**DEPARTMENT OF JUSTICE****Executive Office for Immigration Review**

[OMB Number 1125-NEW]

**Agency Information Collection Activities; Proposed eCollection; Comments Requested; New**

**AGENCY:** Executive Office for Immigration Review, Department of Justice.

**ACTION:** Notice.

**SUMMARY:** The Department of Justice, Executive Office for Immigration Review, is submitting the following information collection request to the Office of Management and Budget (OMB) for review and approval in accordance with the Paperwork Reduction Act of 1995.

the "Response to Motion for Summary Disposition" filed by Respondent. In his responsive brief, Respondent argued that "[u]nder the terms of that [Arizona Medical] Board Order, the suspension was for 60 days beginning on April 6, 2017 until the matter was set for a formal hearing" before the Board. Resp. Br. at 1. However, as already noted above, the Arizona Medical Board's Order "summarily suspended" Respondent "from prescribing any form of treatment including prescription medications or injections of any kind." GX 2, at 7. Thus, I agree with the ALJ that the fact that the Board gave Respondent the right to a formal hearing within 60 days of its April 6, 2017 Order "does not obviate the fact that the Respondent currently does not possess state authority to handle controlled substances in Arizona," the State in which he is registered. R.D. at 5. Accordingly, if the ALJ had the authority to issue his conclusion rejecting Respondent's argument, I would have adopted it, and I would have done so for the same reason.

<sup>8</sup> For the same reasons which led the Arizona Medical Board to revoke Respondent's medical license, I conclude that the public interest necessitates that this Order be effective immediately. 21 CFR 1316.67.
