**SUPPLEMENTARY INFORMATION:**
**I. Background**

In the **Federal Register** of December 20, 2017 (82 FR 60403), FDA published a notice with a 90-day comment period to request comments on the draft guidance for industry and staff entitled “Drug Products Labeled as Homeopathic.” FDA is extending the comment period until May 21, 2018. The Agency believes that a 60-day extension allows adequate time for interested persons to submit comments without significantly delaying publication of the final version of the guidance.
