effort to reduce paperwork and respondent burden, invite the general public and other Federal agencies to comment on the proposed or continuing information collections listed below in this notice, as required by the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 et seq.).

Comments submitted in response to this notice will be included or summarized in our request for Office of Management and Budget (OMB) approval of the relevant information collection. All comments are part of the public record and subject to disclosure. Please do not include any confidential or inappropriate material in comments.

For each information collection listed below, we invite comments on: (a) Whether the information collection is necessary for the proper performance of the agency’s functions, including whether the information has practical utility; (b) the accuracy of the agency’s estimate of the information collection’s burden; (c) ways to enhance the quality, utility, and clarity of the information collected; (d) ways to minimize the information collection’s burden on respondents, including through the use of automated collection techniques or other forms of information technology; and (e) estimates of capital or start-up costs and costs of operation, maintenance, and purchase of services to provide the requested information.

Information Collections Open for Comment

Currently, we are seeking comments on the following information collections (forms, recordkeeping requirements, or questionnaires):

Title: Drawback on Distilled Spirits Exported.
OMB Number: 1513–0042.
TTB Form Number: F 5110.30.
Abstract: Under the Internal Revenue Code (IRC) at 26 U.S.C. 5062, persons who export tax-paid distilled spirits may claim drawback of the excise tax paid on those spirits, under regulations prescribed by the Secretary of the Treasury (the Secretary). Under the TTB regulations, persons use TTB F 5110.30 to claim drawback of the Federal alcohol excise taxes paid on exported distilled spirits. The form requests, among other information, data regarding the claimant, the tax-paid spirits exported, and the amount of tax to be refunded. This information collection is necessary to protect the revenue as it allows TTB to verify that the excise tax has been paid on the spirits and that the spirits have been exported. TTB is submitting this information collection for extension purposes only, and the information collection remains unchanged. However, due to a decrease in the use of TTB F 5110.30, TTB is decreasing the estimated total annual burden hours associated with this information collection.
Type of Review: Extension of a currently approved collection.
Affected Public: Businesses and other for-profits.
Estimated Number of Respondents: 100.
Estimated Total Annual Burden Hours: 800.
Title: Application and Permit to Ship Puerto Rican Spirits to the United Statement Without Payment of Tax.
OMB Number: 1513–0043.
TTB Form Number: F 5110.31.
Abstract: The IRC at 26 U.S.C. 7652 imposes excise tax on Puerto Rican distilled spirits shipped to the United States for consumption or sale. The IRC at 26 U.S.C. 5232 provides that distilled spirits imported or brought into the United States in bulk containers may be withdrawn from Customs custody and transferred to the bonded premises of a distilled spirits plant without payment of tax. In addition, the IRC at 26 U.S.C. 5314 allows Puerto Rican spirits, including denatured distilled spirits, to be brought into the United States without payment of tax under certain circumstances. Under the TTB regulations in 27 CFR part 26, applicants use TTB F 5110.31 to apply for, and to document, the shipment of Puerto Rican spirits to the United States without payment of tax. The form identifies the consignor in Puerto Rico, the consignee in the United States receiving the spirits, and the amount of spirits to be shipped without payment of tax. This information is necessary to protect the revenue.
Current Actions: TTB is submitting this information collection for extension purposes. However, TTB is decreasing the estimated number of respondents to this collection from 20 to 10 and is decreasing the estimated annual burden hours from 750 to 375.
Type of Review: Extension of a currently approved collection.
Affected Public: Businesses and other for-profits.
Estimated Number of Respondents: 15.
Estimated Total Annual Burden Hours: 1,575.

Dated: March 8, 2018.
