SUPPLEMENTARY INFORMATION:

Background

Section 604 of the Manufactured Housing Improvement Act of 2000 (Pub. L. 106-569) amended the National Manufactured Housing Construction and Safety Standards Act of 1974 (42 U.S.C. 5401-5426) (Act) to require the establishment of the MHCC, a federal advisory committee, to: (1) Provide periodic recommendations to the Secretary to adopt, revise, and interpret the manufactured housing construction and safety standards; and (2) to provide periodic recommendations to the Secretary to adopt, revise, and interpret the procedural and enforcement manufactured housing regulations, including regulations specifying the permissible scope and conduct of monitoring. The Act authorizes the Secretary to appoint a total of twenty-two members to the MHCC. Twenty-one members have voting rights; the twenty-second member represents the Secretary and is a non-voting position. Service on the MHCC is voluntary. Travel and per diem for meetings is provided in accordance with federal travel policy pursuant to 5 U.S.C. 5703.

HUD seeks highly qualified and motivated individuals who meet the requirements set forth in the Act to serve as voting members of the MHCC for up to two terms of three years. The MHCC expects to meet at least one to two times annually. Meetings may take place by conference call or in person. Members of the MHCC undertake additional work commitments on subcommittees and task forces regarding issues under deliberation.

Nominee Selection and Appointment

Members of the Consensus Committee are appointed to serve in one of three member categories. Nominees will be appointed to fill voting member vacancies in the following categories:

1. *Producers*—Seven producers or retailers of manufactured housing.
2. *Users*—Seven persons representing consumer interests, such as consumer organizations, recognized consumer leaders, and owners who are residents of manufactured homes.
3. *General Interest and Public Officials*—Seven general interest and public official members.

The Act provides that the Secretary shall ensure that all interests directly and materially affected by the work of the MHCC have the opportunity for fair and equitable participation without dominance by any single interest; and may reject the appointment of any one

or more individuals in order to ensure that there is not dominance by any single interest. For purposes of this determination, dominance is defined as a position or exercise of dominant authority, leadership, or influence by reason of superior leverage, strength, or representation.

Additional requirements governing appointment and member service include:

(1) Nominees appointed to the User category, and three of the individuals appointed to the General Interest and Public Official category shall not have a significant financial interest in any segment of the manufactured housing industry; or a significant relationship to any person engaged in the manufactured housing industry.

(2) Each member serving in the User category shall be subject to a ban disallowing compensation from the manufactured housing industry during the period of, and during the one year following, his or her membership on the MHCC.

(3) Nominees selected for appointment to the MHCC shall be required to provide disclosures and certifications regarding conflict-of-interest and eligibility for membership prior to finalizing an appointment.

All selected nominees will be required to submit certifications of eligibility under the foregoing criteria as a prerequisite to final appointment.

Consensus Committee—Advisory Role

The MHCC's role is solely advisory to the Secretary on the subject matter described above.

Federal Advisory Committee Act

The MHCC is subject to the requirements of the Federal Advisory Committee Act (5 U.S.C. Appendix), 41 CFR parts 101-6 and 102-3 (the FACA Final Rule), and to the Presidential Memorandum, dated June 18, 2010, directing all heads of executive departments and agencies not to make any new appointments or reappointments of federally registered lobbyists to advisory committees and other boards and commissions. The June 18, 2010, Presidential Memorandum authorized the Director of the Office of Management and Budget (OMB) to issue guidance to implement this policy. On August 13, 2014 (79 FR 47482), OMB issued guidance regarding the prohibition against appointing or reappointing federally registered lobbyists to clarify that the ban applies to persons serving on advisory committees, boards, and commissions in their individual capacity and does not apply if they are specifically appointed to represent the

interests of a nongovernmental entity, a recognizable group of persons or nongovernmental entities (an industry sector, labor unions, environmental groups, etc.), or state or local governments.

Term of Office

Consensus Committee members serve at the discretion of the Secretary or for a three-year term and for up to two terms.

Nominee Information

Individuals seeking nomination to the MHCC should submit detailed information documenting their qualifications as addressed in the Act and this Notice. Individuals may nominate themselves. HUD recommends that the application form be accompanied by a resume.

Additional Information

The Department will only make appointments from nominations submitted in response to this Notice. Individuals that may have applied replied in response to prior requests for nominations and who are still interested in being appointed must re-apply pursuant to this notice. To be considered for appointment to a position of an MHCC member whose term expired in December of 2017, the nomination should be submitted by April 19, 2018.

Appointments will be made at the discretion of the Secretary.

Dated: March 14, 2018.

Dana T. Wade,

General Deputy Assistant, Secretary for Housing.

Endangered and Threatened Wildlife and Plants; Arizona Electric Power Cooperative; Survival Enhancement Permit Application; Sonoran Desert Tortoise Candidate Conservation Agreement With Assurances, Arizona

AGENCY: U.S. Fish and Wildlife Service, Interior.

ACTION: Notice of availability request for comment.

SUMMARY: We, the U.S. Fish and Wildlife Service (FWS), announce receiving Arizona Electric Power Cooperative's (AEPCCO; applicant)

survival enhancement permit application, under the Endangered Species Act of 1973, as amended (Act). The requested permit would authorize Sonoran desert tortoise incidental take resulting from conservation activities and ongoing lawful activities, should the species be listed as endangered or threatened in the future. The permit application includes a proposed candidate conservation agreement with assurances (CCAA) between AEPCCO and the FWS for a 25-year period. In accordance with National Environmental Policy Act (NEPA) requirements, we have determined that the proposed permit action qualifies under a categorical exclusion. We are accepting comments on the permit application, proposed CCAA, and draft NEPA screening form supporting using a categorical exclusion.

DATES: *Submission of Comments:* We will accept comments received or postmarked on or before April 19, 2018.

ADDRESSES: *Obtaining Documents:* You may obtain copies of the application, the proposed CCAA, the draft NEPA compliance documentation, or other related documents by going to the FWS website at http://www.fws.gov/southwest/es/arizona/Sonoran_tort.htm. SUPPLEMENTARY INFORMATION: Arizona Electric Power Cooperative (AEPCCO) (AEPCCO; applicant) applied to the U.S. Fish and Wildlife Service (FWS) for a survival enhancement permit (permit; TE 00948C-0) under the Endangered Species Act of 1973, as amended (16 U.S.C. 1531 *et seq.*; Act), section 10(a)(1)(A). The requested permit, which would be in effect for up to 25 years, if granted, would authorize Sonoran desert tortoise (*Gopherus morafkai*) incidental take.

The candidate conservation agreement with assurances (CCAA) and associated permit would include portions of the following Arizona counties where the AEPCCO transmission system occurs: Cochise, La Paz, Mohave, Pima, Pinal, and Yavapai. The CCAA and associated permit would cover AEPCCO's Sonoran desert tortoise conservation activities in association with their ongoing operation, repair, and maintenance activities on transmission structures, transmission lines, substations, and unpaved access roads, both within and outside AEPCCO rights-of-way and easements (covered activities; AEPCCO CCAA Figures 1-2). These activities include transmission line access road use, maintenance, repair, and reconstruction; manual, mechanical, and herbicide treatment to control vegetation hazards; and maintaining transmission line structures, conductors, and associated equipment. The survival enhancement permit would provide AEPCCO assurances that the conservation to which they have committed is all we will require of them if the species is listed, and will provide incidental take coverage for their conservation activities and ongoing operations and maintenance activities, as described above.

The FWS also announces the availability of a draft determination that the proposed permit action qualifies as a categorical exclusion pursuant to NEPA. Therefore, we propose that this project's survival enhancement permit is "low effect" and qualifies for categorical exclusion under the NEPA, as 43 CFR 46.205 and 43 CFR 46.210 provide. We are making the permit application package, including the draft NEPA screening form, and draft AEPCCO
