

Section 806(e)(1)(G) of the Clearing Supervision Act provides that FICC may implement the changes if it has not received an objection to the proposed changes within 60 days of the later of (i) the date that the Commission receives the Advance Notice or (ii) the date that any additional information requested by the Commission is received,⁵ unless extended as described below.

Pursuant to Section 806(e)(1)(H) of the Clearing Supervision Act, the Commission may extend the review period of an advance notice for an additional 60 days, if the changes proposed in the advance notice raise novel or complex issues, subject to the Commission providing the clearing agency with prompt written notice of the extension.⁶

Here, as the Commission has not requested any additional information, the date that is 60 days after FICC filed the Advance Notice with the Commission is March 13, 2018. However, the Commission finds the Advance Notice complex because FICC proposes to make detailed, substantial, and numerous changes to the GSD margin calculation. Therefore, the Commission finds it appropriate to extend the review period of the Advance Notice for an additional 60 days under Section 806(e)(1)(H) of the Clearing Supervision Act.⁷

Accordingly, the Commission, pursuant to Section 806(e)(1)(H) of the Clearing Supervision Act,⁸ extends the review period for an additional 60 days so that the Commission shall have until May 12, 2018 to issue an objection or non-objection to advance notice SR-FICC-2018-801.

By the Commission.

Eduardo A. Aleman,
Assistant Secretary.
