

person conducting the examination; date of the examination; location of all areas examined; and description of each condition found that may adversely affect the safety or health of miners and is not corrected promptly.

(c) When a condition that may adversely affect safety or health is not corrected promptly, the examination record shall include, or be supplemented to include, the date of the corrective action.

(d) The operator shall maintain the examination records for at least one year, make the records available for inspection by authorized representatives of the Secretary and the representatives of miners, and provide these representatives a copy on request.

PART 57—SAFETY AND HEALTH STANDARDS—UNDERGROUND METAL AND NONMETAL MINES

■ 3. The authority citation for part 57 continues to read as follows:

Authority: 30 U.S.C. 811.

■ 4. Revise § 57.18002 to read as follows:

§ 57.18002 Examination of working places.

(a) A competent person designated by the operator shall examine each working place at least once each shift before work begins or as miners begin work in that place, for conditions that may adversely affect safety or health.

(1) The operator shall promptly notify miners in any affected areas of any conditions found that may adversely affect safety or health and promptly initiate appropriate action to correct such conditions.

(2) Conditions noted by the person conducting the examination that may present an imminent danger shall be brought to the immediate attention of the operator who shall withdraw all persons from the area affected (except persons referred to in section 104(c) of the Federal Mine Safety and Health Act of 1977) until the danger is abated.

(b) A record of each examination shall be made before the end of the shift for which the examination was conducted. The record shall contain the name of the person conducting the examination; date of the examination; location of all areas examined; and description of each condition found that may adversely affect the safety or health of miners and is not corrected promptly.

(c) When a condition that may adversely affect safety or health is not corrected promptly, the examination record shall include, or be supplemented to include, the date of the corrective action.

(d) The operator shall maintain the examination records for at least one year, make the records available for inspection by authorized representatives of the Secretary and the representatives of miners, and provide these representatives a copy on request.

Paternity Claims and Adoption Proceedings Involving Members and Former Members of the Armed Forces

AGENCY: Department of Defense.

ACTION: Final rule.

SUMMARY: This final rule removes DoD's regulation concerning paternity claims and adoption proceedings involving members and former members of the Armed Forces. The DoD policy that corresponds with this rule is not required by law and was rescinded. This part is not necessary, therefore, it can be removed from the CFR.

DATES: This rule is effective on April 9, 2018.

FOR FURTHER INFORMATION CONTACT: LTCOL Reggie Yager, 703-571-9301.

SUPPLEMENTARY INFORMATION: It has been determined that publication of this CFR part removal for public comment is impracticable, unnecessary, and contrary to public interest since it seeks to remove DoD policy from the CFR that has already been rescinded.

This rule is not significant under Executive Order (E.O.) 12866, "Regulatory Planning and Review," therefore, E.O. 13771, "Reducing Regulation and Controlling Regulatory Costs" does not apply.

Special Local Regulation; Wy-Hi Rowing Regatta, Detroit River, Trenton Channel, Wyandotte, MI

AGENCY: Coast Guard, DHS.

ACTION: Temporary final rule.

SUMMARY: The Coast Guard is establishing a special local regulation for certain navigable waters of the Detroit River, Trenton Channel, Wyandotte, MI. This action is necessary and is intended to ensure safety of life on navigable waters immediately prior to, during, and immediately after the Wy-Hi Rowing Regatta event.

DATES: This temporary final rule is effective from 7:30 a.m. until 5:30 p.m. on May 5, 2018.

ADDRESSES: To view documents mentioned in this preamble as being available in the docket, go to <http://www.regulations.gov>, type USCG-2018-0261 in the "SEARCH" box and click "SEARCH." Click on Open Docket Folder on the line associated with this rule.

CFR Code of Federal Regulations
DHS Department of Homeland Security
FR Federal Register
NPRM Notice of Proposed Rulemaking
§ Section
COTP Captain of the Port
U.S.C. United States Code

II. Background Information and Regulatory History

The Coast Guard is issuing this temporary rule without prior notice and opportunity to comment pursuant to authority under section 4(a) of the Administrative Procedure Act (APA) (5 U.S.C. 553(b)). This provision authorizes an agency to issue a rule without prior notice and opportunity to comment when the agency for good cause finds that those procedures are "impracticable, unnecessary, or contrary to the public interest." Under 5 U.S.C. 553(b) (B), the Coast Guard finds that

good cause exists for not publishing a notice of proposed rulemaking (NPRM) with respect to this rule because doing so would be impracticable. The Coast Guard just recently received the final details of this rowing event, Wy-Hi Rowing Regatta, which does not provide sufficient time to publish an NPRM prior to the event. Thus, delaying the effective date of this rule to wait for a comment period to run would be contrary to public interest because it would inhibit the Coast Guard's ability to protect participants, mariners and vessels from the hazards associated with this event. It is impracticable to publish an NPRM because the special regulation must be effective on May 5, 2018.

III. Legal Authority and Need for Rule

The Coast Guard is issuing this rule under authority in 33 U.S.C. 1233. The Captain of the Port Detroit (COTP) has determined that the likely combination of recreation vessels, commercial vessels, and an unknown number of spectators in close proximity to a youth rowing regatta along the water pose extra and unusual hazards to public safety and property. Therefore, the COTP is establishing a special local regulation around the event location to help minimize risks to safety of life and property during this event.

IV. Discussion of the Rule

This rule establishes a temporary special local regulation from 7:30 a.m. until 5:30 p.m. on May 05, 2018. In light of the aforementioned hazards, the COTP has determined that a special local regulation is necessary to protect spectators, vessels, and participants. The special local regulation will encompass the following waterway: All waters of the Detroit River, Trenton Channel between the following two lines going from bank-to-bank: The first line is drawn directly across the channel from position 42°11.0' N, 083°09.4' W (NAD 83); the second line, to the north, is drawn directly across the channel from position 42°11.7' N, 083°08.9' W (NAD 83).

An on-scene representative of the COTP may permit vessels to transit the area when no race activity is occurring. The on-scene representative may be present on any Coast Guard, state, or local law enforcement vessel assigned to patrol the event. Vessel operators desiring to transit through the regulated area must contact the Coast Guard Patrol Commander to obtain permission to do so. The COTP or his designated on-scene representative may be contacted via VHF Channel 16 or at 313-568-9560.

The COTP or his designated on-scene representative will notify the public of the enforcement of this rule by all appropriate means, including a Broadcast Notice to Mariners and Local Notice to Mariners.

V. Regulatory Analyses

We developed this rule after considering numerous statutes and Executive orders related to rulemaking. Below we summarize our analyses based on a number of these statutes and Executive orders, and we discuss First Amendment rights of protestors.

A. Regulatory Planning and Review

Executive Orders 12866 and 13563 direct agencies to assess the costs and benefits of available regulatory alternatives and, if regulation is necessary, to select regulatory approaches that maximize net benefits. Executive Order 13771 directs agencies to control regulatory costs through a budgeting process. This rule has not been designated a "significant regulatory action," under Executive Order 12866. Accordingly, this rule has not been reviewed by the Office of Management and Budget (OMB), and pursuant to OMB guidance it is exempt from the requirements of Executive Order 13771.

This regulatory action determination is based on the size, location, duration, and time-of-year of the special local regulation. Vessel traffic will be able to safely transit around this special local regulation zone which will impact a small designated area of the Detroit River from 7:30 a.m. to 5:30 p.m. May 05, 2018. Moreover, the Coast Guard will issue Broadcast Notice to Mariners via VHF-FM marine channel 16 about the special local regulation and the rule allows vessels to seek permission to enter the area.

B. Impact on Small Entities

The Regulatory Flexibility Act of 1980, 5 U.S.C. 601-612, as amended, requires Federal agencies to consider the potential impact of regulations on small entities during rulemaking. The term "small entities" comprises small businesses, not-for-profit organizations that are independently owned and operated and are not dominant in their fields, and governmental jurisdictions with populations of less than 50,000. The Coast Guard certifies under 5 U.S.C. 605(b) that this rule will not have a significant economic impact on a substantial number of small entities.

While some owners or operators of vessels intending to transit the special local regulation may be small entities, for the reasons stated in section V.A

above, this rule will not have a significant economic impact on any vessel owner or operator.

Under section 213(a) of the Small Business Regulatory Enforcement Fairness Act of 1996 (Pub. L. 104-121), we want to assist small entities in understanding this rule. If the rule would affect your small business, organization, or governmental jurisdiction and you have questions concerning its provisions or options for compliance, please contact the person listed in the **FOR FURTHER INFORMATION CONTACT** section.

Small businesses may send comments on the actions of Federal employees who enforce, or otherwise determine compliance with, Federal regulations to the Small Business and Agriculture Regulatory Enforcement Ombudsman and the Regional Small Business Regulatory Fairness Boards. The Ombudsman evaluates these actions annually and rates each agency's responsiveness to small business. If you wish to comment on actions by employees of the Coast Guard, call 1-888-REG-FAIR (1-888-734-3247). The Coast Guard will not retaliate against small entities that question or complain about this rule or any policy or action of the Coast Guard.

C. Collection of Information

This rule will not call for a new collection of information under the Paperwork Reduction Act of 1995 (44 U.S.C. 3501-3520).

D. Federalism and Indian Tribal Governments

A rule has implications for federalism under Executive Order 13132, Federalism, if it has a substantial direct effect on the States, on the relationship between the national government and the States, or on the distribution of power and responsibilities among the various levels of government. We have analyzed this rule under that Order and have determined that it is consistent with the fundamental federalism principles and preemption requirements described in Executive Order 13132.

Also, this rule does not have tribal implications under Executive Order 13175, Consultation and Coordination with Indian Tribal Governments, because it does not have a substantial direct effect on one or more Indian tribes, on the relationship between the Federal Government and Indian tribes, or on the distribution of power and responsibilities between the Federal Government and Indian tribes. If you believe this rule has implications for federalism or Indian tribes, please contact the person listed in the **FOR**

FURTHER INFORMATION CONTACT section above.

E. Unfunded Mandates Reform Act

The Unfunded Mandates Reform Act of 1995 (2 U.S.C. 1531–1538) requires Federal agencies to assess the effects of their discretionary regulatory actions. In particular, the Act addresses actions that may result in the expenditure by a State, local, or tribal government, in the aggregate, or by the private sector of \$100,000,000 (adjusted for inflation) or more in any one year. Though this rule will not result in such an expenditure, we do discuss the effects of this rule elsewhere in this preamble.

F. Environment

We have analyzed this rule under Department of Homeland Security Directive 023–01 and Commandant Instruction M16475.1D, which guide the Coast Guard in complying with the National Environmental Policy Act of 1969 (42 U.S.C. 4321–4370f), and have determined that this action is one of a category of actions that do not individually or cumulatively have a significant effect on the human environment. This rule involves a special local regulation lasting ten hours that will prohibit entry into a designated area. It is categorically excluded from further review under paragraph L[61] of Appendix A, Table 1 of DHS Instruction Manual 023–01–001–01, Rev. 01. A Record of Environmental Consideration supporting this determination is available in the docket where indicated under **ADDRESSES**.

G. Protest Activities

The Coast Guard respects the First Amendment rights of protesters. Protesters are asked to contact the person listed in the **FOR FURTHER INFORMATION CONTACT** section to coordinate protest activities so that your message can be received without jeopardizing the safety or security of people, places or vessels.

List of Subjects in 33 CFR Part 100

Marine safety, Navigation (water), Reporting and recordkeeping requirements, Waterways.

For the reasons discussed in the preamble, the Coast Guard amends 33 CFR part 100 as follows:

PART 100—SAFETY OF LIFE ON NAVIGABLE WATERS

■ 1. The authority citation for part 100 continues to read as follows:

Authority: 33 U.S.C. 1233.

■ 2. Add § 100.T09–0261 to read as follows:

§ 100.T09–0261 Special Local Regulation; Wy-Hi Rowing Regatta, Detroit River, Trenton Channel, Wyandotte, MI.

(a) *Regulated areas.* The following regulated area is established as a special local regulation: All waters of the Detroit River, Trenton Channel between the following two lines going from bank-to-bank: The first line is drawn directly across the channel from position 42°11.0′ N, 083°09.4′ W (NAD 83); the second line, to the north, is drawn directly across the channel from position 42°11.7′ N, 083°08.9′ W (NAD 83).

(b) *Definition.* The term “designated representative” means Coast Guard Patrol Commanders, including Coast Guard coxswains, petty officers, and other officers operating Coast Guard vessels, and Federal, state, and local officers designated by or assisting the Captain of the Port (COTP) Detroit in the enforcement of the regulated areas.

(c) *Regulations.* (1) Vessels transiting through the regulated area are to maintain the minimum speeds for safe navigation.

(2) Vessel operators desiring to enter, transit through, anchoring in, remaining in, or operate within the regulated area must contact the COTP Detroit or his designated representative to obtain permission to do so. The COTP Detroit or his designated representative may be contacted via VHF Channel 16 or at 313–568–9560. Vessel operators given permission to operate within the regulated area must comply with all directions given to them by the COTP or his on-scene representative.

(d) *Enforcement date.* The regulated area described in paragraph (a) of this section will be enforced from 7:30 a.m. until 5:30 p.m. on May 5, 2018.

Dated: April 2, 2018.

Jeffrey W. Novak,

Captain, U.S. Coast Guard, Captain of the Port Detroit.

[Docket No. USCG–2018–0226]

Drawbridge Operation Regulation; Hackensack River, Jersey City, NJ

AGENCY: Coast Guard, DHS.

ACTION: Notice of deviation from drawbridge regulation.

SUMMARY: The Coast Guard has issued a temporary deviation from the operating schedule that governs the Route 1 & 9 (Lincoln Highway) Bridge across the Hackensack River, mile 1.8, at Jersey City, New Jersey. The deviation is necessary to limit and control bridge openings during the reconstruction and rehabilitation of the Pulaski Skyway Bridge.

DATES: This deviation is effective without actual notice from April 9, 2018 through 11:59 p.m. on July 31, 2018. For the purposes of enforcement, actual notice will be used from 12:01 a.m. on April 2, 2018, until April 9, 2018.

ADDRESSES: The docket for this deviation, USCG–2018–0226, is available at <http://www.regulations.gov>. Type the docket number in the “SEARCH” box and click “SEARCH”. Click on Open Docket Folder on the line associated with this deviation.

FOR FURTHER INFORMATION CONTACT: If you have questions on this temporary deviation, call or email Judy K. Leung-Yee, Bridge Management Specialist, First District Bridge Branch, U.S. Coast Guard; telephone 212–514–4336, email Judy.K.Leung-Yee@uscg.mil.

SUPPLEMENTARY INFORMATION: The owner of the bridge, the New Jersey Department of Transportation, requested a temporary deviation in order to complete the reconstruction and rehabilitation of the adjacent Pulaski Skyway Bridge. The Route 1 & 9 Bridge across the Hackensack River, mile 1.8, at Jersey City, New Jersey is a vertical lift bridge with a vertical clearance of 35 feet at mean high water and 40 feet at mean low water in the closed position. The existing drawbridge operating regulations are listed at 33 CFR 117.5.

This temporary deviation will allow the Route 1 & 9 Bridge to open on signal from April 2, 2018 to July 31, 2018, except that the draw will not open to vessel traffic, Monday through Friday, between 6 a.m. and 9:30 a.m. and between 2:30 p.m. and 6 p.m., except holidays. On Federal holidays, the Route 1 & 9 Bridge will open on signal. Tide dependent deep draft vessels may request bridge openings during the rush hour closure periods, provided that at least a six hour advance notice is given by calling the number posted at the bridge.

The waterway is transited by recreational vessels and commercial vessels. Coordination with waterway users has indicated no objections to the proposed closure of the draw. Vessels able to pass through the bridge in the closed position may do so at any time. There is no alternate route for vessels to pass, but the bridge will be able to open
