

The following determinations terminating investigations were issued because the Department issued a negative determination on petitions related to the relevant investigation

period applicable to the same worker group. The duplicative petitions did not present new information or a change in circumstances that would result in a reversal of the Department's previous

negative determination, and therefore, further investigation would duplicate efforts and serve no purpose.

TA-W No.	Subject firm	Location	Impact date

I hereby certify that the aforementioned determinations were issued during the period of *September 19, 2016 through December 16, 2016*. These determinations are available on the Department's Web site https://www.doleta.gov/tradeact/taa/taa_search_form.cfm under the searchable listing determinations or by calling the Office of Trade Adjustment Assistance toll free at 888-365-6822.

SUPPLEMENTARY INFORMATION:

I. Background

The Institute of Museum and Library Services is the primary source of federal support for the Nation’s 123,000 libraries and 35,000 museums. The Institute’s mission is to inspire libraries

and museums to advance innovation, learning and civic engagement. We provide leadership through research, policy development, and grant making. IMLS provides a variety of grant programs to assist the Nation’s museums and libraries in improving their operations and enhancing their services to the public. (20 U.S.C. 9101 *et seq.*)

II. Current Actions

The Institute of Museum and Library Services and The PAST Foundation have entered into a cooperative agreement to create and pilot the Digital Inclusion Corps. The project is to explore the feasibility of having local digital literacy volunteers connected nationally to a supportive peer network working towards increased digital inclusion in the United States. The project will provide digital literacy training staff in five rural or tribal regions and also address the national need for a repository of digital literacy training materials. The project will be evaluated; the evaluation is the subject of this proposed collection of information.

The IMLS is particularly interested in comments which:

- Evaluate whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility;
- Evaluate the accuracy of the agency’s estimate of the burden of the proposed collection of information,
