Assessment Rates

Upon issuance of the final results in this administrative review, Commerce shall determine, and Customs and Border Protection (CBP) shall assess, antidumping duties on all appropriate entries.

If Filmag’s weighted-average dumping margin is not zero or de minimis in the final results of this review, we will calculate importer- or customer-specific ad valorem assessment rates for the merchandise based on the ratio of the total amount of antidumping duties calculated for the examined sales made during the period of review to the total customs value of the sales used to calculate those duties in accordance with 19 CFR 351.212(b)(1).

Where an importer-specific ad valorem assessment rate is zero or de minimis, we will instruct CBP to liquidate the appropriate entries without regard to antidumping duties in accordance with 19 CFR 351.106(c)(2).

If the respondent’s weighted-average dumping margin is zero or de minimis in the final results of review, we will instruct CBP to liquidate the appropriate entries without regard to duties in accordance with the Final Modification for Reviews, i.e., “[w]here the weighted-average margin of dumping for the exporter is determined to be zero or de minimis, no antidumping duties will be assessed.” 15

We intend to issue liquidation instructions to CBP 15 days after publication of the final results of this review.
