Federal Register

Vol. 83, No. 63

Monday, April 2, 2018

This section of the FEDERAL REGISTER contains documents other than rules or proposed rules that are applicable to the public. Notices of hearings and investigations, committee meetings, agency decisions and rulings, delegations of authority, filing of petitions and applications and agency statements of organization and functions are examples of documents appearing in this section.

## DEPARTMENT OF AGRICULTURE

### Agricultural Research Service

#### Notice of Intent To Renew Information Collection

**AGENCY:** Agricultural Research Service, USDA.

**ACTION:** Notice and request for comment.

**SUMMARY:** The U.S. Department of Agriculture (USDA) seeks comments on the intent of the USNA to renew an information collection that expires August 31, 2018. The information collection serves as a means to collect for certain use of the facilities, grounds, programs and services. This includes fees for educational programs and workshops and for use of the grounds and facilities, as well as for commercial photography and cinematography. Fees generated will be used to defray USNA expenses or to promote the missions of the USNA.

**DATES:** Comments on this notice must be received by June 1, 2018 to be assured of consideration.

**ADDRESSES:** You may submit comments by any of the following methods:

- *Email:* [richard.olsen@ars.usda.gov](mailto:richard.olsen@ars.usda.gov).
- *Fax:* 202-245-4514.
- *Mail:* Director, U.S. National

Arboretum, Northeast Area, Agricultural Research Service, 3501 New York Avenue NE, Washington, DC 20002.

- *Hand Delivery/Courier:* Director, U.S. National Arboretum, Northeast Area, Agricultural Research Service, 3501 New York Avenue NE, Washington, DC 20002.

#### SUPPLEMENTARY INFORMATION:

*Title:* Use of the Grounds and Facilities as well as Commercial Photography and Cinematography.

*OMB Number:* 0518-0032.

*Expiration Date:* 3 years from date of approval.

*Type of Request:* Renewal of approved information collection.

*Abstract:* The mission of the U.S. National Arboretum (USNA) is to serve the public need for scientific research, education, and gardens that conserve and showcase plants to enhance the environment. The USNA is a 446-acre facility, open to the general public for purposes of education and passive recreation. The USNA is a national center for public education that welcomes visitors in a stimulating and aesthetically pleasing environment. The USNA receives approximately 610,000 visitors on the grounds each year. Many garden clubs and societies utilize the USNA grounds to showcase their activities.

Section 890(b) of the Federal Agriculture Improvement and Reform Act of 1996, Public Law 104-127 (1996 Act), expanded the authorities of the Secretary of Agriculture to charge reasonable fees for the use of USNA facilities and grounds. These authorities include the ability to charge fees for temporary use by individuals or groups of USNA facilities and grounds in furtherance of the mission of the USNA. Also, authority was provided to charge fees for tram tours and for the use of the USNA for commercial photography and cinematography. All rules and regulations noted in 7 CFR 500, subpart 2A, conducted on the USNA property will apply to individuals or groups granted approval to use the facilities and grounds. In order to administer the use of the USNA facilities and to determine if the requested use is consistent with the mission of the USNA, it is necessary for the USNA to obtain information from the requestor. Each request will require the completion of an application and submission of an application fee. The application is simple and requires only information readily available to the requestor. The requestor is asked to indicate by whom and for what the purpose the USNA facilities are to be used. Applications are available in hard copy format as well as electronic format (PDF fillable) on the USNA website [www.usna.usda.gov](http://www.usna.usda.gov). Completed permit requests are received in person, by mail, by facsimile or electronically.

*Paperwork Reduction Act:* In accordance with the Office of Management and Budget (OMB) regulations (5 CFR part 1320) implementing the Paperwork Reduction Act of 1995 (44 U.S.C. Chapter 35), the

information collection and recordkeeping requirements that will be imposed will be submitted to OMB for approval. These requirements will not become effective prior to OMB approval.

*Estimate of Burden:* 145 hours.

*Estimated Number of Responses:* The USNA estimates 250 requests for the use of facilities, 40 for photography and cinematography, and 1,800 educational programs and workshops registrations on an annual basis.

*Estimate of Total Annual Burden on Respondents:* The total cost for responding is \$5,206.95 for 145 hours of time at \$35.91 per hour.

*Obtaining Permit Requests:* In addition to the current process of obtaining the permit requests in person, by mail, by facsimile, and electronically (and receiving them back in a like manner), the application for photography and cinematography is available on the USNA website and can be submitted electronically: <http://www.usna.usda.gov/about/photography/photography-and-cinematography>.

The PDF fillable application for the use of facilities is available on the website and can be submitted electronically to USNA. Completed hard copies of permit requests can be submitted to the Administrative Office, USDA, ARS, U.S. National Arboretum, 3501 New York Avenue NE, Washington, DC 20002.

*Comments:* Comments are invited on whether the proposed collection is necessary for the proper performance of the functions of the Agency, including whether the information will have practical utility; the accuracy of the Agency's estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used; ways to enhance the quality, utility, and clarity of the information to be collected; and ways to minimize the burden of collection on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technology.

Dated: March 14, 2018.

**Chavonda Jacobs-Young,**  
Administrator, ARS.
