Title: U.S. Income Tax Return for Estates and Trusts.

OMB Number: 1545–0092.

Form Number: Form 1041.

Abstract: IRC section 6012 requires that an annual income tax return be filed for estates and trusts. The data is used by the IRS to determine that the estates, trusts, and beneficiaries filed the proper returns and paid the correct tax.

Public Law 115–97, section 14103 has a retroactive effective date of 2017. In order for taxpayers to fulfill their filing obligations and report the correct amount of tax under Section 14103, the IRS developed FAQ’s to alert taxpayers how and where to report this income on their 2017 return. A critical part of this effort includes alerting taxpayers of their filing obligations and educating them on how and where this would be reported. The data will be utilized by the IRS to ensure that the correct amount of tax is paid.
