SUPPLEMENTARY INFORMATION: Notice is hereby given by the U.S. Environmental Protection Agency (EPA), Region 7, of a proposed bona fide prospective purchaser settlement agreement, embodied in an Order on Consent, with Sensient Colors LLC. This agreement pertains to the former Homer A. Doerr & Sons Plating Company property located at 2408 North Leffingwell Avenue, St. Louis, Missouri. Sensient Colors LLC agrees to perform a removal action at this property, purchase the property and return the site to green space. This project will result in an abandoned contaminated building and site being restored to beneficial use.

The settlement includes a covenant by EPA not to sue or take administrative action against Sensient Colors, pursuant to Sections 106 and 107(a) of CERCLA and Section 3008 of the Solid Waste Disposal Act, commonly referred to as the Resource Conservation and Recovery Act, as amended by the Hazardous and Solid Waste Amendments, for Existing Contamination, as that term is defined in the settlement agreement. For thirty (30) days following the date of publication of this notice, EPA will receive written comments relating to the settlement. EPA will consider all comments received and may modify or withdraw its consent to the settlement agreement if comments received disclose facts or considerations that indicate that the proposed settlement is inappropriate, improper, or inadequate. EPA's response to any comments received will be available for public inspection at EPA Region 7, 11201 Renner Boulevard, Lenexa, Kansas 66219.
