

burden of this collection on the respondents, including through the use of information technology. Please note that written comments received in response to this notice will be considered public records.

Title of Collection: Application for Grants under the Veterans Upward Bound Program (1894–0006).

OMB Control Number: 1840–0823.

Type of Review: A reinstatement of a previously approved information collection.

Respondents/Affected Public: State, Local, and Tribal Governments; Private Sector.

Total Estimated Number of Annual Responses: 143.

Total Estimated Number of Annual Burden Hours: 4,606.

Abstract: The purpose of the Veterans Upward Bound (VUB) Program is to prepare, motivate and assist military veterans in the development of academic and other skills necessary for the acceptance into and success in a program of postsecondary education.

Authority for this program is contained in Title IV, Part A, Subpart 2, Chapter 1, Section 402C of the Higher Education Act of 1965, as amended by the Higher Education Opportunity Act of 2008. Eligible applicants include institutions of higher education, public or private agencies or organizations, including community-based organizations with experience in serving disadvantaged youth, secondary schools, and combinations of institutions, agencies, organizations, and secondary schools.

The Department is requesting a reinstatement with change because the previous VUB application was discontinued in June 2015 and the application will be needed for a Fiscal Year (FY) 2017 competition for new awards. The FY 2017 application removes previously-used competitive preference priorities and adds a selection criterion: Quality of Project Design. The change does not affect burden hours.

Dated: February 3, 2017.

Stephanie Valentine,

Acting Director, Information Collection Clearance Division, Office of the Chief Privacy Officer, Office of Management.

BILLING CODE 4000–01–P

DEPARTMENT OF EDUCATION

Submission of Data by State Educational Agencies; Submission Dates for State Revenue and Expenditure Reports for Fiscal Year (FY) 2016, Revisions to Those Reports, and Revisions to Prior Fiscal Year Reports

AGENCY: National Center for Education Statistics, Institute of Education Sciences, Department of Education.

ACTION: Notice.

SUMMARY: The Secretary announces dates for State educational agencies (SEAs) to submit expenditure and revenue data and average daily attendance statistics on ED Form 2447 (the National Public Education Financial Survey (NPEFS)) for FY 2016, revisions to those reports, and revisions to prior fiscal year reports. The Secretary sets these dates to ensure that data are available to serve as the basis for timely distribution of Federal funds. The U.S. Census Bureau is the data collection agent for this request of the Department of Education's National Center for Education Statistics (NCES). The data will be published by NCES and will be used by the Secretary in the calculation of allocations for FY 2018 appropriated funds.

DATES: SEAs can begin submitting data on Thursday, February 9, 2017. The deadline for the final submission of all data, including any revisions to previously submitted data for FY 2015 and FY 2016, is Tuesday, August 15, 2017. Any resubmissions of FY 2015 or FY 2016 data by SEAs in response to requests for clarification or reconciliation or other inquiries by NCES or the Census Bureau must be completed as soon as possible, but no later than Tuesday, September 5, 2017. All outstanding data issues must be reconciled or resolved by the SEAs, NCES, and the Census Bureau as soon as possible, but no later than September 5, 2017.

ADDRESSES AND SUBMISSION INFORMATION: SEAs may mail ED Form 2447 to: U.S. Census Bureau, ATTENTION: Economic Reimbursable Surveys Division, 4600 Silver Hill Road, Suitland, MD 20746.

SEAs may submit data online using the interactive survey form on the NPEFS data collection Web site at: <http://surveys.nces.ed.gov/ccdnpefs>. The NPEFS interactive survey includes a digital confirmation page where a personal identification number (PIN) may be entered. A successful entry of the PIN serves as a signature by the authorizing official. Alternatively, a certification form also may be printed

from the Web site, signed by the authorizing official, and mailed to the Economic Reimbursable Surveys Division of the Census Bureau at the Washington, DC address provided above, within five business days after submission of the NPEFS Web interactive form.

Alternatively, SEAs may hand-deliver submissions by 4:00 p.m. Washington, DC time on August 15, 2017, to: U.S. Census Bureau, Economic Reimbursable Surveys Division, 4600 Silver Hill Road, Suitland, MD 20746.

FOR FURTHER INFORMATION CONTACT: Mr. Stephen Q. Cornman, NPEFS Project Director, National Center for Education Statistics, Institute of Education Sciences, U.S. Department of Education. Telephone: (202) 245–7753 or by email: stephen.cornman@ed.gov. You may also contact an NPEFS team member (Census Bureau). Telephone: 1–800–437–4196 or (301) 763–1571 or by email: erd.npefs.list@census.gov.

If you use a telecommunications device for the deaf (TDD) or a text telephone (TTY), call the Federal Relay Service, toll free, at 1–800–877–8339.

SUPPLEMENTARY INFORMATION: Under section 153(a)(1)(I) of the Education Sciences Reform Act of 2002, 20 U.S.C. 9543(a)(1)(I), which authorizes NCES to gather data on the financing and management of education, NCES collects data annually from SEAs through ED Form 2447. The report from SEAs includes attendance, revenue, and expenditure data from which NCES determines a State's "average per-pupil expenditure" (SPPE) for elementary and secondary education, as defined in section 8101(2) of the Elementary and Secondary Education Act of 1965, as amended (ESEA) (20 U.S.C. 7801(2)).

In addition to using the SPPE data as general information on the financing of elementary and secondary education, the Secretary uses these data directly in calculating allocations for certain formula grant programs, including, but not limited to, title I, part A of the ESEA, Impact Aid, and Indian Education programs. Other programs, such as the Education for Homeless Children and Youth program under title VII of the McKinney-Vento Homeless Assistance Act and the Teacher Quality State Grants program (title II, part A of the ESEA), make use of SPPE data indirectly because their formulas are based, in whole or in part, on State title I, part A allocations.

In January 2017, the Census Bureau, acting as the data collection agent for NCES, will email ED Form 2447 to SEAs, with instructions, and will request that SEAs commence submitting

FY 2016 data to the Census Bureau on Thursday, February 9, 2017. SEAs are urged to submit accurate and complete data by Friday, March 17, 2017, to facilitate timely processing.

Submissions by SEAs to the Census Bureau will be analyzed for accuracy and returned to each SEA for verification. SEAs must submit all data, including any revisions to FY 2015 and FY 2016 data, to the Census Bureau no later than Tuesday, August 15, 2017. Any resubmissions of FY 2015 or FY 2016 data by SEAs in response to requests for clarification or reconciliation or other inquiries by NCES or the Census Bureau must be completed by Tuesday, September 5, 2017. Between August 15, 2017, and September 5, 2017, SEAs may also, on their own initiative, resubmit data to resolve issues not addressed in their final submission of NPEFS data by August 15, 2017. All outstanding data issues must be reconciled or resolved by the SEAs, NCES, and the Census Bureau as soon as possible, but no later than September 5, 2017.

In order to facilitate timely submission of data, the Census Bureau will send reminder notices to SEAs in May, June, and July of 2017.

Having accurate, consistent, and timely information is critical to an efficient and fair Department of Education (Department) allocation process and to the NCES statistical process. To ensure timely distribution of Federal education funds based on the best, most accurate data available, the Department establishes, for program funding allocation purposes, Tuesday, August 15, 2017, as the final date by which the SEAs must submit data using either the interactive survey form on the NPEFS data collection Web site at: <http://surveys.nces.ed.gov/ccdnpefs> or ED Form 2447.

Any resubmissions of FY 2015 or FY 2016 data by SEAs in response to requests for clarification or reconciliation or other inquiries by NCES or the Census Bureau must be completed through the interactive

survey form on the NPEFS data collection Web site or ED Form 2447 by Tuesday, September 5, 2017. If an SEA submits revised data after the final deadline that result in a lower SPPE figure, the SEA's allocations may be adjusted downward, or the Department may direct the SEA to return funds. SEAs should be aware that all of these data are subject to audit and that, if any inaccuracies are discovered in the audit process, the Department may seek recovery of overpayments for the applicable programs.

Note: The following are important dates in the data collection process for FY 2016:

February 9, 2017—SEAs can begin to submit accurate and complete data for FY 2016 and revisions to previously submitted data for FY 2015.

March 17, 2017—Date by which SEAs are urged to submit accurate and complete data for FY 2015 and FY 2016.

August 15, 2017—Mandatory final submission date for FY 2015 and FY 2016 data to be used for program funding allocation purposes.

September 5, 2017—Mandatory final deadline for responses by SEAs to requests for clarification or reconciliation or other inquiries by NCES or the Census Bureau. All data issues must be resolved.

If an SEA's submission is received by the Census Bureau after August 15, 2017, the SEA must show one of the following as proof that the submission was mailed on or before that date:

1. A legibly dated U.S. Postal Service postmark.
2. A legible mail receipt with the date of mailing stamped by the U.S. Postal Service.
3. A dated shipping label, invoice, or receipt from a commercial carrier.
4. Any other proof of mailing acceptable to the Secretary.

If the SEA mails ED Form 2447 through the U.S. Postal Service, the Secretary does not accept either of the following as proof of mailing:

1. A private metered postmark.
2. A mail receipt that is not dated by the U.S. Postal Service.

Note: The U.S. Postal Service does not uniformly provide a dated postmark. Before

relying on this method, an SEA should check with its local post office.
