[Docket No. CP18-96-000]

Elkton Acquisition Corp.; Notice of Application

Take notice that on February 28, 2018, Elkton Acquisition Corp. (EAC), 7 St. Paul Street, Suite 820, Baltimore, Maryland 21202, filed in Docket No. CP18-96-000, an application pursuant to section 7(f) of the Natural Gas Act (NGA) requesting a service area determination to allow it to provide natural gas distribution service from certain facilities (Elkton Facilities) in Delaware across the state line into Maryland. EAC is acquiring the Elkton Facilities from Elkton Gas (Elkton), a Maryland local distribution company. The Commission previously granted Elkton a service area determination subject to the regulatory oversight of the Maryland Public Service Commission (MdPSC). EAC seeks to succeed that service area determination because the Elkton Facilities will be owned and operated by a new corporate entity. EAC states that after its acquisition of Elkton, it will continue to provide the same natural gas services previously provided by Elkton, subject to the regulatory oversight of the MdPSC. EAC additionally requests that the Commission determine that EAC qualifies as a local distribution company for the purposes of transportation under section 311 of the Natural Gas Policy Act of 1978 and that it be granted waiver of all reporting and accounting requirements, as well as other rules and regulations that are normally applicable to natural gas companies subject to the Commission's jurisdiction, all as more fully set forth in the application which is on file with the Commission and open to public inspection. The filing is available for review at the Commission in the Public Reference Room or may be viewed on the Commission's website web at <http://www.ferc.gov> using the eLibrary link. Enter the docket number excluding the last three digits in the docket number field to access the document.
