DEPARTMENT OF TRANSPORTATION**Federal Aviation Administration****14 CFR Part 73**

[Docket No. FAA-2018-0103; Airspace Docket No. 18-ASO-1]

Amendment of Restricted Areas R-2907C, R-2910B, R-2910C, and R-2910E; Pinecastle, FL

AGENCY: Federal Aviation Administration (FAA), DOT.

ACTION: Final rule; technical amendment.

SUMMARY: This action updates the controlling agency information for restricted areas R-2907C, R-2910B, R-2910C, and R-2910E; Pinecastle, FL. This is an administrative change to reflect the current organizations tasked with controlling agency responsibilities for the restricted areas. It does not affect the boundaries, designated altitudes, time of designation or activities conducted within the restricted areas.

DATES: *Effective date:* 0901 UTC, May 24, 2018.

FOR FURTHER INFORMATION CONTACT: Paul Gallant, Airspace Policy Group, Office of Airspace Services, Federal Aviation Administration, 800 Independence Avenue SW, Washington, DC 20591; telephone: (202) 267-8783.

SUPPLEMENTARY INFORMATION:**Authority for This Rulemaking**

The FAA's authority to issue rules regarding aviation safety is found in Title 49 of the United States Code. Subtitle I, Section 106 describes the authority of the FAA Administrator. Subtitle VII, Aviation Programs,

describes in more detail the scope of the agency's authority. This rulemaking is promulgated under the authority described in Subtitle VII, Part A, Subpart I, Section 40103. Under that section, the FAA is charged with prescribing regulations to assign the use of the airspace necessary to ensure the safety of aircraft and the efficient use of airspace. This regulation is within the scope of that authority as it updates the controlling agency for restricted areas R-2907C, R-2910B, R-2910C and R-2910E; Pinecastle, FL, to reflect the current responsible organizations.

The Rule

This rule amends title 14 Code of Federal Regulations (14 CFR) part 73 by updating the controlling agency name for restricted areas R-2907C, R-2910B, R-2910C, and R-2910E; Pinecastle, FL. The controlling agency for R-2907C and R-2910E is changed from "FAA, Jacksonville ARTCC," to "FAA, Jacksonville TRACON." The controlling agency for R-2910B and R-2910C is changed from "FAA, Jacksonville ARTCC," to "FAA, Central Florida TRACON." This action is necessary in order to assign controlling agency responsibilities to the air traffic control facilities having jurisdiction over the affected airspace.

This is an administrative change that does not affect the boundaries, designated altitudes, or activities conducted within the restricted areas; therefore, notice and public procedure under 5 U.S.C. 553(b) are unnecessary.

Regulatory Notices and Analyses

The FAA has determined that this action only involves an established body of technical regulations for which frequent and routine amendments are necessary to keep them operationally current. It, therefore: (1) Is not a "significant regulatory action" under Executive Order 12866; (2) is not a "significant rule" under DOT Regulatory Policies and Procedures (44 FR 11034; February 26, 1979); and (3) does not warrant preparation of a regulatory evaluation as the anticipated impact is so minimal. Since this is a routine matter that only affects air traffic procedures and air navigation, it is certified that this rule, when promulgated, does not have a significant economic impact on a substantial number of small entities under the criteria of the Regulatory Flexibility Act.

Environmental Review

The FAA has determined that this action of updating the agency information for restricted areas R-2907C, R-2910B, R-2910C and R-

2910E; Pinecastle, FL, qualifies for categorical exclusion under the National Environmental Policy Act, and in accordance with FAA Order 1050.1F, Environmental Impacts: Policies and Procedures, paragraph 5-6.5.d, "Modification of the technical description of special use airspace (SUA) that does not alter the dimensions, altitudes, or times of designation of the airspace (such as changes in designation of the controlling or using agency, or correction of typographical errors)." This airspace action is an administrative change to the description of restricted areas R-2907C, R-2910B, R-2910C and R-2910E; Pinecastle, FL, to update the controlling agency names. It does not alter the dimensions, altitudes, time of designation, or use of the airspace. Therefore, this airspace action is not expected to result in any significant environmental impacts. In accordance with FAA Order 1050.1F, paragraph 5-2 regarding Extraordinary Circumstances, this action has been reviewed for factors and circumstances in which a normally categorically excluded action may have a significant environmental impact requiring further analysis, and it is determined that no extraordinary circumstances exist that warrant preparation of an environmental assessment.

DEPARTMENT OF HOMELAND SECURITY**Coast Guard****33 CFR Part 117**

[Docket No. USCG-2018-0067]

Drawbridge Operation Regulation; Duwamish Waterway, Seattle, WA

AGENCY: Coast Guard, DHS.

ACTION: Notice of temporary deviation from regulations; request for comments.

SUMMARY: The Coast Guard has issued a temporary deviation from the operating schedule that governs the South Park highway bridge, across the Duwamish Waterway mile 3.8, at Seattle, WA. This deviation will test a change to the drawbridge operation schedule, to determine whether a permanent change to the schedule is appropriate. This deviation will allow the bridge to open during nighttime hours after receiving a 12 hour advance notice.

DATES: This deviation is effective from 6 a.m. on March 22, 2018 to 6 a.m. on September 17, 2018.

Comments and related material must reach the Coast Guard on or before August 30, 2018.

ADDRESSES: You may submit comments identified by docket number USCG-2018-0067 using Federal eRulemaking Portal at <http://www.regulations.gov>.

See the “Public Participation and Request for Comments” portion of the **SUPPLEMENTARY INFORMATION** section below for instructions on submitting comments.

FOR FURTHER INFORMATION CONTACT: If you have questions on this temporary deviation, call or email Mr. Steven

Fischer, Bridge Chief Administrator, Thirteenth Coast Guard District; telephone 206-220-7282, email d13-pf-d13bridges@uscg.mil.

SUPPLEMENTARY INFORMATION:**I. Background, Purpose and Legal Basis**

Due to infrequent drawbridge opening requests between 11 p.m. to 7 a.m., King County (the bridge owner), has requested to open the South Park highway bridge with 12 hours advances notice between the hours of 11p.m. and 7 a.m. In addition, King County requested between the hours of 11 p.m. and 7 a.m. vessels engaged in sea-trials or waterway dredging activities may request a standby drawtender, to open the bridge on demand during sea-trials and/or dredging operations, if at least a 24 hour notice is given to the drawtender. The 2017 drawbridge log book reflects the infrequent requests for drawbridge opening of the South Park highway bridge. Of the 524 openings in 2017 only 24 occurred between the hours of 11.00 p.m. and 7 a.m., this is approximately 4.5 percent. Opening from 11 p.m. to 7 a.m. for 2014, 2015, 2016 ranged from 5% to 10% of all openings. The South Park highway bridge operates per 33 CFR 117.1041(a)(2).

Vessels operating on the Duwamish Waterway range from small recreational, sailboats, tribal fishing boats, mega yachts and commercial tug and tow vessels. No navigational impacts are expected due to few vessels operating on this waterway at the stated hours. King County has discussed this test deviation and coordinating with all known waterway users. Vessels able to pass through the subject bridge with the span in the closed-to-navigation position may do so at any time.

The Coast Guard will also inform the users of the waterway through our Local and Broadcast Notices to Mariners of the change in operating schedule for the subject bridge so that vessel operators can arrange their transits to minimize any impact caused by the temporary deviation. Duwamish Waterway does not have an immediate alternate route for vessels to pass. Therefore, in the event of an emergency requiring a bridge opening any day between 11 p.m. and 7 a.m., the standby bridge operator at the Fremont Bridge will respond to an opening request and have the South Park Bridge open within 45 minutes from initial notification.

In accordance with 33 CFR 117.35(e), the drawbridge must return to its regular operating schedule immediately at the end of the effective period of this temporary deviation. This deviation
