SECURITIES AND EXCHANGE COMMISSION

Submission for OMB Review; Comment Request

Upon Written Request, Copies Available

From: Securities and Exchange Commission, Office of FOIA Services, 100 F Street NE, Washington, DC 20549-2736.

Extension:

Rule 35d-1, SEC File No. 270-491, OMB Control No. 3235-0548.

Notice is hereby given that, pursuant to the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 *et seq.*), the Securities and Exchange Commission (the "Commission") has submitted to the Office of Management and Budget ("OMB") a request for extension of the previously approved collection of information discussed below.

Rule 35d-1 (17 CFR 270.35d-1) under the Investment Company Act of 1940 (15 U.S.C. 80a-1 *et seq.*) defines as "materially deceptive and misleading" for purposes of Section 35(d), among other things, a name suggesting that a registered investment company or series thereof (a "fund") focuses its investments in a particular type of investment or investments, in investments in a particular industry or group of industries, or in investments in a particular country or geographic region, unless, among other things, the fund adopts a certain investment policy. Rule 35d-1 further requires either that the investment policy is fundamental or that the fund has adopted a policy to provide its shareholders with at least 60 days prior notice of any change in the investment policy ("notice to shareholders"). The rule's notice to shareholders provision is intended to ensure that when shareholders purchase shares in a fund based, at least in part, on its name, and with the expectation that it will follow the investment policy suggested by that name, they will have sufficient time to decide whether to redeem their shares in the event that the fund decides to pursue a different investment policy.

The Commission estimates that there are approximately 9,939 open-end and closed-end funds that have names that are covered by the rule. The Commission estimates that of these 9,939 funds, approximately 33 will provide prior notice to shareholders

pursuant to a policy adopted in accordance with this rule per year. The Commission estimates that the annual burden associated with the notice to shareholders requirement of the rule is 20 hours per response, for annual total of 660 hours per year.

Estimates of average burden hours are made solely for the purposes of the Paperwork Reduction Act and are not derived from a comprehensive or even representative survey or study of the costs of Commission rules and forms. The collection of information under rule 35d-1 is mandatory. The information provided under rule 35d-1 will not be kept confidential. An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number.

The public may view the background documentation for this information collection at the following website, www.reginfo.gov. Comments should be directed to: (i) Desk Officer for the Securities and Exchange Commission, Office of Information and Regulatory Affairs, Office of Management and Budget, Room 10102, New Executive Office Building, Washington, DC 20503, or by sending an email to: [Shagufta Ahmed@omb.eop.gov](mailto:Shagufta.Ahmed@omb.eop.gov); and (ii) Pamela Dyson, Director/Chief Information Officer, Securities and Exchange Commission, c/o Remi Pavlik-Simon, 100 F Street NE, Washington, DC 20549 or send an email to: PRA_Mailbox@sec.gov. Comments must be submitted to OMB within 30 days of this notice.

Dated: March 30, 2018.

Assistant Secretary.

The Exchange proposes to amend Rule 7034, as described below.

The text of the proposed rule change is available on the Exchange's website at <http://nasdaq.cchwallstreet.com>, at the principal office of the Exchange, and at the Commission's Public Reference Room.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the Exchange included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

The Exchange proposes to amend Rule 7034 pertaining to colocation services and fees to harmonize it with the rules of Nasdaq BX, Inc. ("BX").

The Exchange first proposes to amend Rule 7034(b), under the heading "Market Data Connectivity," to re-categorize and to update references to the CBOE/Bats/Direct Edge data feeds to reflect their current names. Similarly, the Exchange proposes to delete a \$1,000 installation fee that presently applies to the Direct Edge feeds because the Direct Edge feeds are now offerings of CBOE, along with the BZX and BYX feeds. Going forward, a single, one-time \$1,000 installation fee will apply to subscribers to any or all of the CBOE data feeds. The Exchange also proposes to correct a typographical error in the name of the TSXV Level 2 Feed. The Exchange notes that this proposal will render this paragraph of Rule 7034(b) consistent with BX Rule 7034(b).

Second, the Exchange proposes to amend Rule 7034(b), under the heading
