SUPPLEMENTARY INFORMATION: Notice is hereby given that, in a letter dated February 23, 2018, the President amended the cost-sharing arrangements regarding Federal funds provided under the authority of the Robert T. I have determined that the damage in the Commonwealth of Puerto Rico resulting from Hurricane Maria during the period of September 17 to November 15, 2017, is of sufficient severity and magnitude that special cost-sharing arrangements are warranted regarding Federal funds provided under the Robert T. Therefore, I amend my declarations of September 20, 2017, September 26, 2017, and

November 2, 2017, to authorize a 90-day extension of the period of 100 percent Federal funding for debris removal, including direct Federal assistance, and a 60-day extension of the period of 100 percent Federal funding for emergency protective measures, including direct Federal assistance.

The information collected provides the facts necessary to determine the feasibility of a potential site for placement of a Temporary Housing Unit (THU), to ensure the landowner will allow for a Mobile Housing Unit (MHU) to be placed on the property, and to document the installation and maintenance of the unit. FEMA is requesting an extension, without change, of a currently approved information collection.
