature of the service, program, or activity or result in an undue financial and administrative burden. For purposes of this section, the term reasonable accommodation shall be interpreted in a manner consistent with the term “reasonable modifications” as set forth in the Americans with Disabilities Act Title II regulation at 28 CFR 35.130(b)(7), and not as it is defined or interpreted for the purposes of employment discrimination under Title I of the ADA (42 U.S.C. 12111–12112) and its implementing regulation at 29 CFR part 1630.

(2) A recipient is not required to provide a reasonable accommodation to an individual who meets the definition of disability solely under the “regarded as” prong of the definition of disability at §40.3, definition of disability.

(k) Prohibition on associational discrimination. A recipient shall not exclude or otherwise deny aids, benefits, or services of its programs or activities to an individual because of that individual’s relationship or association with an individual with a known disability.

(l) Direct Threat. (1) This part does not require a recipient to permit an individual to participate in or benefit from the services, programs, or activities of that recipient when that individual poses a direct threat to the health or safety of others.
§ 40.5 Assurances required.

(a) Assurances. Either at the application stage or the award stage, an applicant for federal financial assistance to which this part applies shall submit an assurance that the program or activity will be operated in compliance with this part.

(b) Duration of obligation. (1) In the case where the Federal financial assistance is to provide or is in the form of personal property, real property or an interest therein or structures thereon, the assurance shall obligate the recipient, or, in the case of a subsequent transfer, the transferee, for the period during which the property is used for a purpose for which the Federal financial assistance is extended or for another purpose involving the provision of similar services or benefits, or for as long as the recipient retains ownership or possession of the property, whichever is longer. In all other cases the assurance shall obligate the recipient for the period during which federal financial assistance is extended to the program.

(2) In the case where Federal financial assistance is provided in the form of a transfer of real property, structures, or improvements thereon, or interest therein, from the Federal government, the instrument effecting or recording the transfer shall contain a covenant running with the land assuring nondiscrimination for the period during which the real property is used for a purpose for which the Federal financial assistance is extended or for another purpose involving the provision of similar services or benefits. Where no transfer of property or interest therein from the Federal government is involved, but property is acquired or improved with Federal financial assistance, the recipient shall agree to include such covenant in any subsequent transfer of such property. When the property is obtained from the Federal government, such covenant may also include a condition coupled with a right to be reserved by the Department to revert title to the property in the event of a breach of the covenant where, in the discretion of the designated agency official, such a condition and right of reverter is appropriate to the statute under which the real property is obtained and to the nature of the grant and the grante. In such event if a transferee of real property proposes to mortgage or otherwise encumber the real property as security for financing construction of new, or improvement of existing, facilities on such property for the purposes for which the property was transferred, the designated agency official may agree, upon request of the transferee and if necessary to accomplish such financing, and upon such conditions as the designated agency official deems appropriate, to subordinate such right of reversion to the lien of such mortgage or other encumbrance.

(c) Continuing Federal financial assistance. Every application by a state or a state agency for continuing Federal financial assistance to which this part applies shall as a condition to its approval and the extension of any Federal financial assistance pursuant to the application:

(1) Can be accompanied by, or be covered by a statement that the program is (or, in the case of a new program, will be) conducted in compliance with all requirements imposed by or pursuant to this part; and

(2) Provide, be accompanied by, or be covered by provision for such methods of administration for the program as are found by the designated agency official to give reasonable guarantee that the applicant and all recipients of Federal financial assistance under such program will comply with all requirements imposed by or pursuant to this part.

(d) Assurance from institutions. (1) In the case of any application for Federal financial assistance to an institution of higher education (including assistance for construction, for research, for special training projects, for student loans or for any other purpose), the assurance required by this section shall extend to admission practices and to all other practices relating to the treatment of students.

(2) The assurance required with respect to an institution of higher education, hospital, or any other institution, insofar as the assurance relates to the institution’s practices with respect to admission or other treatment of individuals as students, patients, or clients of the institution or to the opportunity to participate in the provision of services or other benefits to such individuals, shall be applicable to the entire institution.

(e) Form. (1) The assurances required by paragraph (a) of this section, which may be included as part of a document that addresses other assurances or obligations, shall include that the applicant or recipient will comply with all applicable Federal statutes relating to nondiscrimination. This includes but is not limited to: Section 504 of the Rehabilitation Act of 1973, as amended.

(2) The designated agency official will specify the extent to which such assurances will be required of the applicant’s or recipient’s subgrantees, contractors, subcontractors, transferees, or successors in interest. Any such assurance shall include provisions which give the United States a right to seek its judicial enforcement.

§ 40.6 Designation of responsible employee and adoption of grievance procedures.

(a) Designation of responsible employee. A recipient that employs fifty or more persons shall designate at least one person to coordinate compliance with this part.

(b) Adoption of grievance procedures. A recipient that employs fifty or more persons shall adopt grievance procedures that incorporate appropriate due process standards (e.g. adequate notice, fair hearing) and provide for the prompt and equitable resolution of complaints alleging any action prohibited by this part except that such procedures need not be established with respect to complaints from applicants for employment. Any individual may file a complaint with the Department without having first used the recipient’s grievance procedures.

(c) The Secretary may require any recipient with fewer than fifty employees to designate a responsible employee, comply with the requirements for providing notice of nondiscrimination, and adopt grievance procedures when the Secretary finds a violation of this part or finds that complying with these administrative requirements will not significantly impair the ability of the recipient to provide benefits or services.

§ 40.7 Notice of nondiscrimination and accessible services.

(a) A recipient employing fifty or more persons shall take appropriate
initial and continuing steps to notify participants, beneficiaries, applicants, and employees, including those who are blind or have low vision or deaf or hard of hearing, and unions or professional organizations holding collective bargaining or professional agreements with the recipient that it does not discriminate on the basis of disability in violation of section 504 and this part. The notification shall state, where appropriate, that the recipient does not discriminate in admission or access to, or participation in, or employment in, its programs or activities. The recipient shall also identify the responsible employee designated pursuant to §40.6(a), where to file section 504 complaints with the Department, and where applicable, with the recipient, and identify the existence and location of accessible services, activities, and facilities. A recipient shall make the initial notification required by this paragraph within 90 days of the effective date of this part. Methods of initial and continuing notification may include but are not limited to the posting of notices, placement of notices in the recipient’s publications, publication of notices on the recipient’s Web site, publication in newspapers or magazines, radio announcements, and the use of other visual and aural media.

(b) If a recipient publishes or uses recruitment materials or publications containing general information that it makes available to participants, beneficiaries, applicants or employees, it shall include in those materials or publications a statement of the policy described in paragraph (a) of this section. A recipient may meet the requirement of this paragraph either by including appropriate inserts in existing materials and publications or by revising and reprinting the materials and publications.

§40.8 Remedial action, voluntary action, and self-evaluation.

(a) Remedial action. (1) If the Secretary finds that a recipient has discriminated against individuals on the basis of disability in violation of section 504 or this part, the recipient shall take such remedial action as the Secretary deems necessary to overcome the effects of the discrimination.

(2) Where a recipient is found to have discriminated against individuals on the basis of disability in violation of section 504 or this part and where another recipient exercises control over the recipient that has discriminated, the Secretary, where appropriate, may require either or both recipients to take remedial action.

(3) The Secretary may, where necessary to overcome the effects of discrimination in violation of section 504 or this part, require a recipient to take remedial action:

(i) With respect to individuals with disabilities who are no longer participants in the recipient’s program or activity but who were participants in the program when such discrimination occurred;

(ii) With respect to individuals with disabilities who would have been participants in the program or activity had the discrimination not occurred, or;

(iii) With respect to individuals with disabilities presently in the program or activity, but not receiving full benefits or equal and integrated treatment within the program.

(b) Voluntary action. A recipient may take steps, in addition to any action that is required by this part, to increase the participation of qualified individuals with disabilities in the recipient’s program or activity.

(c) Self-evaluation. (1) A recipient shall, within one year of the effective date of this part:

(i) Evaluate, with the assistance of interested persons, including individuals with disabilities or organizations representing individuals with disabilities, its current policies and practices and the effects thereof that do not or may not meet the requirements of this part.

(ii) Modify, after consultation with interested persons, including individuals with disabilities or organizations representing individuals with disabilities, any policies and practices that do not meet the requirements of this part; and

(iii) Take, after consultation with interested persons, including individuals with disabilities or organizations representing individuals with disabilities, appropriate remedial steps to eliminate the effects of any discrimination that resulted in adherence to these policies and practices.

(2) A recipient employing fifty or more persons shall, for at least three years following completion of the evaluation required under paragraph (c)(1) of this section, maintain on file, make available for public inspection, and provide to the Secretary upon request:

(i) A list of the interested persons consulted,

(ii) A description of areas examined and any problems identified, and

(iii) A description of any modifications made and of any remedial steps taken.

§40.9 Effect of state or local law or other requirements.

The obligation to comply with this part is not obviated or alleviated by the existence of any state or local law or other requirement that, on the basis of disability, imposes prohibitions or limits upon the eligibility of qualified individuals with disabilities to receive services or to participate in any program or activity.

§40.10 Effect of compliance with regulations of other Federal agencies.

A recipient that has designated a responsible official and established a grievance procedure, provided notice, completed a self-evaluation, or prepared a transition plan in the course of complying with regulations issued by other Federal agencies under section 504 or title II of the Americans with Disabilities Act will be in compliance with §§40.6, 40.7, 40.8(c), or 40.203(f), respectively, if all requirements of those sections have been met in regard to programs or activities assisted by this Department.

Subpart B—Employment Practices

§40.101 Applicability.

This part applies to all programs or activities that receive Federal financial assistance provided by the Department.

§40.102 Discrimination prohibited.

(a) General. No qualified individual with a disability shall, on the basis of disability, be subjected to discrimination in employment under any program or activity to which this part applies.

(b) Employment discrimination standards. The standards used to determine whether paragraph (a) of this section has been violated shall be the standards applied under Title I of the Americans with Disabilities Act of 1990 (42 U.S.C. 12111 et seq.) and, as such sections relate to employment, the provisions of sections 501 through 504 and 510 of the Americans with Disabilities Act of 1990 (42 U.S.C. 12201–12204 and 12210), as amended by the ADA Amendments Act of 2008 (Pub. L. 110–325), as such standards are implemented in the Equal Employment Opportunity Commission’s regulation at 29 CFR pt. 1630, as amended. The procedures to be used to determine whether paragraph (a) of this section has been violated shall be the procedures set forth in Subpart D of this part.

Subpart C—Program Accessibility

§40.201 Applicability.

This subpart applies to all programs or activities that receive Federal
§ 40.203 Existing facilities.

(a) Accessibility. A recipient shall ensure that no qualified individuals with disabilities are denied the benefits of, excluded from participation in, or otherwise subjected to discrimination under any program or activity receiving assistance from this Department because a recipient’s facilities are inaccessible to or unusable by individuals with disabilities. This paragraph does not—

1. Necessarily require a recipient to make each of its existing facilities or every part of an existing facility accessible to and usable by qualified individuals with disabilities;
2. Require a recipient to take any action that would threaten or destroy the historically significant features of an historic property; or
3. Require a recipient to take any action that it can demonstrate would result in a fundamental alteration in the nature of a service, program, or activity or in undue financial and administrative burdens. In those circumstances where personnel of the recipient believe that the proposed action would fundamentally alter the service, program, or activity or would result in undue financial and administrative burdens, a recipient has the burden of proving that compliance with § 40.203(a) of this part would result in such alteration or burdens. The decision that compliance would result in such alteration or burdens must be made by the director of the recipient entity or his or her designee after considering all resources available for use in the funding and operation of the service, program, or activity, and must be accompanied by a written statement of the reasons for reaching that conclusion. If an action would result in such an alteration or such burdens, a recipient shall take any other action that would not result in such an alteration or such burdens but would nevertheless ensure that individuals with disabilities receive the benefits or services provided by the recipient.

(b) Methods.

1. If a recipient may comply with the requirements of paragraph (a) of this section through such means as redesign of equipment, reallocation of classes or other services to accessible buildings, assignment of aides to beneficiaries, home visits, delivery of services at alternate accessible sites, alteration of existing facilities and construction of new facilities in conformance with the requirements of § 40.204, use of accessible rolling stock or other conveyances, or any other methods that result in making its services, programs or activities readily accessible to and usable by qualified individuals with disabilities. A recipient is not required to make structural changes in existing facilities where other methods are effective in achieving compliance with paragraph (a) of this section. A recipient, in making alterations to existing facilities, shall meet the accessibility requirements of § 40.204.

In choosing among available methods for meeting the requirements of paragraph (a) of this section, a recipient shall give priority to those methods that offer services, programs, and activities to qualified individuals with disabilities in the most integrated setting appropriate.

2. Safe harbor. For the purposes of complying with this section, elements that have not been altered in existing facilities on or after [final rule], and that comply with the corresponding technical and scoping specifications for those elements in the Uniform Federal Accessibility Standards (UFAS), Appendix A to 41 CFR part 101–19.6, 49 FR 31528, app. A (Aug. 7, 1984) are not required to be modified to be brought into compliance with the requirements set forth in the 2010 Standards.

(c) Small providers. If a recipient with fewer than fifteen employees finds, after consultation with an individual with a disability seeking its services, that there is no method of complying with paragraph (a) of this section other than by making a significant alteration in its existing facilities, the recipient may, as an alternative, refer the individual with a disability to other providers of services that are accessible at an equivalent cost to the beneficiary.

(d) Historic preservation programs. In meeting the requirements of § 40.203(a) in historic preservation programs, a recipient shall give priority to methods that provide physical access to individuals with disabilities. In cases where a physical alteration to a historic property is not required because of paragraph (a)(2) or (a)(4) of this section, alternative methods of achieving program accessibility include—

1. Using audio-visual materials and devices to depict those portions of a historic property that cannot otherwise be made accessible;
2. Assigning persons to guide individuals with disabilities into or through portions of historic properties that cannot otherwise be made accessible; or
3. Adopting other innovative methods.

(e) Time period. A recipient shall comply with the requirements of paragraph (a) of this section within ninety days of the effective date of this part except that, where structural changes in facilities are necessary, such changes shall be made as expeditiously as possible and no later than within three years of the effective date of this part.

(f) Transition plan. In the event that structural changes to facilities are necessary to meet the requirement of paragraph (a) of this section, a recipient shall develop, within six months of the effective date of this part, a transition plan setting forth the steps necessary to complete such changes. The plan shall be developed with the assistance of interested persons, including individuals with disabilities or organizations representing individuals with disabilities. A copy of the transition plan shall be made available for public inspection. The plan shall, at a minimum:

1. Identify physical obstacles in the recipient’s facilities that limit the accessibility of its program or activity to individuals with disabilities;
2. Describe in detail the methods that will be used to make the facilities accessible;
3. Specify the schedule for taking the steps necessary to achieve full accessibility under paragraph (a) of this section and if the time period of the transition plan is longer than one year, identify steps that will be taken during each year of the transition period; and
4. Identify the person responsible for implementation of the plan.

(g) Notice of location of accessible facilities.

1. General. The recipient shall adopt and implement procedures to ensure that interested persons with disabilities, including persons with an intellectual disability, a learning disability, a vision or hearing disability or other disabilities, can obtain information as to the existence and location of services, activities, and facilities that are accessible to and usable by individuals with disabilities.

2. Signs at primary entrances. The recipient shall provide signs at a primary entrance to each of its inaccessible facilities, directing users to an accessible facility or a location at...
which they can obtain information about accessible facilities. The international symbol for accessibility shall be used at each accessible entrance of a facility.

§ 40.204 New construction and alterations.
(a) Design and construction. Each new facility or part of a facility constructed by, on behalf of, or for the use of a recipient shall be designed and constructed in such manner that the facility or part of the facility is readily accessible to and usable by individuals with disabilities, if the construction is commenced after the effective date of this part.

(b) Alteration. Each facility or part of a facility which is altered by, on behalf of, or for the use of a recipient after the effective date of this part in a manner that affects or could affect the usability of the facility or part of the facility shall to the maximum extent feasible be altered in such manner that the altered portion of the facility is readily accessible to and usable by individuals with disabilities.

(c) Accessibility standards and compliance dates.
(1) Applicable Accessibility Standard. New construction and alterations on or after the compliance dates specified in paragraph (2) must comply with the 2010 Standards.

(ii) New construction and alterations of buildings or facilities undertaken in compliance with the 2010 Standards shall comply with the scope and technical requirements for a “public building or facility” in the 2010 Standards regardless of whether the recipient is a public or private entity.

(iii) Departures from particular requirements of the Standards by the use of other methods shall be permitted when it is clearly evident that equivalent access to the facility or part of the facility is thereby provided.

(2) Compliance Dates.
(i) New construction and alterations by recipients that are private entities. New construction and alterations in which the last application for a building permit or permit extension for such construction or alterations is certified to be complete by a state, county, or local government (or, in those jurisdictions where the government does not certify completion of applications, if the date when the last application for a building permit or permit extension is received by the state, county, or local government) is on or after [DATE ONE YEAR AFTER PUBLICATION OF THE FINAL RULE IN THE Federal Register], or if no permit is required, the start of physical construction or alterations occurs on or after [DATE ONE YEAR FROM THE PUBLICATION OF THE FINAL RULE IN THE Federal Register], then such new construction and alterations shall comply with the 2010 Standards as defined in paragraph (1) of this section.

(ii) New construction and alterations by recipients that are public entities. If physical construction or alterations commence on or after [DATE ONE YEAR AFTER PUBLICATION OF THE FINAL RULE IN THE Federal Register], then such new construction and alterations shall comply with the 2010 Standards.

(3) For the purposes of this section, ceremonial groundbreaking or razing of structures prior to site preparation will not be considered to commence or start physical construction or alterations.

(4) Compliance with the Architectural Barriers Act of 1968. Nothing in this section or § 40.203 relieves recipients whose facilities are covered by the Architectural Barriers Act of 1968, as amended (42 U.S.C. 4151–4157), from their responsibility of complying with the requirements of that Act and any implementing regulations.

(5) This section does not require recipients to make building alterations that have little likelihood of being accomplished without removing or altering a load-bearing structural member.

Subpart D—Compliance, Investigations and Procedure for Effecting Compliance

§ 40.300 Compliance information.
(a) Cooperation and assistance. The Secretary shall to the fullest extent practicable seek the cooperation of recipients in obtaining compliance with this part and shall provide assistance and guidance to recipients to help them comply voluntarily with this part.

(b) Compliance reports. Each recipient shall keep such records and submit to the Secretary timely, complete, and accurate compliance reports at such times, and in such form and containing such information, as the Secretary may determine to be necessary to enable the Secretary to ascertain whether the recipient has complied or is complying with this part. In the case in which a primary recipient extends Federal financial assistance to any other recipient, such other recipient shall also submit such compliance reports to the primary recipient as may be necessary to enable the primary recipient to carry out its obligations under this part. In general, such reports should be available for the Secretary data showing the extent to which individuals with disabilities are beneficiaries of programs receiving Federal financial assistance.

(c) Access to sources of information. Each recipient shall permit access by the Secretary, during normal business hours, to such of its books, records, accounts, and other sources of information and its facilities as may be pertinent to ascertain compliance with this part. Where any information required of a recipient is in the exclusive possession of any other agency, institution, or person and this agency, institution, or person fails or refuses to furnish this information, the recipient shall so certify in its report and shall set forth what efforts it has made to obtain the information.

(d) Information to beneficiaries and participants. Each recipient shall make available to participants, beneficiaries, and other interested persons such information regarding the provisions of this part and its applicability to the program for which the recipient receives Federal financial assistance and make such information available to them in such manner as the Secretary finds necessary to apprise such persons of the protections against discrimination assured them by section 504 and this part.

§ 40.301 Conduct of investigations.
(a) Periodic compliance reviews. The Secretary shall from time to time review the practices of recipients to determine whether they are complying with this part.

(b) Complaints. Any person who believes that he or she, or any specific class of persons, has been subjected to discrimination prohibited by this part may by himself or herself, or by a representative, file with the Secretary a written complaint. A complaint must be filed not later than 180 days after the date of the alleged discrimination, unless the time for filing is extended by the Secretary.

(c) Investigations. The Secretary will make a prompt investigation whenever a compliance review, report, complaint, or any other information indicates a possible failure to comply with this part. The investigation will include, where appropriate, a review of the pertinent practices and policies of the recipient, the circumstances under which the possible noncompliance with this part occurred, and other factors relevant to a determination as to whether the recipient has failed to comply with this part.

(d) Resolution of matters.
(1) If an investigation pursuant to paragraph (c) of this section indicates a failure to comply with this part, the Secretary will so inform the recipient
and the matter will be resolved by informal means whenever possible. If it has been determined that the matter cannot be resolved by informal means, action will be taken as provided for in §40.302.

(2) If an investigation does not warrant action pursuant to paragraph (d)(1) of this section, the Secretary will so inform the recipient and the complainant, if any, in writing.

(e) Intimidatory or retaliatory acts prohibited. No recipient or other person shall intimidate, threaten, coerce, or discriminate against any individual for the purpose of interfering with any right or privilege secured by section 504 or this part, or because the individual has made a complaint, testified, assisted, or participated in any manner in an investigation, proceeding, or hearing under this part. The identity of complainants shall be kept confidential under this part. The identity of any individual has been so found.

§40.302 Procedure for effecting compliance.

(a) General. If there appears to be a failure or threatened failure to comply with this part, and if the noncompliance or threatened noncompliance cannot be corrected by informal means, compliance with this part may be effected by the suspension or termination of or refusal to grant or to continue Federal financial assistance or by any other means authorized by law. Such other means may include, but are not limited to: (1) A referral to the Department of Justice with a recommendation that appropriate proceedings be brought to enforce any rights of the United States under any law of the United States, or any assurance or other contractual undertaking, and (2) Any applicable proceeding under state or local law.

(b) Noncompliance with §40.5. If an applicant fails or refuses to furnish an assurance required under §40.5 or otherwise fails or refuses to comply with a requirement imposed by or pursuant to that section, Federal financial assistance may be refused in accordance with the procedures of paragraph (c) of this section. The Department shall not be required to provide assistance in such a case during the pendency of the administrative proceedings under such paragraph. However, the Department shall continue assistance during the pendency of such proceedings where such assistance is due and payable pursuant to an application approved prior to the effective date of this part.

(c) Termination of or refusal to grant or to continue Federal financial assistance.

(1) No order suspending, terminating, or refusing to grant or continue Federal financial assistance shall become effective until:

(i) The Secretary has advised the applicant or recipient of the applicant’s or recipient’s failure to comply and has determined that compliance cannot be secured by voluntary means;

(ii) There has been an express finding on the record, after opportunity for hearing, of a failure by the applicant or recipient to comply with a requirement imposed by or pursuant to this part;

(iii) The action has been approved by the Secretary pursuant to §40.401(e); and

(iv) The expiration of 30 days after the Secretary has filed with the committee of the House and the committee of the Senate having legislative jurisdiction over the program involved, a full written report of the circumstances and the grounds for such action.

(2) Any action to suspend or terminate or to refuse to grant or to continue Federal financial assistance shall be limited to the particular political entity, or part thereof, or other applicant or recipient as to whom such a finding has been made and shall be limited in its effect to the particular program, or part thereof, in which such noncompliance has been so found.

(d) Other means authorized by law. No action to effect compliance with section 504 by any other means authorized by law shall be taken by the Department until:

(1) The Secretary has determined that compliance cannot be secured by voluntary means;

(2) The recipient or other person has been notified of its failure to comply and of the action to be taken to effect compliance; and

(3) The expiration of at least 10 days from the mailing of such notice to the recipient or other person. During this period of at least 10 days, additional efforts shall be made to persuade the recipient or other person to comply with the regulation and to take such corrective action as may be appropriate.

Subpart E—Hearings and Decisions and Notices

§40.400 Hearings.

(a) Opportunity for hearing. Whenever an opportunity for a hearing is required by §40.302(c), reasonable notice shall be given by registered or certified mail, return receipt requested, to the affected applicant or recipient. This notice shall advise the applicant or recipient of the action proposed to be taken, the specific provision under which the proposed action against it is to be taken, and the matters of fact or law asserted as the basis for this action, and either:

(1) Fix a date not less than 20 days after the date of such notice within which the applicant or recipient may request of the Secretary that the matter be scheduled for hearing; or

(2) Advise the applicant or recipient that the matter in question has been set down for hearing at a stated place and time. The time and place so fixed shall be reasonable and shall be subject to change for cause. The complainant, if any, shall be advised of the time and place of the hearing. An applicant or recipient may waive a hearing and submit written information and argument for the record. The failure of an applicant or recipient to request a hearing under this paragraph or to appear at a hearing for which a date has been set shall be deemed to be a waiver of the right to a hearing under §40.301(c) and consent to the making of a decision on the basis of such information as is available.

(b) Time and place of hearing.

Hearings shall be held at the offices of the Department component administering the program, at a time fixed by the Secretary, unless he or she determines that the convenience of the applicant or recipient or of the Department requires that another place be selected. Hearings shall be held before the Secretary, or at the Secretary’s discretion, before a hearing examiner appointed in accordance with section 3105 of title 5, United States Code, or detailed under section 3344 of title 5, United States Code.

(c) Right to counsel. In all proceedings under this section, the applicant or recipient and the Department shall have the right to be represented by counsel.

(d) Procedures, evidence, and record.

(1) The hearing, decision, and any administrative review thereof shall be conducted in conformity with sections 554 through 557 of title 5, United States Code, and in accordance with such rules of procedure as are proper (and not inconsistent with this section) relating to the conduct of the hearing, giving of notices subsequent to those provided for in paragraph (a) of this section, taking of testimony, exhibits, arguments and briefs, requests for findings, and other related matters. Both the Secretary and the applicant or recipient shall be entitled to introduce all relevant evidence on the issues as stated in the notice for hearing or as determined by
the officer conducting the hearing at the outset of or during the hearing.

(2) Technical rules of evidence do not apply to hearings conducted pursuant to this part, but rules or principles designed to assure production of the most credible evidence available and to subject testimony to test by cross-examination shall be applied where determined reasonably necessary by the officer conducting the hearing. The hearing officer may exclude irrelevant, immaterial, or unduly repetitious evidence. All documents and other evidence offered or taken for the record shall be open to examination by the parties and opportunity shall be given to refute facts and arguments advanced on either side of the issues. A transcript shall be made of the oral evidence except to the extent the substance thereof is stipulated for the record. All decisions shall be based upon the hearing record and written findings shall be made.

(e) Consolidated or joint hearings. In cases in which the same or related facts are asserted to constitute noncompliance with this part with respect to two or more Federal statutes, authorities, or other means by which Federal financial assistance is extended and to which this part applies, or noncompliance with this part and the regulations of one or more other Federal departments or agencies issued under section 504, the Secretary may, by agreement with such other departments or agencies, where applicable, provide for the conduct of consolidated or joint hearings and for the application to such hearings of rules or procedures not inconsistent with this part. Final decisions in such cases, insofar as this regulation is concerned, shall be made in accordance with § 40.401.

§ 40.401 Decisions and notices.

(a) Procedure on decisions by hearing examiner. If the hearing is held by a hearing examiner, the hearing examiner shall either make an initial decision, if so authorized, or certify the entire record including his recommended findings and proposed decision to the Secretary for a final decision, and a copy of such initial decision or certification shall be mailed to the applicant or recipient. Where the initial decision is made by the hearing examiner the applicant or recipient may, within 30 days after the mailing of such notice of initial decision, file with the Secretary the applicant’s or recipient’s exceptions to the initial decision, with the reasons therefore. In the absence of exceptions, the Secretary may, on his or her own motion, within 45 days after the initial decision, serve on the applicant or recipient a notice that he or she will review the decision. Upon the filing of such exceptions or of notice of review, the Secretary shall review the initial decision and issue his or her own decision thereon including the reasons therefore. In the absence of either exceptions or a notice of review, the initial decision shall, subject to paragraph (e) of this section, constitute the final decision of the Secretary.

(b) Decisions on record or review by the Secretary. Whenever a record is certified to the Secretary for decision or he or she reviews the decision of a hearing examiner pursuant to paragraph (a) of this section, or whenever the Secretary conducts the hearing, the applicant or recipient shall be given reasonable opportunity to file with the Secretary briefs or other written statements of its contentions, and a written copy of the final decision of the Secretary shall be sent to the applicant or recipient and to the complainant, if any.

(c) Decisions on record where a hearing is waived. Whenever a hearing is waived pursuant to § 40.400, a decision shall be made by the Secretary on the record and a written copy of such decision shall be sent to the applicant or recipient, and to the complainant, if any.

(d) Rulings required. Each decision of a hearing examiner or the Secretary shall set forth his or her ruling on each finding, conclusion, or exception presented, and shall identify the requirement or requirements imposed by or pursuant to this part with which it is found that the applicant or recipient has failed to comply.

(e) Approval by the Secretary. Any final decision by an official of the Department, other than the Secretary personally, which provides for the suspension or termination of, or refusal to grant or continue Federal financial assistance, or the imposition of any other sanction available under this part or section 504, shall promptly be transmitted to the Secretary personally, who may approve such decision, may vacate it, or remit or mitigate any sanction imposed.

(f) Content of orders. The final decision may provide for suspension or termination of, or refusal to grant or continue Federal financial assistance, in whole or in part, to which this regulation applies, and may contain such terms, conditions, and other provisions as are consistent with and will effectuate the purposes of section 504 and this part, including provisions designed to assure that no Federal financial assistance to which this regulation applies will thereafter be extended to the applicant or recipient determined by such decision to be in default in its performance of an assurance given by it pursuant to this part, or to have otherwise failed to comply with this part, unless and until it corrects its noncompliance and satisfies the Secretary that it will fully comply with this part.

(g) Post termination proceedings. (1) An applicant or recipient adversely affected by an order issued under paragraph (f) of this section shall be restored to full eligibility to receive Federal financial assistance if it satisfies the terms and conditions of that order for such eligibility or if it brings itself into compliance with this part and provides reasonable assurance that it will fully comply with this part.

(2) Any applicant or recipient adversely affected by an order entered pursuant to paragraph (f) of this section may at any time request the Secretary to restore fully its eligibility to receive Federal financial assistance. Any such request shall be supported by information showing that the applicant or recipient has met the requirements of paragraph (g)(1) of this section. If the Secretary determines that those requirements have been satisfied, he or she shall restore such eligibility.

(3) If the Secretary denies any such request, the applicant or recipient may submit a request for a hearing in writing, specifying why it believes such official to have been in error. It shall thereupon be given an expeditious hearing, with a decision on the record in accordance with rules or procedures issued by the Secretary. The applicant or recipient will be restored to such eligibility if it proves at such a hearing that it satisfied the requirements of paragraph (g)(1) of this section. While proceedings under this paragraph are pending, the sanctions imposed by the order issued under paragraph (f) of this section shall remain in effect.

Kody Kinsley,
Assistant Secretary for Management.
