SUPPLEMENTARY INFORMATION: This advance notice of proposed rulemaking (ANPRM) has two sections: *Background* that describes the authority on which the ANPRM is based and establishes the rationale for its issuance, and *Questions for Comment* wherein we solicit comment on the AFCARS regulations.

I. Background

Section 479 of the Social Security Act (the Act) requires HHS to regulate a data collection system for national adoption and foster care data that provides comprehensive national information on the following:

- Demographic characteristics of adopted and foster children and their biological and adoptive or foster parents;
- Status and characteristics of the foster care population;

- Number and characteristics of children entering and exiting foster care, children adopted or for whom adoptions have been terminated, and children placed in foster care outside of the state which has placement and care responsibility for them;

- Extent and nature of assistance provided by government programs for foster care and adoption and the characteristics of the children that receive the assistance; and

- Number of foster children identified as sex trafficking victims before entering and while in foster care.

Section 474(f) of the Act requires HHS to impose penalties for non-compliant AFCARS data. Section 1102 of the Act instructs the Secretary to promulgate regulations necessary for the effective administration of the functions for which HHS is responsible under the Act.

We published a final rule to revise the AFCARS regulations on December 14, 2016 (81 FR 90524) and required title IV–E agencies to continue to report AFCARS data in accordance with § 1355.40 and the appendix to part 1355 until September 30, 2019 and provided two fiscal years for title IV–E agencies to comply with §§ 1355.41 through 1355.47 of the final rule. In a notice of proposed rulemaking published elsewhere in this issue of the **Federal Register**, we propose to delay the compliance dates in regulations and the effective date of revisions to the AFCARS regulations made in the final rule from October 1, 2019, to October 1, 2021.

The final rule was a culmination of two notices of proposed rulemaking (issued January 11, 2008 (73 FR 2082) and February 9, 2015 (80 FR 7132)) and a supplemental notice of proposed rulemaking (issued April 7, 2016 (81 FR 20283)). The final rule updated the AFCARS regulations to include child welfare legislative changes that occurred since 1993, included data elements related to the Indian Child Welfare Act of 1978 (ICWA), and implemented fiscal penalties for noncompliant AFCARS data.

On February 24, 2017, the President issued Executive Order 13777 on Enforcing the Regulatory Reform Agenda to lower regulatory burdens on the American people. In response to the President’s direction that federal agencies establish a Regulatory Reform Task Force to review existing regulations and make recommendations regarding their repeal, replacement, or modification, we have identified the AFCARS regulation as one in which the reporting burden may impose costs that exceed benefits. We are specifically
