

INTERNATIONAL TRADE COMMISSION

[Investigation Nos. 731-TA-1319, 1326, and 1328 (Final)]

Carbon and Alloy Steel Cut-to-Length Plate From Brazil, South Africa, and Turkey

Determination

On the basis of the record¹ developed in the subject investigations, the United States International Trade Commission (“Commission”) determines, pursuant to the Tariff Act of 1930 (“the Act”), that an industry in the United States is materially injured by reason of imports of carbon and alloy steel cut-to-length plate from Brazil, South Africa, and Turkey, provided for in subheadings 7208.40.30, 7208.51.00, 7208.52.00, 7211.13.00, 7211.14.00, 7225.40.11, 7225.40.30, 7226.20.00, and 7226.91.50 of the Harmonized Tariff Schedule of the United States, that have been found by the Department of Commerce (“Commerce”) to be sold in the United States at less than fair value (“LTFV”). The Commission also finds that imports subject to Commerce’s affirmative critical circumstances determinations are not likely to undermine seriously the remedial effect of the antidumping duty orders on carbon and alloy steel cut-to-length plate from Brazil and Turkey.

Background

The Commission, pursuant to section 735(b) of the Act (19 U.S.C. 1673d(b)), instituted these investigations effective April 8, 2016, following receipt of petitions filed with the Commission and Commerce by ArcelorMittal USA LLC (Chicago, Illinois), Nucor Corporation (Charlotte, North Carolina), and SSAB Enterprises, LLC (Lisle, Illinois). The Commission scheduled the final phase of the investigations following notification of preliminary determinations by Commerce that imports of cut-to-length plate from Brazil, South Africa, and Turkey were being sold at LTFV within the meaning of section 733(b) of the Act (19 U.S.C. 1673b(b)). Notice of the scheduling of the final phase of the Commission’s investigations and of a public hearing to be held in connection therewith was given by posting copies of the notice in the Office of the Secretary, U.S. International Trade Commission, Washington, DC, and by publishing the notice in the **Federal Register** of October 12, 2016 (81 FR 70440). The

hearing was held in Washington, DC, on November 30, 2016, and all persons who requested the opportunity were permitted to appear in person or by counsel.

The Commission made these determinations pursuant to section 735(b) of the Act (19 U.S.C. 1673d(b)). It completed and filed its determinations in these investigations on January 19, 2017. The views of the Commission are contained in USITC Publication 4664 (February 2017), entitled *Carbon and Alloy Steel Cut-to-Length Plate from Brazil, South Africa, and Turkey: Investigation Nos. 731-TA-1319, 1326, and 1328 (Final)*.

By order of the Commission.

Issued: January 19, 2017.

Katherine M. Hiner,

Acting Supervisory Attorney.

DEPARTMENT OF JUSTICE

Notice of Lodging of Proposed Consent Decree Under the Clean Water Act

On January 19, 2017, the Department of Justice lodged a proposed consent decree with the United States District Court for the Northern District of Oklahoma in the lawsuit entitled *United States v. Magellan Pipeline Company, L.P.*, Civil Action No. 17-cv-00031-JED-TLW.

The United States filed this lawsuit under the Clean Water Act, 33 U.S.C. 1251 *et seq.* The complaint seeks civil penalties and injunctive relief for violations related to four unauthorized discharges of petroleum products from Magellan’s liquid petroleum pipeline system. These spills occurred in 2011 and 2015 in Kansas, Nebraska, and Texas. The consent decree requires Magellan to pay a civil penalty of \$2 million. The consent decree also requires Magellan to complete injunctive relief across its 11,000-mile pipeline system, including: (1) Completing an ongoing spill cleanup effort in Nebraska, (2) instituting an enhanced annual training program for its third-party damage prevention staff, (3) updating and enhancing company information resources concerning selective seam corrosion, (4) updating its integrity management plan, and (5) creating a publicly accessible Web page that will report information about certain types of pipeline releases and Magellan’s responses to them.

The publication of this notice opens a period for public comment on the

consent decree. Comments should be addressed to the Assistant Attorney General, Environment and Natural Resources Division, and should refer to *United States v. Magellan Pipeline Company, L.P.*, D.J. Ref. No. 90-5-1-1-10628. All comments must be submitted no later than thirty (30) days after the publication date of this notice. DEPARTMENT OF JUSTICE

Notice of Lodging of Proposed Consent Decree Under the Comprehensive Environmental Response, Compensation, and Liability Act

On December 22, 2016, the Department of Justice lodged a proposed Consent Decree with the United States District Court for the District of Rhode Island in the lawsuit entitled *United States v. ACS Industries, Inc. et al.*, Civil Action No. 1:16-cv-00665-S-LDA.

The proposed Consent Decree (“Decree”) relates to the Second Operable Unit (“OU2”) of the Peterson/Puritan, Inc. Superfund Site located in Lincoln and Cumberland, Rhode Island. There are 91 Settling Defendants. Under the proposed Consent Decree, the 22 Settling Performing Defendants agree to perform the remedy selected by the

¹ The record is defined in sec. 207.2(f) of the Commission’s Rules of Practice and Procedure (19 CFR 207.2(f)).

Environmental Protection Agency (“EPA”) for OU2, pay EPA’s interim response costs (response costs incurred from September 30, 2015 to the date the Consent Decree is approved by the Court), and pay future oversight costs of both EPA and the State of Rhode Island. The 69 Settling *De Minimis* Defendants agree to pay a total of approximately \$8.5 million to fund performance of work at OU2. The Settling *De Minimis* Federal Agencies (United States Postal Service, the United States Department of Veterans Affairs, the United States Department of Defense, and the United States Department of the Treasury (IRS)), are paying an additional \$975,000 to fund performance of the work at OU2 to resolve alleged contribution liability at OU2. The Statement of Work, included as Appendix K to the Decree, provides the framework for implementation of the cleanup plan as set forth in the Record of Decision (“ROD”) signed by the Regional Administrator for Region 1 of EPA on September 8, 2015. Among other things, the selected remedy calls for the construction of a multi-layer impermeable cap over the J.M. Mills Landfill and the Nunes Parcel. The Remedial Design, Remedial Action, and Operations and Maintenance at OU2 are estimated to cost approximately \$40.3 million. Over the past decade, EPA has recovered about \$8.4 million from potentially responsible parties at OU2 that have filed for bankruptcy. EPA will make these funds available to the Settling Performing Defendants to partially fund the work. The settlement will not recover EPA’s past costs related to OU2, which are about \$3.4 million.

The United States has provided all of the Settling Defendants with a covenant not to sue under Sections 106 and 107(a) of Comprehensive Environmental Response, Compensation, and Liability Act (“CERCLA”), and Section 7003 of Resource Conservation and Recovery Act (“RCRA”), relating to OU2. The covenant provided to the Settling Performing Defendants has a reopener for new information and unknown conditions. The covenant provided to the Settling *De Minimis* Defendants does not have a reopener for new information or unknown conditions. EPA has agreed not to take administrative action against the Settling *De Minimis* Federal agencies pursuant to Sections 106 and 107(a) of CERCLA, and Section 7003 of RCRA, relating to OU2.

The State of Rhode Island has filed a complaint related to this matter in *State of Rhode Island v. ACS Industries, Inc.*, Civil Action No. 1:17-cv-00024, and is a party to the settlement.

The publication of this notice opens a period for public comment on the Consent Decree. Comments should be addressed to the Assistant Attorney General, Environment and Natural Resources Division, and should refer to *United States v. ACS Industries, Inc. et al.*, Civil Action No. 1:16-cv-00665-S-LDA, D.J. Ref. No. 90-11-3-1233/9. Under section 7003(d) of RCRA, a commenter may request an opportunity for a public meeting in the affected area.

During the public comment period, the Consent Decree may be examined and downloaded at this Justice Department Web site: <https://www.justice.gov/enrd/consent-decrees>. We will provide a paper copy of the Consent Decree upon written request and payment of reproduction costs. Please mail your request and payment to: Consent Decree Library, U.S. DOJ—ENRD, P.O. Box 7611, Washington, DC 20044-7611.

Please enclose a check or money order for \$206.50 (25 cents per page reproduction cost) payable to the United States Treasury. For a paper copy without the exhibits and signature pages, the cost is \$28.50.
