Abstract of proposed collection:

The Secretary of State is authorized to issue U.S. passports under 22 U.S.C. 211a *et seq.*, 8 U.S.C. 1104, and Executive Order 11295 (August 5, 1966). Our regulations in the Code of Federal Regulations provide that individuals whose valid or potentially valid U.S. passports were lost or stolen must make a report of the lost or stolen passport to the Department of State before they receive a new passport so that the lost or stolen passport can be invalidated (22 CFR parts 50 and 51). The Enhanced Border Security and Visa Entry Reform Act of 2002 (8 U.S.C. 1737) requires the Department of State to collect accurate information on lost or stolen U.S. passports and to enter that information into a data system. Form DS-64 collects information identifying the person who held the lost or stolen passport and describing the circumstances under which the passport was lost or stolen. As required by the cited authorities, we use the information collected to accurately identify the passport that must be invalidated and to make a record of the circumstances surrounding the lost or stolen passport. False statements made knowingly or willfully on passport forms, in affidavits, or other supporting documents, are punishable by fine and/or imprisonment under U.S. law. (18 U.S.C. 1001, 1542-1544).

Methodology:

Passport applicants can submit their form electronically on www.travel.state.gov or call the National Passport Information center at 1-877-487-2778. Applicants can also

download the form from the internet or obtain one at any Passport Agency or Acceptance Facility.

Barry J. Conway,

Deputy Assistant Secretary, Acting, Bureau of Consular Affairs, Passport Services, Department of State.

SUPPLEMENTARY INFORMATION:

Title: Motor Carrier Records Change Form.

OMB Control Number: 2126-0060.

Type of Request: Renewal information collection.

Respondents: For-hire motor carriers, brokers and freight forwarders.

Estimated Number of Respondents: 44,900.

Estimated Time per Response: 15 minutes per response.

Expiration Date: July 31, 2018.

Frequency of Response: On occasion.

Estimated Total Annual Burden: 11,225 hours [44,900 annual responses × 0.25 hours].

Background

FMCSA registers for-hire motor carriers under 49 U.S.C. 13902, surface freight forwarders under 49 U.S.C. 13903, and property brokers under 49 U.S.C. 13904. Each registration is effective from the date specified under 49 U.S.C. 13905(c). 49 CFR part 365.413 states for-hire motor carriers, brokers and freight forwarders are required to notify the Office of Registration and Safety Information when they change the name or form of business. Currently, the name change request can be filed online through the Licensing and Insurance (L&I) website, or companies can fax or mail a letter requesting either name or address changes. Carriers can also request reinstatement of a revoked operating authority either via fax or online via the L&I website. About 39% of name change, address change, and reinstatement requests are received by mail; 38% are filed online; and 23% are filed by faxing a request letter to MC-RS. The information collected is then entered in the L&I database by FMCSA staff. This enables FMCSA to maintain

up-to-date records so that the agency can recognize the entity in question in case of enforcement actions or other procedures required to ensure that the carrier is fit, willing and able to provide for-hire transportation services, and so that entities whose authority has been revoked can resume operation if they are not otherwise blocked from doing so. This multi-purpose form simplifies the process of gathering the information needed to process the entities' requests in a timely manner, with the least amount of effort for all parties involved. This multi-purpose form is filed by registrants on an as-needed basis. This multi-purpose form is on the FMCSA website so entities could access and print/fax/email the form to MC-RS.

The form prompts users to report the following data points (whichever are relevant to their records change request): (1) What are the legal/doing business as (dba) names of the entity/representative? (2) What is the contact information of entity/representatives (phone number, address, fax number, email address)? (3) What are the requested changes to name or address of entity? (4) What is the docket MC/MX/FX number of the entity? (5) What is the US DOT number of the entity? (6) Is there any change in ownership, management or control of the entity? (7) What kind of changes is the entity making to the company? (8) Which authority does the entity/representative wish to reinstate, motor carrier or broker? (9) Does the entity/representative authorize the fee for the name change or reinstatement? (10) Does the entity/representative authorize the reinstatement of operating authority or name/address change? (11) What is the credit card information (name, number, expiration date, address, date) for the card used to pay the fee?

The Agency received three comments on the 60-day notice (82 FR 50481). The comments were not directly related to the information collection. Therefore, FMCSA did not make any changes to the information collection.

Public Comments Invited: You are asked to comment on any aspect of this information collection, including: (1) Whether the proposed collection is necessary for the FMCSA to perform its functions; (2) the accuracy of the estimated burden; (3) ways for the FMCSA to enhance the quality, usefulness, and clarity of the collected information; and (4) ways that the burden could be minimized without reducing the quality of the collected information.

Issued under the authority delegated in 49 CFR 1.87 on: March 5, 2018.

G. Kelly Regal,

Associate Administrator for Office of Research and Information Technology.
