Swiss-U.S. Privacy Shield; Invitation for Applications for Inclusion on the Supplemental List of Arbitrators

AGENCY: International Trade Administration, U.S. Department of Commerce.

ACTION: Notice; Invitation for applications.

SUMMARY: Under the Swiss-U.S. Privacy Shield Framework, the U.S. Department of Commerce (DOC) and the Swiss Administration have committed to implement an arbitration mechanism as set forth in Annex I, to provide Swiss individuals with the ability to invoke binding arbitration to determine, for residual claims, whether an organization has violated its obligations under the Privacy Shield Framework. The DOC and the Swiss Administration will work together to implement the arbitration mechanism, including by jointly developing a list of up to five arbitrators with European or Swiss expertise to supplement the list of arbitrators developed under the EU-U.S. Privacy Shield Framework. Parties to a binding arbitration under this Swiss-U.S. Privacy Shield mechanism may only select arbitrators from the list developed under the EU-U.S. Privacy Shield Framework to be supplemented by this list. This notice announces the opportunity to apply for inclusion on the Swiss-U.S. Privacy Shield Supplemental List of Arbitrators developed by the DOC and the Swiss Administration.

DATES: Applications should be received by Friday April 30th, 2018.

ADDRESSES: Please submit applications to David Ritchie at the U.S. Department of Commerce, either by email at david.ritchie@trade.gov, or by fax at: 202-482-5522. More information on the arbitration mechanism may be found at <https://www.trade.gov/td/services/odsi/swiss-us-privacyshield-framework.pdf>.

SUPPLEMENTARY INFORMATION: The Swiss-U.S. Privacy Shield Framework was designed by the U.S. Department of Commerce (DOC) and the Swiss Administration (Swiss) to provide companies in both Switzerland and the United States with a mechanism to comply with data protection requirements when transferring personal data from Switzerland to the United States in support of transatlantic commerce. On January 12, 2017, the Swiss deemed the Swiss-U.S. Privacy Shield Framework (Swiss Privacy Shield) adequate to enable data transfers under Swiss law, and on April 12, 2017, the DOC began accepting self-certifications from U.S. companies to join the program (82 FR 16375; April 12, 2017). For more information on the Privacy Shield, visit www.privacyshield.gov.

As described in Annex I of the Swiss Privacy Shield, the DOC and the Swiss have committed to implement an arbitration mechanism to provide Swiss individuals with the ability to invoke binding arbitration to determine, for residual claims, whether an organization has violated its obligations under the Privacy Shield. Organizations voluntarily self-certify to the Swiss Privacy Shield and, upon certification, the commitments the organization has made to comply with the Swiss Privacy Shield become legally enforceable under U.S. law. Organizations that self-certify to the Swiss Privacy Shield commit to binding arbitration of residual claims if the individual chooses to exercise that option. Under the arbitration option, a Privacy Shield Panel¹ (consisting of one or three arbitrators, as agreed by the parties) has the authority to impose individual-specific, non-monetary equitable relief (such as access, correction, deletion, or return of the individual's data in question) necessary to remedy the violation of the Swiss Privacy Shield only with respect to the individual. The parties will select the arbitrators from the list of arbitrators described below.

The DOC and the Swiss Administration seek to develop a list of up to five arbitrators to supplement the list of arbitrators developed under the EU-U.S. Privacy Shield Framework. To be eligible for inclusion on the supplemental list, applicants must be admitted to practice law in the United

States and have expertise in both U.S. privacy law and European or Swiss data protection law. Applicants shall not be subject to any instructions from, or be affiliated with, any Privacy Shield organization, or the U.S., Switzerland, EU, or any EU Member State or any other governmental authority, public authority or enforcement authority.

Eligible individuals will be evaluated on the basis of independence, integrity, and expertise:

Independence:

- Freedom from bias and prejudice.

Integrity:

- Held in the highest regard by peers for integrity, fairness and good judgment.

- Demonstrates high ethical standards and commitment necessary to be an arbitrator.

Expertise:

Required:

- Admission to practice law in the United States.

- Level of demonstrated expertise in U.S. privacy law and European or Swiss data protection law.

Other expertise that may be considered includes any of the following:

- Relevant educational degrees and professional licenses.
- Relevant professional or academic experience or legal practice.
- Relevant training or experience in arbitration or other forms of dispute resolution.

Evaluation of applications for inclusion on the list of arbitrators will be undertaken by the DOC and the Swiss Administration. Selected applicants will remain on the list for a period of 3 years, absent exceptional circumstances, change in eligibility, or for cause, renewable for one additional period of 3 years.

The DOC selected the International Centre for Dispute Resolution-American Arbitration Association (ICDR-AAA) as administrator for Privacy Shield arbitrations brought under either the Swiss-U.S. or EU-U.S. Privacy Shield Frameworks.² Among other things, the ICDR-AAA will facilitate arbitrator fee arrangements, including the collection and timely payment of arbitrator fees and other expenses. Arbitrators are expected to commit their time and effort when included on the supplemental Swiss-U.S. Privacy Shield List of Arbitrators and to take reasonable steps

¹ The Privacy Shield Panel would govern arbitration proceedings brought under either the Swiss-U.S. or EU-U.S. Privacy Shield Frameworks.

² For more information about the selection process and the role of the administrator, see <https://www.privacyshield.gov/Arbitration-Fact-Sheet>.

to minimize the costs or fees of the arbitration.

Arbitrators will be subject to a code of conduct consistent with Annex I of the Swiss-U.S. Privacy Shield Framework and generally accepted ethical standards for arbitrators. The DOC and the Swiss Administration agreed to adopt the arbitral procedures adopted under the EU-U.S. Privacy Shield Framework to govern the arbitral proceedings, subject to considerations identified in Annex I of the Swiss-U.S. Privacy Shield Framework, including that materials submitted to arbitrators will be treated confidentially and will only be used in connection with the arbitration. For more information, please visit <https://www.privacyshield.gov/article?id=G-Arbitration-Procedures> where you can find information on the arbitration procedures. *(Please note that the Arbitration procedures apply to both the EU-U.S. Privacy Shield Framework and the Swiss-U.S. Privacy Shield Framework.)*
