

substances registration.” *Blanton*, 43 FR at 27617 (revoking physician’s registration based on one-year suspension of his state license) (emphasis added).

Based on my finding that Registrant’s Physician’s and Surgeon’s Certificate has been revoked, I find that Registrant is currently without authority to dispense controlled substances under the laws of California, the State in which he is registered. See Cal. Health & Safety Code § 11150 (“No person other than a physician, dentist, podiatrist, or veterinarian . . . shall write or issue a prescription” for a controlled substance.); *id.* § 11210 (“A physician, surgeon, dentist, [or] veterinarian . . . may prescribe for, furnish to, or administer controlled substances to his or her patient when the patient is suffering from a disease, ailment, injury”); *id.* § 11024 (“‘Physician,’ ‘dentist,’ ‘podiatrist,’ . . . means persons who are licensed to practice their respective professions in this state.”); *id.* § 11352.1(b) (“any person who knowingly and unlawfully dispenses or furnishes a dangerous drug . . . without a license to dispense or furnish these products, shall be guilty of a misdemeanor”).¹ I will therefore order that his registration be revoked and that any pending application to renew or modify his registration, or for any other registration in California, be denied.

Order

Pursuant to the authority vested in me by 21 U.S.C. 824(a) and 28 CFR 0.100(b), I order that DEA Certificate of Registration No. FO0414677 issued to Christopher D. Owens, M.D., be, and it hereby is, revoked. Pursuant to the authority vested in me by 21 U.S.C. 823(f), I order that any pending application to renew or modify this registration, or for any other registration in the State of California, be, and it hereby is, denied. This Order is effective immediately.²

¹ See also Cal. Bus. & Prof. Code § 2052 (“any person . . . who diagnoses, treats, operates for or prescribes for any ailment, . . . disease, . . . disorder, injury, or other physical or mental condition of any person, without having at the time of so doing a valid, unrevoked, or unsuspended certificate as provided in this chapter . . . is guilty of a public offense”); *id.* § 2051 (“The physician’s and surgeon’s certificate authorizes the holder to use drugs or devices in or upon human beings . . . in the treatment of diseases, injuries, deformities, and other physical and mental conditions).

² For the same reasons which led the MBC to issue the Interim Suspension Order, I find that the public interest necessitates that this Order be effective immediately. 21 CFR 1316.67.

Dated: March 14, 2018.

Acting Administrator.

BILLING CODE 4410–09–P

DEPARTMENT OF JUSTICE

Revised Notice of Lodging of Proposed Consent Decree Under the Comprehensive Environmental Response, Compensation, and Liability Act

On March 14, 2018, the Department of Justice published notice of a proposed consent decree that it lodged on February 27, 2018, with the United States District Court for the Southern District of Ohio in the lawsuit entitled *United States v. Bridgestone Americas Tire Operations, et al.*, Case No. 3:18–cv–00054 (S.D. Ohio). It has come to the attention of the Department of Justice that members of the public were unable to access a copy of the proposed consent decree on the Department’s website. As a result, the Department of Justice is now publishing this revised notice, which will give members of the public 30 days from the publication date of this revised notice to review and comment on the proposed consent decree.

The proposed consent decree resolves claims of the United States Environmental Protection Agency (“EPA”) against seven defendants—Bridgestone Americas Tire Operations, LLC; Cargill, Inc.; Flowserve Corporation; Kelsey-Hayes Company; NCR Corporation; Northrop Grumman Systems Corporation, and Waste Management of Ohio (collectively “Defendants”)—for response costs and injunctive relief with respect to the North Sanitary (aka “Valleycrest”) Landfill Superfund Site in Dayton, Ohio (“Site”). A complaint, which was filed simultaneously with the proposed consent decree, alleges that the Defendants are liable under Sections 106, 107(a), and 113(g)(2) of the Comprehensive Environmental Response, Compensation, and Liability Act (“CERCLA”), 42 U.S.C. 9606, 9607(a), and 9613(g)(2). Under the proposed consent decree, the Defendants will perform the remedy selected by EPA to address contamination at the Site by, among other things, designing and constructing a landfill “cap” that will cover approximately 70 acres of the Site. Other significant remedial actions will include the design and construction of a system to address landfill gas, as well as a system to prevent leachate from contaminating groundwater.

Additionally, the Defendants will reimburse EPA for its future response costs, but they will not reimburse EPA for its future oversight costs unless and until such costs, together with past responses costs and interim costs incurred before entry of the consent decree, exceed \$8.37 million. The proposed consent decree will provide covenants not to sue to the Defendants, as well as to numerous other potentially responsible parties (“Other Settling Parties”) who have previously entered into settlement agreements with one or more of the Defendants and, in most instances, received indemnifications from them, provided that such Other Settling Parties (listed in Appendix E of the consent decree) submit signature pages agreeing to be bound by the consent decree and, if they own property likely affected by the remedial action, cooperate in the implementation of the consent decree.

The publication of this revised notice opens a new period for public comment on the proposed consent decree. Comments should be addressed to the Assistant Attorney General, Environment and Natural Resources Division, and should refer *United States v. Bridgestone Americas Tire Operations, et al.*, Case No. 3:18–cv–00054 (S.D. Ohio), D.J. Ref. No. 90–11–3–11076. All comments must be submitted no later than thirty (30) days after the publication date of this revised notice. Comments may be submitted either by email or by mail:

<i>To submit comments:</i>	<i>Send them to:</i>
By email	<i>pubcomment-ees.enrd@usdoj.gov.</i>
By mail	Assistant Attorney General, U.S. DOJ—ENRD, P.O. Box 7611, Washington, DC 20044–7611.

During the public comment period, the proposed consent decree may be examined and downloaded at this Justice Department website: <https://www.justice.gov/enrd/consent-decrees>. We will also provide a paper copy of the proposed consent decree upon written request and payment of reproduction costs. Please mail your request and payment to: Consent Decree Library, U.S. DOJ—ENRD, P.O. Box 7611, Washington, DC 20044–7611.

Please enclose a check or money order for \$84.50 (338 pages at 25 cents per page reproduction cost) payable to the United States Treasury. For a paper

copy without the Appendices and signature pages, the cost is \$20.75.

Susan Akers,

Assistant Section Chief, Environmental Enforcement Section, Environment and Natural Resources Division.
